Cubbison, 2010-03-08 The American War for Independence was under way before the signing of the Declaration of Independence but the Continental Army didn t have the force to back up the words This history explores the army s early failures in Canada with desertion and disease common among the ranks and how new leadership disciplined and reorganized the army and set the stage for a key victory at Saratoga in 1777 **Between the Devil and the Deep** Della A. Zarzynski, 2019-11-01 Chronicles the history and archaeological study of Lake George New York s sunken bateaux of 1758 In *Ghost Fleet Awakened* Joseph W Zarzynski reveals the untold story of a little recognized sunken fleet of British warships bateaux from the French and Indian War 1755 1763 The story begins more than 250 years ago when bateaux first plied the waters of Lake George New York Zarzynski enlightens readers with a history of these utilitarian vessels considered the most important vessels that transported armies during eighteenth century wars in North America and includes their origins and

uses By infusing the book with underwater archaeology doctrine Zarzynski shows the nautical significance of these colonial craft In the autumn of 1758 the British command at Lake George made a daring decision to deliberately sink two floating batteries radeaux some row galleys and whaleboats a sloop and 260 bateaux thereby placing the warships into wet storage and protecting them from marauding French during the coming winter In 1759 many submerged boats were raised but some were not Then in 1960 two divers rediscovered several sunken bateaux dubbed the Ghost Fleet These shipwrecks were the focus of underwater archaeological investigations that provided archaeologists with opportunities to gain unprecedented insight into eighteenth century lifeways Zarzynski explores and explains shipwreck preservation techniques the creation of shipwreck parks for scuba enthusiasts and the many multifaceted programs developed by the nonprofit organization Bateaux Below to help protect these finite cultural treasures Zarzynski offers fascinating new research on bateau shipwrecks through the use of manuscripts period newspaper accounts and interviews It is an outstanding piece of research explaining the chronological history of cultural resource preservation No other book provides this level of documentation on the role of bateaux during the wars of the eighteenth century Russell P Bellico author of Empires in the Mountains French and Indian War Campaigns in Forts in the Lake Champlain Lake George and Hudson River Corridor This is a major contribution to the field of American history New York State history underwater archaeology and cultural resource management There is no equivalent book that documents this story Timothy J Runyan editor of Ships Seafaring and Society Essays in Maritime History
