

# RADIANCE

A NOVEL

CARTER SCHOLZ

"A tour de force of observation, microcosm, realism and a vibrantly satirical pharmacopoeia in prose. It gives a terrifying glimpse of a war at the junction of science and politics, one never fully fought or abandoned, only covered in denial and foggy. It reads like a declassified document of the human mind."

—JONATHAN LETHBRIDGE, author of *Mezzanine Brooklyn*

"Carter Scholz's here-beans prove to combustibly upon contact, so stimulating that—as you take it in—you can actually feel your synapses overloading with halogen-clear brilliance. *Radiance* is provocative, riveting, funny, but above all else, it is startlingly unique."

—DAVID GRAND, author of *The Disappearing Body*

"I doubt there's another writer in the country who can match Scholz as a stylist. *Radiance* is a splendid evocation of time and place. Deceitful, funny, and scary, too, it's every bit as brilliant as the name implies."

—KAREN JOY FOWLER, author of *Steve Nouri*

"This beautiful and disturbing novel is a superb rendering of our strategic defense weapons programs and of the America that supports them. It's fiction about science in service to fiction, a coherent beast that illuminates our world in a new way. Scholz's ear for American speech, and the precision of his language, remind me of Gaddis, DeLugan, or Pynchon, but here the high modernist brilliance is put to urgent political use."

—KIM STANLEY ROBINSON,  
author of *Antarctica*
