Works. Subcommittee on Clean Air
and Nuclear Regulation**

Radiation Testing On Humans Hearing January 18 1994:

Radiation Testing on Humans United States. Congress. House. Committee on Energy and Commerce. Subcommittee on Energy and Power,1994 **Human Radiation Experiments** DIANE Publishing Company,1998-04 Examines progress that the U S government has made to identify and catalog the many radiation experiments carried out in the U S involving human subjects and to establish an effective set of policies and procedures to protect citizens from dangerous and unethical research practices Presents testimony from representatives from the Republic of the Marshall Islands the State of Alaska the Task Force on Radiation and Human Rights Concerned Relatives of Cancer Study Patients the National Institute of Health Office for Protection from Research Risks the Dept of Energy the General Accounting Office and the Dept of Defense

Human Radiation Experiments United States. Congress. Senate. Committee on Governmental Affairs,1996 **Report on the Activity of the Committee on Energy and Commerce for the ... Congress** United States. Congress. House. Committee on Energy and Commerce,1995 **The Plutonium Files** Eileen Welsome,2024-11-20 The Plutonium Files is the shocking expos of the US government s medical experiments on unwitting citizens during the Cold War Americans recoiled when they learned of the brutal experiments conducted by Nazi doctors But as the world was learning about those horrors US scientists were injecting eighteen patients in hospital wards with plutonium a deadly substance used to make the atomic bomb The patients were given code numbers and went to their graves without knowing what had been done to them In The Plutonium Files Pulitzer Prize winning journalist Eileen Welsome describes how she uncovered the identities of these patients and goes on to chronicle the web of deceit that enabled the experiment to remain largely unknown for fifty years It s a searing cautionary tale about what can happen behind the cloak of secrecy In this new edition the book returns to the July 16 1945 Trinity Test in southern New Mexico Trinity was not only the world s first atomic bomb but the world s first dirty bomb Survivors and their descendants in the path of the fallout experienced a huge increase in radiation linked cancers and are still fighting for reparations The Plutonium Files also traces the murky origins of other radiation experiments Like the plutonium injectees the subjects were surreptitiously followed for years They included children in Massachusetts pregnant women in Tennessee and prisoners in Oregon and Washington A fierce expose of governmental duplicity and dangerous science The literature on the official crimes of the Cold War is large and growing Welsome s stunning book adds much to that literature and it makes for sobering reading Kirkus Reviews War Against All Puerto Ricans Nelson A Denis,2015-04-07 The powerful untold story of the 1950 revolution in Puerto Rico and the long history of U S intervention on the island that the New York Times says could not be more timely In 1950 after over fifty years of military occupation and colonial rule the Nationalist Party of Puerto Rico staged an unsuccessful armed insurrection against the United States Violence swept through the island assassins were sent to kill President Harry Truman gunfights roared in eight towns police stations and post offices were burned down In order to suppress this uprising the US Army deployed thousands of troops and bombarded two towns

marking the first time in history that the US government bombed its own citizens Nelson A Denis tells this powerful story through the controversial life of Pedro Albizu Campos who served as the president of the Nationalist Party A lawyer chemical engineer and the first Puerto Rican to graduate from Harvard Law School Albizu Campos was imprisoned for twenty five years and died under mysterious circumstances By tracing his life and death Denis shows how the journey of Albizu Campos is part of a larger story of Puerto Rico and US colonialism Through oral histories personal interviews eyewitness accounts congressional testimony and recently declassified FBI files *War Against All Puerto Ricans* tells the story of a forgotten revolution and its context in Puerto Rico s history from the US invasion in 1898 to the modern day struggle for self determination Denis provides an unflinching account of the gunfights prison riots political intrigue FBI and CIA covert activity and mass hysteria that accompanied this tumultuous period in Puerto Rican history

The Treatment Martha Stephens, 2002-01-23 A revealing expos on extreme radiation experiments performed on unknowing cancer patients during the 1960s which caused their deaths *Government-sponsored Testing on Humans* United States. Congress. House. Committee on the Judiciary.
