Radical View The Agate Dispatches Of Whi

George C. Rable

Radical View The Agate Dispatches Of Whi:

The Gettysburg Gospel Gabor Boritt, 2008-02-05 Describes the events surrounding Abraham Lincoln's historic speech following the Battle of Gettysburg in July 1863 how he responded to the politics of the time and the importance of that speech

A Radical View Whitelaw Reid, 1976 **Abraham Lincoln, 2nd Edition** Allen C. Guelzo, 2022-11-08 The story of Abraham Lincoln's faith and intellectual life updated and revised with a new preface from the three time winner of the Lincoln Prize and best selling Civil War era historian Allen Guelzo Allen Guelzo's peerless account of America's most celebrated president explores the role of ideas in Lincoln's life treating him as a serious thinker deeply involved in the nineteenth century debates over politics religion and culture Through masterful and original scholarly work Guelzo relates the outward events of Lincoln's life to his inner spiritual struggles and sets them both against the intellectual backdrop of his age The sixteenth president emerges as a creative yet profoundly paradoxical man possessed of deep moral and religious character yet without adherence to organized religion Since its original publication in 1999 Abraham Lincoln Redeemer President has garnered numerous accolades not least the prestigious Lincoln Prize After writing several other acclaimed studies of Lincoln and other aspects of Civil War era history Guelzo returns to update this important early work for a second edition A new preface addresses the developments in Lincoln scholarship in the years since the book's original publication and offers Guelzo's fascinating retrospective look at the unusual path he took to becoming a Lincoln scholar *The Fiery Trial: Abraham Lincoln and American Slavery* Eric Foner, 2011-09-20 From a master historian comes the story of Lincoln's and the nation's transformation through the crucible of slavery and emancipation **Chasing Jeb Stuart and John Mosby** Robert F. O'Neill, 2014-01-10 This book is an operational and tactical study of cavalry operations in Northern Virginia from September 1862 to July 1863 It examines in detail John Mosby's first six months as a partisan within the context of the larger threat to the Union capital posed by Jeb Stuart Previous studies of Mosby's career are largely based on postwar memoirs This narrative balances those accounts with previously unpublished official contemporary records left by the Union soldiers assigned to the defense of Washington D C The formation of the Michigan Cavalry Brigade is fully documented along with the exploits of the brigade in the months before George Custer took command Largely forgotten events such as Jeb Stuart's Christmas Raid the fight at Fairfax Station during Stuart's ride to Gettysburg as well as the vital role played by Union general Julius Stahel's cavalry division in the critical month of June 1863 are examined at length **Lords of Misrule** James Gill, 1997 Mardi Gras remains one of the most distinctive features of New Orleans Although the city has celebrated Carnival since its days as a French and Spanish colonial outpost the rituals familiar today were largely established in the Civil War era by a white male elite back cover **The Era of the Civil War--1820-1876** Louise A. Arnold-Friend, US Army Military History Institute, 1982 *WAR NEWS: Blue and Gray in Black and White* Brayton Harris, 2010-06-21 WAR NEWS originally published in 1999 as Blue the efforts of newspapers to influence military appointments strategy and tactics advances in

printing technology formal and informal censorship the suppression of dissident newspapers and most of all the war correspondents themselves **Catalog of Copyright Entries. Third Series** Library of Congress. Copyright Office,1977

Seward Walter Stahr,2012-09-18 From one of our most acclaimed new biographers the first full life of the leader of Lincoln's team of rivals to appear in more than forty years William Henry Seward was one of the most important Americans of the nineteenth century Progressive governor of New York and outspoken U S senator he was the odds on favorite to win the 1860 Republican nomination for president As secretary of state and Lincoln's closest adviser during the Civil War Seward not only managed foreign affairs but had a substantial role in military political and personnel matters Some of Lincoln's critics even saw Seward erroneously as the power behind the throne this is why John Wilkes Booth and his colleagues attempted to kill Seward as well as Lincoln Seward survived the assassin's attack continued as secretary of state and emerged as a staunch supporter of President Andrew Johnson Lincoln's controversial successor Through his purchase of Alaska Seward's Folly and his groundwork for the purchase of the Canal Zone and other territory Seward set America on course to become a world empire Seward was not only important he was fascinating Most nights this well known raconteur with unruly hair and untidy clothes would gather diplomats soldiers politicians or actors around his table to enjoy a cigar a drink and a good story Drawing on hundreds of sources not available to or neglected by previous biographers Walter Stahr sheds new light on this complex and central figure as well as on pivotal events of the Civil War and its aftermath Lincoln and the Power of the Press Harold Holzer,2014-10-14 Lincoln believed that with public sentiment nothing can fail without it nothing can succeed Harold Holzer makes a significant contribution to our understanding of Lincoln's leadership by showing us how deftly he managed his relations with the press of his day to move public opinion forward to preserve the Union and abolish slavery Doris Kearns Goodwin From his earliest days Lincoln devoured newspapers As he started out in politics he wrote editorials and letters to argue his case He spoke to the public directly through the press He even bought a German language newspaper to appeal to that growing electorate in his state Lincoln alternately pampered battled and manipulated the three most powerful publishers of the day Horace Greeley of the New York Tribune James Gordon Bennett of the New York Herald and Henry Raymond of the New York Times When war broke out and the nation was tearing itself apart Lincoln authorized the most widespread censorship in the nation's history closing down papers that were disloyal and even jailing or exiling editors who opposed enlistment or sympathized with secession The telegraph the new invention that made instant reporting possible was moved to the office of Secretary of War Stanton to deny it to unfriendly newsmen Holzer shows us an activist Lincoln through journalists who covered him from his start through to the night of his assassination when one reporter ran to the box where Lincoln was shot and emerged to write the story covered with blood In a wholly original way Holzer shows us politicized newspaper editors battling for power and a masterly president using the press to speak directly to the people and shape the nation The Scalawags James Alex Baggett,2004-09-01 In The Scalawags James Alex Baggett

ambitiously uncovers the genesis of scalawag leaders throughout the former Confederacy Using a collective biography approach Baggett profiles 742 white southerners who supported Congressional Reconstruction and the Republican Party He then compares and contrasts the scalawags with 666 redeemer Democrats who opposed and eventually replaced them Significantly he analyzes this rich data by region the Upper South the Southeast and the Southwest as well as for the South as a whole Baggett follows the life of each scalawag before during and after the war revealing real personalities and not mere statistics Examining such features as birthplace vocation estate slaveholding status education political antecedents and experience stand on secession war record and postwar political activities he finds striking uniformity among scalawags This is the first Southwide study of the scalawags its scope and astounding wealth in quantity and quality of sources make it the definitive work on the subject

Lincoln's Hundred Days Louis P. Masur, 2012-09-22 The time has come now Abraham Lincoln told his cabinet as he presented the preliminary draft of a Proclamation of Emancipation Lincoln's effort to end slavery has been controversial from its inception when it was denounced by some as an unconstitutional usurpation and by others as an inadequate half measure up to the present as historians have discounted its import and impact At the sesquicentennial of the Emancipation Proclamation Louis Masur seeks to restore the document's reputation by exploring its evolution Lincoln's Hundred Days is the first book to tell the full story of the critical period between September 22 1862 when Lincoln issued his preliminary Proclamation and January 1 1863 when he signed the final significantly altered decree In those tumultuous hundred days as battlefield deaths mounted debate raged Masur commands vast primary sources to portray the daily struggles and enormous consequences of the president's efforts as Lincoln led a nation through war and toward emancipation With his deadline looming Lincoln hesitated and calculated frustrating friends and foes alike as he reckoned with the anxieties and expectations of millions We hear these concerns from poets cabinet members and foreign officials from enlisted men on the front and free blacks as well as slaves Masur presents a fresh portrait of Lincoln as a complex figure who worried about listened to debated prayed for and even joked with his country and then followed his conviction in directing America toward a terrifying and thrilling unknown

Fredericksburg! Fredericksburg! George C. Rable, 2009-11-15 During the battle of Gettysburg as Union troops along Cemetery Ridge rebuffed Pickett's Charge they were heard to shout Give them Fredericksburg Their cries reverberated from a clash that although fought some six months earlier clearly loomed large in the minds of Civil War soldiers Fought on December 13 1862 the battle of Fredericksburg ended in a stunning defeat for the Union Confederate general Robert E Lee suffered roughly 5 000 casualties but inflicted more than twice that many losses nearly 13 000 on his opponent General Ambrose Burnside As news of the Union loss traveled north it spread a wave of public despair that extended all the way to President Lincoln In the beleaguered Confederacy the southern victory bolstered flagging hopes as Lee and his men began to take on an aura of invincibility George Rable offers a gripping account of the battle of Fredericksburg and places the campaign within its broader political social and military context

Blending battlefield and home front history he not only addresses questions of strategy and tactics but also explores material conditions in camp the rhythms and disruptions of military life and the enduring effects of the carnage on survivors both civilian and military on both sides **Professional Journal of the United States Army** ,1976 *Lincoln's Last Speech*

Louis P. Masur,2015-03-02 What did Abraham Lincoln envision when he talked about reconstruction Assassinated in 1865 the president did not have a chance to begin the work of reconciling the North and South nor to oversee Reconstruction as an official postwar strategy Yet his final speech given to thousands gathered in the rain outside the White House on April 11 1865 gives a clear indication of what Lincoln s postwar policy might have looked like one that differed starkly from what would emerge in the tumultuous decade that followed In Lincoln s Last Speech renowned historian and author Louis P Masur offers insight into this critical address and its vision of a reconstructed United States Coming two days after Robert E Lee s surrender at Appomattox and a week after the fall of Richmond Lincoln s speech was expected to be a victory oration Instead he looked to the future discussing how best to restore the seceded states to the national government and even endorsing limited black suffrage Delving into the language and arguments of Lincoln s last address Masur traces the theme of reconstruction as it developed throughout his presidency starting with the very earliest days of the war Masur illuminates the evolution of Lincoln s thinking and the national debate around reconstruction touching on key moments such as the Proclamation of Amnesty and Reconstruction on December 8 1863 and Lincoln s pocket veto of the Wade Davis bill in July 1864 He also examines social reconstruction including the plight of freedmen and the debate over the place of blacks in society and considers the implications of Lincoln s speech after April 1865 when Andrew Johnson assumed office and the ground was laid for the most radical phases of the postwar policy A nuanced study of Lincoln s views on national reconciliation this work gives us a better understanding of the failures that occurred with postwar Reconstruction and the eventual path that brought the country to reunion **Stanton** Walter Stahr,2017-08-08 New York Times bestselling author Walter Stahr tells the story of Edwin Stanton who served as Secretary of War in Abraham Lincoln s cabinet This exhaustively researched well paced book should take its place as the new standard biography of the ill tempered man who helped to save the Union It is fair judicious authoritative and comprehensive The Wall Street Journal Of the crucial men close to President Lincoln Secretary of War Edwin Stanton 1814 1869 was the most powerful and controversial Stanton raised armed and supervised the army of a million men who won the Civil War He directed military movements He arrested and imprisoned thousands for war crimes such as resisting the draft or calling for an armistice Stanton was so controversial that some accused him at that time of complicity in Lincoln s assassination He was a stubborn genius who was both reviled and revered in his time Stanton was a Democrat before the war and a prominent trial lawyer He opposed slavery but only in private He served briefly as President Buchanan s Attorney General and then as Lincoln s aggressive Secretary of War On the night of April 14 1865 Stanton rushed to Lincoln s deathbed and took over the government since Secretary of State William Seward

had been critically wounded the same evening He informed the nation of the President's death summoned General Grant to protect the Capitol and started collecting the evidence from those who had been with the Lincolns at the theater in order to prepare a murder trial Now Walter Stahr's highly recommended Library Journal starred review essential book is the first major account of Stanton in fifty years restoring this underexplored figure to his proper place in American history A lively lucid and opinionated history Kirkus Reviews starred review

Conflict of Command George C. Rable, 2023-08-30 Winner of the Barondess Lincoln Award Winner of the Austin Civil War Round Table Book Prize Finalist for the American Battlefield Trust Book Prize The fraught relationship between Abraham Lincoln and George McClellan is well known so much so that many scholars rarely question the standard narrative casting the two as foils with the Great Emancipator inevitably coming out on top over his supposedly feckless commander In *Conflict of Command* acclaimed Civil War historian George C Rable rethinks that stance providing a new understanding of the interaction between the president and his leading wartime general by reinterpreting the political aspects of their partnership Rable pays considerable attention to Lincoln's cabinet Congress and newspaper editorials revealing the role each played in shaping the dealings between the two men While he surveys McClellan's military campaigns as commander of the Army of the Potomac Rable focuses on the political fallout of the fighting rather than the tactical details This broadly conceived approach highlights the army officers and enlisted men who emerged as citizen soldiers and political actors Most accounts of the Lincoln McClellan feud solely examine one of the two individuals and the vast majority adopt a steadfast pro Lincoln position Taking a more neutral view Rable deftly shows how the relationship between the two developed in a political context and ultimately failed spectacularly profoundly altering the course of the Civil War itself

Public Debate in the Civil War Era David Zarefsky, 2023-08-01 Public debate and discussion was overshadowed by the slavery controversy during the period of the U S Civil War Slavery was attacked defended amplified and mitigated This happened in the halls of Congress the courts the political debate the public platform and the lecture hall This volume examines the issues speakers and venues for this controversy between 1850 and 1877 It combines exploration of the broad contours of controversy with careful analysis of specific speakers and texts

The White Tecumseh Stanley P. Hirshson, 1997-04-09 A refreshing new look at one of the Civil War's most compelling and controversial figures Best remembered as the man who burned Atlanta and marched his army to the sea cutting a swath of destruction through Georgia William Tecumseh Sherman remains one of the most vital figures in Civil War annals This beautifully crafted new biography offers a fresh perspective on this pivotal personality It is the first Sherman biography to draw on regimental histories giving us a fascinating view of how Sherman's own men regarded him and how they rated him as a general More sympathetic than other biographers Hirshson presents Sherman as a brilliant but tormented soul haunted by the mental instability that plagued his mother's family *The White Tecumseh* also focuses more closely on Sherman's battles and marches than previous accounts demonstrating that his lackluster performance on the battlefield was more than

compensated for by the effectiveness of his march campaigns Illustrations include previously unseen photos from the West Point Archives STANLEY P HIRSHSON Closter New Jersey is a professor of history at Queens College of the City University of New York He is also the author of Farewell to the Bloody Shirt Northern Republicans and the Southern Negro 1877 1983 Reconsidering one of the Civil War2s most compelling and controversial figures As psychologically penetrating as it is painstakingly researched sure to become a controversial book on one of America2s great generals Publishers Weekly starred review Sympathetic yet excellent insight into how Sherman2s own troops felt about him and his relationships with fellow generals especially Grant Highly recommended Library Journal Best remembered as the man who burned Atlanta and marched his army to the sea cutting a swath of destruction through Georgia William Tecumseh Sherman is treated to a beautifully crafted study from acclaimed historian Stanley Hirshson The first to draw on regimental histories this book presents Sherman as a brilliant but tormented soul haunted by the mental instability that plagued his mother2s family Among the illustrations are previously unseen photos from the West Point Archives Stanley P Hirshson New York NY is professor of history at Queens College and City University of New York and author of Farewell to the Bloody Shirt Northern Republicans and the Southern Negro 1877 1893

Unveiling the Power of Verbal Artistry: An Emotional Sojourn through **Radical View The Agate Dispatches Of Whi**

Radical View The Agate Dispatches Of Whi Introduction

In the digital age, access to information has become easier than ever before. The ability to download Radical View The Agate Dispatches Of Whi has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Radical View The Agate Dispatches Of Whi has opened up a world of possibilities. Downloading Radical View The Agate Dispatches Of Whi provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Radical View The Agate Dispatches Of Whi has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Radical View The Agate Dispatches Of Whi. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Radical View The Agate Dispatches Of Whi. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Radical View The Agate Dispatches Of Whi, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit

vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Radical View The Agate Dispatches Of Whi has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Radical View The Agate Dispatches Of Whi Books

1. Where can I buy Radical View The Agate Dispatches Of Whi books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
3. How do I choose a Radical View The Agate Dispatches Of Whi book to read? Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.). Recommendations: Ask friends, join book clubs, or explore online reviews and recommendations. Author: If you like a particular author, you might enjoy more of their work.
