Office, 1975 Taking Sides in Social Research Martyn Hammersley, 2005-08-12 In the past it was generally taken for granted that the goal of social research was the production of objective knowledge and that this required a commitment to value neutrality In more recent times however both these ideals have come to be challenged and it is often argued that all research is inevitably political in its assumptions and effects In this major contribution to the debate Martyn Hammersley assesses the arguments from the classic and still influential contributions of C Wright Mills Howard Becker and Alvin Gouldner to the present day He concludes that the case for partisanship is not convincing and that an intelligent and sceptical commitment to the principles of objectivity and value neutrality must remain an essential feature of research

**Juvenile Delinquency: An Integrated Approach** James Burfeind, Dawn Jeglum Bartusch, 2010-02-26 Juvenile Delinquency An Integrated Approach Second Edition offers a comprehensive introduction to juvenile delinquency Now in a more concise and accessible format this text cultivates an understanding of juvenile delinquency by examining and linking key sociological and criminological theories and research Biological and psychological approaches to delinquency are covered as well as responses to delinquent behavior including prevention early intervention and contemporary juvenile justice

*Juvenile Delinquency* Jack E. Bynum, William Edwin Thompson, 1992 Juvenile delinquency is one of the most complex interesting and challenging phenomena in the US Newspapers television and radio bombard us with accounts of juvenile misbehavior and crime which range from truancy to first degree murder Consequently youths who violate the law receive considerable attention from law enforcement officials social agencies criminologists and social and behavioral scientists This book is guided by the basic premise that juvenile delinquency is inherently social in nature Thus any meaningful discussion of delinquency must be expressed in a sociological framework More specifically this book approaches delinquency as it relates to and emerges from the youth s family neighborhood school peer group social class and overall culture and environment This edition includes current and controversial topics such as community policing gun control hate crimes the impact of TV violence boot camps and capital punishment for juveniles Sociologists social workers law enforcers teachers and administrators
