### **Constructing Methodology for Qualitative Research**

Bobby Harreveld, Mike Danaher, Celeste Lawson, Bruce Allen Knight, Gillian Busch, 2016-08-29 This book explores the webs of vulnerability in methodological decision making that illustrate the deceptive strength of qualitative research Each chapter will resonate with readers differently as they read themselves into the tensions and tangles of qualitative research when confronted with the challenges of establishing methodological frameworks for educational and social enquiry The authors are postgraduate early career researchers and supervisors who analyse their methodological encounters with the nimble fluid messy and iterative processes of qualitative research The book flows structurally from positioning the researcher within these processes to the manoeuvring of self across necessarily selective social science disciplines in education arts and humanities It rejuvenates the pioneering spirit the sense of mission and innovativeness of qualitative research
