Raft From Floatsam:

A Raft from Flotsam John Jordan, 1975-01-01 S.S. Nerissa, the Final Crossing William Dziadyk, 2021-04-30 A remarkable human story one that is worth reading Maritime Engineering Journal Fascinating story is told in a thorough and interesting manner highly recommended Action Stations magazine Canadian Naval Memorial Trust HMCS Sackville Book is intriguing Recommended for navy enthusiasts and more casual readers alike Starshell magazine Naval Association of Canada Second Edition with an Addendum In the written histories of the Battle of the Atlantic the S S Nerissa is overlooked She was the only ship transporting Canadian Army troops to be lost to enemy action during the entire Second World War The details of the sinking were highly classified until almost 50 years after the event The tragic loss of this ship resulted in the third largest loss of life for a ship sunk by U boats in the approaches to the British Isles These human losses touched not only Canadian families but also families in allied nations and in the neutral United States and these losses are largely unknown to our current generation Two hundred and seven lives were lost 81 Merchant Navy 73 Canadian Army 10 Royal Canadian Navy 4 Royal Navy 8 Royal Air Force 11 American pilots UK Air Transport Auxiliary 3 Royal Norwegian Air Force 3 Canadian government employees and 14 civilian passengers including 3 children After these many years their stories deserve to be told Included are eye witness accounts from many of the survivors and some stories of those who perished The first torpedo exploded into the Engine Room Six minutes later as the lifeboats were being lowered U 552 Erich Topp fired a coup de grace torpedo into the already stricken Nerissa Of the ship's eight lifeboats only one was successfully launched one was upright but flooded four were capsized and two were pulled down with the ship Much of this true story is based on the analysis of testimony recollections and official reports taken from survivors as well as declassified Canadian British and German documents Nerissa usually sailed independently not in escorted convoys This book focuses on the events which led up to the sinking by U 552 and the deadly 10 hours awaiting rescue about 80 miles off the coast of Ireland Only eighty four survivors were alive to be rescued by HMS Veteran while HMS Hurricane and RAF 502 Squadron aircraft provided anti submarine sweeps The book also provides humanizing details to a very tragic story Addressed is the public relations dilemma related to informing families of their losses while the allied authorities enforced security restrictions related to a major wartime incident Also included is relevant historical context of Britain's overall war efforts at that time and in particular Bletchley Park's significant advances in decrypting German naval Enigma encoded messages in the few weeks before and after the sinking The Addendum summarizes results of recent collaborative analysis by the author and a retired Irish journalist of various historical records which may now allow identification of bodies from the S S Nerissa which washed ashore onto the Irish coast but had not been identified during the war Masterly Misdemeanor Greg Keith Bathgate, 2022-10-01 In 1999 a Parliamentary Senate Inquiry in Australia had found that a strong case can be made that the Kormoran's underwater torpedo played a major role in the defeat of the Sydney whereas in 2009 the Commission of Inquiry had found that the Sydney had

been struck by a torpedo from the above water tubes of the raider Kormoran while both vessels were sailing along at close quarters at a speed of some 14 knots These diverse rulings mean one or both are not correct In fact the latest inquiry has been eroded by more recent revelations from ordinary crewmen but this inquiry took no notice of them The inquiry into the loss of the cruiser HMAS Sydney on 19th November 1941 in 2009 had thus supported the views sent to the Admiralty some 80 years ago Moreover it had found that during the ships return to the port of Fremantle from escort duties it had met the raider HSK Kormoran by chance The Ballad of Pentra Dennis Knotts,2017-01-30 Every world has a forerunner Not just a voice crying in the wilderness But one who serves as a picture of what is to come Such was Pentra for the Lands of the Adoni Pentra dreamed of the Knights of Es Soh En He knew that he could never be all that they were His weak eyes and weak arms disqualified him from military service And so he dreamed He wrote And he collected the stories of his heroes But then one day *The Dead Man's Secret* Joyce Emmerson Preston Muddock,1911 *"The Qaakil"* Bill Nielsen,2012-11-14 Young Powerful Love Tragic Terror Spine tingling Excitement Colt and Molly intensely in love face devastating horror with grace and humor while fighting to contain a truly horrendous invasive species The Qaakil is a very timely novel sized work that mixes humor and romance with the stark terror of a believable monster story This novel is timely because of the headlines that have been reporting the discovery of Killer fish imported from China in a Maryland pond and now in the Potomac River along with big headed carp that have decimated fisheries in the Mississippi River system and now threaten the Great Lakes Great care has also been taken to keep the story line technically correct and logical This is NOT a giant alligator in my basement type of story Ecocidae Gigas Dentire or Giant Toothed Pike were thought to be extinct although Inuit people have tried for years to tell the Kabloona White Man about what they call The Qaakil sixteen foot monsters found in some remote lakes of the far north Those stories were dismissed as folklore However they do exist as John Stanton of Stanton Electronics found out in the last few seconds of his life while on an expedition to the far north The Stanton family takes a brave and principled stance when they realize they are responsible for importing these monsters and allowing them to escape into a New York State river Colt and Molly will experience horrifying situations including attempted murder as they work to confine these monsters while at the same time discovering the joys of new found love **Commercial Fisheries Review** ,1962

Fishery Bulletin ,1975 **Rose-Belford's Canadian Monthly and National Review** ,1879 *The Spad Driver* John Britt,2001-01-09 The Spad Driver is a work of fiction portraying the world of a young American sailor who finds himself at war not only with a determined North Vietnamese enemy but also with a complex assortment of characters involved with a drug ring The story centers on Dan Roberts a pilot who enters the Vietnam War with little idea of the actual realities of battle As Roberts grows to understand the true nature of death and conflict he finds himself questioning the war itself and the loyalties of his fellow sailors when he is assigned the investigation of the disappearance of a young man named Franklin During the investigation he uncovers a series of duplicitous characters involved in drug dealings He soon finds his life

threatened by unknown forces while he tries to overcome the dangers of war The author contrasts Roberts investigations with the battles he encounters as he simultaneously faces the overwhelming threat of air combat the insidious plot of the drug ring and his own personal problems While focusing on the interactions of the sailors with one another the author introduces several diverse characterizations Timothy Bryan and Bobby Thomas are two men close to Roberts but suspected of questionable motives and Peter O Leary a sympathetic friend who is revealed to be responsible for Franklin s death Ultimately Roberts must overcome multiple betrayals The core of *The Spad Driver* is the description of the complex world that the characters inhabit The story focuses on the meaning of the Vietnam War through Roberts and the character of Major Nguyen Binh a disillusioned North Vietnamese intelligence officer and concludes with the President of the United States reacting to the harsh realities of war
