La India María Seraina Rohrer,2017-12-20 *La India Mar* a a humble and stubborn indigenous Mexican woman is one of the most popular characters of the Mexican stage television and film Created and portrayed by Mar a Elena Velasco *La India Mar* a has delighted audiences since the late 1960s with slapstick humor that slyly critiques discrimination and the powerful At the same time however many critics have derided the iconic figure as a racist depiction of a negative stereotype and dismissed the *India Mar* a films as exploitation cinema unworthy of serious attention By contrast *La India Mar* a builds a convincing case for Mar a Elena Velasco as an artist whose work as a director and producer rare for women in Mexican cinema has been widely and unjustly overlooked Drawing on extensive interviews with Velasco her family and film industry professionals as well as on archival research Seraina Rohrer offers the first full account of Velasco s life her portrayal of *La India Mar* a in vaudeville television and sixteen feature film comedies including *Ni de aqu ni de all* *Neither here nor there* and her controversial reception in Mexico and the United States Rohrer traces the films financing production and distribution as well as censorship practices of the period and compares them to other Mexploitation films produced at the same time Adding a new chapter to the history of a much understudied period of Mexican cinema commonly referred to as *la crisis* this pioneering research enriches our appreciation of Mexploitation films

*Emergence - Book One of the Alicorn Quest* William R Jenkins Jr, 2023-12-08 In a bygone age India's forests whispered tales of unicorns The magic nestled within their spiralled horns was legendary with villagers weaving tales of its mesmerizing properties But these stories also painted targets on the creatures Driven by greed hunters came in droves seeking the power in those horns With every stolen horn they boasted their conquests leaving a trail of slain unicorns and bystanders in their wake Darkness soon descended upon the forest and the once celebrated unicorns faded into myths Yet hope endured through ancient prophecies predicting the unicorns return Symbols of their resurgence a golden seven pointed star and a bangle adorned with horse and unicorn carvings were foretold to re emerge And in November 1861 these artifacts surfaced from the ocean's depths heralding the start of The Alicorn Quest This epic journey follows a young Indian adventurer's quest to an unfamiliar Oregon where destiny awaits in the form of a unique colt As adversaries thwart his path this colt unaware of his future grazes in Oregon's

The Desiring-Image Nick Davis, 2013-06-03 The Desiring Image yields new models of queer cinema produced since the late 1980s based on close formal analysis of diverse films as well as innovative contributions to current film theory The book defines queer cinema less as a specific genre or in terms of gay and lesbian identity but more broadly as a kind of filmmaking that conveys sexual desire and orientation as potentially fluid within any individual's experience and as forces that can therefore unite unlikely groups of people along new lines socially sexually or politically The films driving this analysis range from celebrated fixtures of the New Queer Cinema of the 1990s including Cheryl Dunye's *The Watermelon Woman* and Todd Haynes's *Velvet Goldmine* to sexually provocative films of the same era that are rarely classified as queer David Cronenberg's *Dead Ringers* and *Naked Lunch* to breakout films by 21st century directors Rodney Evans's *Brother to Brother* John Cameron Mitchell's *Shortbus* To frame these readings and to avoid heterosexist assumptions in other forms of film analysis The Desiring Image revisits the work of the philosopher Gilles Deleuze whose two major works on cinema somehow never address the radical ideas about desire he expresses in other texts This book brings those notions together in innovative ways making them clear and accessible to newcomers and field specialists alike with clear illustrated examples drawn from a wide range of movies extending beyond the central case studies Thus The Desiring Image speaks to readers interested in queer and gay lesbian studies in film theory in feminist and sexuality scholarship and in theory and philosophy putting those discourses into rich surprising conversations with popular cinema of the last 30 years

Paul O'Grady's Country Life Paul O'Grady, 2017-11-02 THE SUNDAY TIMES  
BESTSELLER A fascinating and hilarious glimpse into Paul's life at home in the country with his animals. Paul O'Grady's *Country Life* for the first time gives a glimpse into the home life of one of Britain's best loved stars alongside the animals he adores. Sometimes rural idyll sometimes hell on earth. Paul's life in rural Kent has been shared over the years with some very vocal pigs, a mad cow, various rescued barn owls, the world's most sadistic geese and Christine the psychotic sheep among many other animal waifs and strays. And of course Paul tells the stories of the dogs in his life including the tiny chihuahua Jack Russell cross with Napoleonic ambitions Eddie, Miss Olga Bullseye, Louis Boycie and of course Buster the greatest canine star since Lassie. In addition Paul shares some of his favourite recipes, explores country lore and superstitions and extols the benefits of growing your own vegetables, herbs and fruit. This is a warts and all account of country living as far removed from the bright lights of celebrity as you could ever imagine. The trials and tribulations Paul experienced on moving to deepest darkest Kent as a dyed-in-the-wool city dweller are every bit as hilarious and eventful as you would think. He had a lot of new skills to learn and fast everything from how to churn your own butter and how to birth a lamb to the best way to lure a cow out of your kitchen while naked from the waist down. Brilliantly funny and full of classic stories. Paul O'Grady's *Country Life* is your armchair guide to the wonders and horrors of rural existence.

Readers love Paul O'Grady's *Country Life*. This book is excellent. It will make you laugh out loud and it will make you cry. Delightful read. An insight into Paul O'Grady's country life told in his true fashion. Couldn't put it down. I think he has a gift of compassion for animals as well as people and it always shines through.
