Rails In The North Woods:

Rails in the North Woods ,1973 *Rails in the North Woods* Richard Sanders Allen,Richard Palmer,1978 *Rails in the North Woods* Richard Sanders Allen,William Gove,Keith Maloney,1998-06 This is the story of several typical New York State shortlines reprinted and updated from the 1978 edition The life of a shortline railroad is precarious A line paying handsome dividends one day can be out of business the next if its prize customer closes up shop Of the railroads in this history only one remains today the Lowville and Beaver River Railroad This book is a joint effort by Keith Maloney William Gove Richard Allen and Richard Palmer all of whom devoted many hours in extensive research Great railroad book great Adirondack book

Rails in the North Woods : Histories of Nine Adirondack Short Lines Allen, Richard S. (Richard Sanders),1978 *North Woods* ,1913 **Logging Railroads of the Adirondacks** William Gove,2006-01-16 The period of 1890 1950 marked the romantic era of steam power as the rails reached deep into the old growth of the Adirondack woods to harvest the timber crop In this volume not only does William Gove provide an in depth history of railroad activity in the Adirondacks he also describes the logging methods used the role of railroads in the logging industry and the influence of the railroads on the condition of the Adirondack forest today In addition he addresses the political and economic forces determining the location and viability of logging railroads villages and the forest industry **Extractives, Manufacturing, and Services** David O. Whitten,1997-04-22 The second volume in the Handbook of American Business History series this book offers concise histories of extractive manufacturing and service industries as well as extensive bibliographic essays pointing to the leading sources on each industry and bibliographic checklists Supplementing other bibliographic materials in business history this volume provides researchers with a much needed path through the vast array of material available in the library and on the Internet Indicating which resources to check and which to bypass the book is a guide to a sometimes overwhelming amount of information Each of the book s chapters provides a concise industry history beginning with the industry s rise to importance in the U S and continuing to the present The bibliographic essays provide a narrative outline of the leading sources published or made available in archives libraries or museum collections since 1971 when Lovett s American Economic and Business History Information Sources was published Each discussion concludes with a bibliographic checklist of the titles mentioned in the essay as well as other titles In a rapidly expanding information society researchers teachers and students may be easily overwhelmed by the exhaustive material available in print and electronically What is useful and what can be ignored is a strategic question and few know where to begin This book provides a guide **The Moosehead Lake Region: 1900-1950** Everett L. Parker,2004-06-29 The Moosehead Lake region has long been a place where travelers go to escape In the first half of the twentieth century the region became a mecca for hunters and fishermen as well as for travelers looking for rest and relaxation at popular resorts such as the Mount Kineo House The Moosehead Lake Region 1900 1950 uses vintage photographs to tell the story of this Maine retreat The images depict visitors and residents of Greenville Shirley

Rockwood Beaver Cove and Kokadjo the lumbering era in the North Woods and the locomotives whose whistles pierced the wilderness

Big Moose Lake in the Adirondacks Jane A. Barlow, 2004-06-01 Big Moose Lake in the Adirondacks is the lively and well documented story of the growth of the lake side community made famous by the incident that inspired Theodore Dreiser's *An American Tragedy* The rich history of the lake unfolds with stories of its early residents hunters and guides Jim Higby Billy Dutton Henry Covey and Bill Dartin the late 1870s of the lake's ownership by William Seward Webb of the construction of the first private camp Club Camp in 1878 and the coming of hotels and resorts beginning in 1880 with the construction of Camp Crag From a time when a telephone number was a simple 8F6 and the pickle boat brought supplies to camp to more recent stories of exuberant waterskiing and motorboat regattas the book includes a detailed history and descriptions of the camps and resorts on the lake persons and celebrities who made the lake their year round or seasonal home including actress Minnie Maddern Fiske and artist David Milne natural disasters and political events recreation and the work of the Big Moose Property Owners Association This is the story of Big Moose Lake brought to life by more than 275 family photographs antique postcards and previously unpublished memoirs oral histories diary entries and the personal correspondence of the men and women who settled the area and of those who call it home

An Adirondack Passage Christine Jerome,2015-02-25 A paddling classic back in print with new maps photos details and afterword Christine Jerome walked into the Adirondack Museum in Blue Mountain Lake NY and promptly fell in love with a 9 foot 10 pound canoe named the Sairy Gamp More than a century before in 1883 the Sairy Gamp had been paddled and portaged through the Adirondacks by a sixty one year old writer named George Washington Sears his pen name was Nessmuk The more Jerome learned about Sears the more she wanted to follow his route despite her lack of camping or canoeing experience In August 1990 she embarked in a 9 foot canoe made of Kevlar and with her husband John accompanying her in a slightly larger boat set off to retrace Sears s journey An Adirondack Passage is part social history part natural history part biography of Sears and part chronicle of a voyage Summer turns to fall while the Jeromes make their way north through sunshine and storms down cottage lined lakes and lonely wild streams Gusting winds bully their light canoes and by mid September the days are colder and shorter but the longer they paddle the more attached they become to the beauty around them Canada geese fly overhead monarch butterflies flutter southward and on the larger lakes young loons gather for their first migration to the sea Along the way the author pauses to tell us what Sears saw when he passed by and what happened to his favorite haunts in the ensuing century As the history of the region unfolds we meet hermits and millionaires hunting guides and society women hotelkeepers and dime novel writers and one

lost dancing bear Christine Jerome has given us a memorable wilderness experience that readers who have never lifted a paddle will find fascinating and invigorating This new release from Breakaway Books is the third edition revised and updated with extra photos maps and a new afterword PRAISE FOR AN ADIRONDACK PASSAGE A fine piece of work and a great delight John McPhee An enchanting record of a canoe trip The New Yorker A writer of fine and watertight prose An Adirondack Passage is uncategorizable at once history naturalism sociology and a love story but unfailingly graceful Boston Globe Personal witty and thoughtful one of the best introductions to the area ever produced Audubon As refreshing a break from the busyness of life as I've come across in awhile Newsday The writing is a constant pleasure Jerome has a style that suits her subject quiet and gentle as a paddle in still water She delivers her lore with wit and whimsy with fine descriptions and without shrill preaching or righteous posturing Smithsonian The closest thing to a national nonfiction best seller that the region has seen in ages and deservedly so Adirondack Life A captivating account She takes us into a world of hermits and millionaires of wild streams and glorious mountain scenery Publishers Weekly A delightful tale An informative readable adventure whose history and environmental lessons are taught well Library Journal

Rails In The North Woods Introduction

In today's digital age, the availability of Rails In The North Woods books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Rails In The North Woods books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Rails In The North Woods books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Rails In The North Woods versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Rails In The North Woods books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Rails In The North Woods books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Rails In The North Woods books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic

texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Rails In The North Woods books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Rails In The North Woods books and manuals for download and embark on your journey of knowledge?
