Rain Five Days And I Love It:

White Center: Poems Richard Hugo, 1980-02-17 Richard Hugo has been described by Carolyn Kizer as one of the most passionate energetic and honest poets now living Nowhere has that passion energy and honesty been more evident than in White Center his newest volume of poems That Richard Hugo s poetry creates in his readers an almost indistinguishable desire for more writes the critic and poet Dave Smith is the mark of his ability to reach those deep pools in us where we wait for passionate engagement What Hugo gives us is the chance to begin again and a world where that beginning is ever possible Here for his ever growing body of readers are more of those opportunities

A Literary History of the American West Western Literature Association (U.S.), 1987 Literary histories of course do not have a reason for being unless there exists the literature itself This volume perhaps more than others of its kind is an expression of appreciation for the talented and dedicated literary artists who ignored the odds avoided temptations to write for popularity or prestige and chose to write honestly about the American West believing that experiences long knowns to be of historical importance are also experiences that need and deserve a literature of importance

31 Letters and 13 Dreams: Poems Richard Hugo, 1977-11-17 Richard Hugo whom Carolyn Kizer has called one of the most passionate energetic and honest poets living here offers an extraordinary collection of new poems each one a letter or a dream Both letters and dreams are special manifestations of alone ness Hugo s special senses of alone ness of places and of other people are the forces behind his distinctively American and increasingly authoritative poetic voice Each letter is written from a specific place that Hugo has made his own a triggering town as he has called it elsewhere to a friend a fellow poet an old love We read over the poet s shoulder as the town triggers the imagination the friendship is re opened the poet s selfhood is explored and illuminated The dreams turn up unexpectedly as dreams do among the letters their haunting images give further depth to the poet s exploration Are we overhearing them Who is the you that dreams

The Forever Witness Edward Humes, 2022-11-29 Thought provoking true crime thriller the book raises urgent questions of balancing public and private good that we ll likely be dealing with as long as the title implies Wall Street Journal A relentless detective and a civilian genealogist solve a haunting cold case and launch a crime fighting revolution that tests the fragile line between justice and privacy In November 1987 a young couple from the idyllic suburbs of Vancouver Island on an overnight trip to Seattle vanished without a trace A week later the bodies of Tanya Van Cuylenborg and her boyfriend Jay Cook were found in rural Washington It was a brutal crime and it was the perfect crime With few clues and no witnesses in the vast and foreboding Olympic Peninsula an international manhunt turned up empty and the sensational case that shocked the Pacific Northwest gradually slipped from the headlines In deep freeze long term storage biological evidence from the crime sat waiting as Detective Jim Scharf poured over old case files looking for clues his predecessors missed

Meanwhile 1 200 miles away in California CeCe Moore began her lifelong fascination with genetic genealogy a powerful forensic tool that emerged not from the crime lab but through the wildly popular home DNA ancestry tests purchased by more than 40 million Americans When Scharf decided to send the cold case s decades old DNA to Parabon NanoLabs he hoped he would finally bring closure to the Van Cuylenborg and Cook families He didn t know that he and Moore would make history Genetic genealogy long the province of family tree hobbyists and adoptees seeking their birth families has made headlines as a cold case solution machine capable of exposing the darkest secrets of seemingly upstanding citizens In the hands of a tenacious detective like Scharf genetic genealogy has solved one baffling killing after another But as this crime fighting technique spreads its sheer power has sparked a national debate Can we use DNA to catch the murderers among us yet still protect our last shred of privacy in the digital age the right to the very blueprint of who we are

Making Certain It Goes On: The Collected Poems of Richard Hugo Richard Hugo,1991-07-17 The definitive collection of a major American poet s work Richard Hugo was in James Wright s words a great poet true to our difficult life Making Certain It Goes On brings together as Hugo wished the poems published in book form during his lifetime together with the new poems he wrote in his last years

All Our Stories Are Here Brady Harrison,2009-01-01 This wide ranging collection of essays addresses a diverse and expanded vision of Montana literature offering new readings of both canonical and overlooked texts Although a handful of Montana writers such as Richard Hugo A B Guthrie Jr D Arcy McNickle and James Welch have received considerable critical attention sizable gaps remain in the analysis of the state s ever growing and ever evolving canon The twelve essays in All Our Stories Are Here not only build on the exemplary foundational work of other writers but also open further interpretative and critical conversations Expanding on the critical paradigms of the past and bringing to bear some of the latest developments in literary and cultural studies the contributors engage issues such as queer ambivalence in Montana writing representations of the state in popular romances and the importance of the University of Montana s creative writing program in fostering the state s literary corpus The contributors also explore the work of writers who have not yet received their critical due take new looks at old friends and offer some of the first explorations of recent works by well established artists All Our Stories Are Here conveys a sense of continuity in the field of Western literary criticism while at the same time challenging conventional approaches to regional literature
