Includes a 16 page color insert of never before seen routes and digitally remastered images from Greg Epperson, the celebrated climbing photographer featured in the first edition of *Climb*. This history of Colorado's world renowned destination peaks will appeal to climbing enthusiasts everywhere. In addition, Greg Epperson's photography introduced wide angle drama and on rappel images. Twenty five years later, Chelton has teamed up with former *Climbing* magazine photo editor and climber Jeff Achey to recapture the original book's influence and impact for a new generation of climbers. With more than 50 percent new text and a stunning 16 page color insert, *Climb* takes readers through the evolution of climbing from the first technical climbs to the improvised free climbs of the 60s and 70s to the sport climbing of the 80s to the extreme climbing of the 90s.
