*Meteorology*, 1971 **Movie Maker**, 1983 *Raindrops from the Laundromat* Dominique Camm, An unexpected trip to the laundromat a night of passion he cannot forget and undying loyalty set the stage for the awakening destruction and rebirth of Levon Jones In this modern coming of age journey Levon returns to his small southern hometown and desperately tries to avoid the entanglement and specter of sirens A former standout athlete in the sleepy suburbs of Bacon s Castle he is jolted out of his cynical existence onto a rollercoaster ride If he can survive unpredictable intrusions from his partners in crime insane rolls of the dice and the trial of his life there is the potential of redemption His sifting between conflicting loyalties long standing secrets and unforeseeable twists adds spice to his journey As Levon narrates his consciousness and exposes his uphill battles the fates conspire against him This fictional suspense was inspired by real events and encompasses contemporary realities and tragedy that are often overlooked This modern social critique of America feels all too familiar to some and may be a wake up call to others *Through the Rain* Paul Richards, 2016-12-26 The news is often replete with

horror stories of lost children especially boys who it seem are destined for failure by nothing more than the fact that they were born in an inner city community Through the Rain takes an open honest look at an average boy from an average family who in spite of the odds makes it out of two such communities and makes a success of his life The story is much about growing up as it is about family friendship and overcoming challenges in spite of the odds However it is mostly about hard work perseverance and what can happen when ordinary people choose to live lives of decency courage and faith Told in a refreshingly candid and good natured way the author hopes his story will inspire those ordinary people whose stories unfortunately go untold
