Raised Catholic:

Raised Catholic Ed Stivender, 1992 He was the only son of an Irish Catholic mother and a Protestant Navy man His mother frequently prayed for him to become a priest But his father warned him Son never get a job where you have to wear a dress to work

Young Catholic America Christian Smith, Kyle Longest, Jonathan Hill, Kari Christoffersen, 2014-02-04 Best Review at the Catholic Press Association Convention Studies of young American Catholics over the last three decades suggest a growing crisis in the Catholic Church compared to their elders young Catholics are looking to the Church less as they form their identities and fewer of them can even explain what it means to be Catholic and why that matters

Young Catholic America the latest book based on the groundbreaking National Study of Youth and Religion explores a crucial stage in the life of Catholics Drawing on in depth surveys and interviews of Catholics and ex Catholics ages 18 to 23 a demographic commonly known as early emerging adulthood leading sociologist Christian Smith and his colleagues offer a wealth of insight into the wide variety of religious practices and beliefs among young Catholics today the early influences and life altering events that lead them to embrace the Church or abandon it and how being Catholic affects them as they become full fledged adults Beyond its rich collection of statistical data the book includes vivid case studies of individuals spanning a full decade as well as insight into the twentieth century events that helped to shape the Church and its members in America An innovative contribution to what we know about religion in the United States and the evolving Catholic Church

Young Catholic America is the definitive source for anyone seeking to understand what it means to be young and Catholic in America today

Through a Catholic Lens Peter Malone, 2007-04-16 Movies are often examined for subtext and dramatizations of social and psychological issues as well as current movements Studies of well known Catholic directors such as Alfred Hitchcock and John Ford have made the search for Catholic themes a reputable field of examination **Through a Catholic Lens** continues the search for these themes and examines the Catholic undercurrents by studying nineteen film directors from around the world Although these directors may or may not be practicing Catholics their Catholic background can be found in their writing and directing Each chapter written by a different contributor analyzes one film of each director for its Catholic motifs With the recent increase of cinema studies this collection will be of interest to students and academics as well as cinema buffs

Ordained Before the World: A Catholic Apologetic James E. Boardman, 2016-12-31 What is an apologetic Simply put an apologetic is an argument meant to persuade Trial lawyers use apologetics every day to persuade juries and judges to adopt their point of view But we too are exposed to apologetics everyday as we listen to advertising touting one product over another or as we listen to our lawn care provider explain why we should continue using him to mow our lawn and trim our shrubs instead of a cheaper company down the street No high theology to be found here To the contrary this course arms Catholics both young and old with easy to understand basics necessary to defend their Catholic Faith and to comfortably share this faith with others If you are just beginning your walk as a newly committed Catholic or if you are a Cradle Catholic

to whom the basic ways of the faith have become foggy this course is for you

Divorce, Annulments, and the Catholic Church Craig Everett, Richard Jenks, 2018-10-24 Explore the meaning of annulment to Catholics and the Church This valuable book examines the use of annulment by the Catholic Church to grant divorced Catholics the right to remarry within the Church Divorce Annulments and the Catholic Church Healing or Hurtful is the first published study on annulments with wide scale usage of questionnaires and interviews comparing Catholics who have sought an annulment with divorced Catholics who have not sought an annulment as well as married Catholics In addition to delivering a quantitative analysis of the responses to various questions religious social or psychological it explains in lay terms what annulments are and what the acceptable grounds are for annulment and takes you step by step through the process of obtaining one This insightful book also contains case studies of individuals who have been hurt by annulments and offers suggestions on how people who want to contest an annulment should proceed This well referenced book explores the factors that lead to divorce provides a theoretical perspective as to why people either support or oppose annulments examines the religious influence on divorce and remarriage discusses the social integration related aspects of annulment and divorce for Catholics presents recommendations for petitioners respondents clerics and the members of tribunals who act as advocates defenders and judges Divorce Annulments and the Catholic Church is an invaluable reference work for counselors dealing with the issue of divorce for Catholics non Catholics whose former spouses are seeking annulments divorced Catholics who are contemplating an annulment members of the clergy and members of marriage tribunals and Family Life groups

Family Secrets Gloria González-López, 2017-06-20 Real personal accounts of sixty Mexican women and men affected by incest and sexual violence In Family Secrets Gloria González-López tells the life stories of women and men in Mexico whose lives were irrevocably changed in the wake of childhood and adolescent incest In Mexico a patriarchal religious society where women are expected to make themselves sexually available to men and where same sex experiences for both women and men bring great shame incest is easily hidden seldom discussed and rarely reported to authorities Through a gripping emotional narrative González-López brings the deeply troubling hidden and unspoken issues of incest and sexual violence in Mexican families to light She contends that family and cultural structures in Mexican life enable incest and the culture of silence that surrounds it She examines the strong bonds of familial obligation between parents and children brothers and sisters and elders and youth that in the case of incest can morph into sexual obligation the codes of honor and shame reinforced by tradition and the Church discouraging openness about sexual violence and trauma and the double standards of morality and stereotypes about sexuality that leave girls and women and gender nonconforming boys and men especially vulnerable to sexual abuse A riveting account Family Secrets turns a feminist and sociological lens on a disturbing issue that has gone unnoticed for far too long

Living Tradition John Anthony Berry, Viorel Coman, 2024-04-26 Lebendige Tradition Kontinuität und Wandel als Herausforderungen für Kirchen und Theologien Tagungsbericht der 21. Wissenschaftlichen Konsultation der Societas

Oecumenica Living Tradition Continuity and Change as Challenges to Churches and Theologies Proceedings of the 21st Academic Consultation of the Societas Oecumenica Living tradition is the focal point of this volume exploring theologies of tradition captivities of tradition changing traditions and dynamics of Tradition It takes on the notion of living tradition from four distinct angles How do various churches and denominations handle continuity while embracing different theologies of tradition How do individuals address traditionalism and fundamentalism when faced with the captivities of tradition In what ways can identity be preserved through discontinuities when dealing with changing traditions The volume encompasses contributions from 31 scholars presented during the 21st academic consultation of Societas Oecumenica the European Society for Ecumenical Research Lebendige Tradition Kontinuität und Wandel als Herausforderungen für Kirchen und Theologien Die lebendige Tradition steht im Mittelpunkt dieses Bandes und untersucht Theologien der Tradition Gefangene der Tradition sich verändernde Traditionen und Dynamiken der Tradition Der Begriff der lebendigen Tradition wird aus vier verschiedenen Blickwinkeln betrachtet Wie gehen verschiedene Kirchen und Konfessionen mit Kontinuität um und berücksichtigen gleichzeitig unterschiedliche Theologien der Tradition Wie gehen Einzelpersonen mit Traditionalismus und Fundamentalismus um wenn sie mit den Fesseln der Tradition konfrontiert werden Auf welche Weise kann Identität durch Diskontinuitäten im Umgang mit sich verändernden Traditionen bewahrt werden Der Band umfasst Beiträge von 31 Wissenschaftlern die während der 21. akademischen Konsultation der Societas Oecumenica der Europäischen Gesellschaft für kumenische Forschung vorgestellt wurden **The Role of Religion in Modern Societies** Detlef Pollack, Daniel V.A.

Olson, 2012-08-21 Does modernization lead to the decline of religion This question lies at the centre of a key debate in the sociology of religion During the past decade American scholars using primarily American data have dominated this debate and have made a strong case that the answer to this question is no Recently however a new crop of European scholars working with new sources of European data have uncovered evidence that points toward an affirmative answer This volume pays special attention to these trends and developments to provide the reader with a more well rounded understanding of the many ways in which religion interacts with modernization Respected scholars such as David Voas Steve Bruce and Anthony Gill examine modern societies across the world in this splendid book which will interest sociologists political scientists historians and theologians in equal measure *From Jesus to J-Setting* Sandra Lynn Barnes, 2023-09-15 *From Jesus to J-Setting* details the experiences of Black people with diverse sexual identities from ages eighteen to thirty years old The work examines how the intersection of racial sexual gender and religious identities influence self expression and lifestyle modalities in this understudied often hidden population by exploring how racial sexual and religious dynamics play out Voices in the book illuminate a continuum of decisions from more traditional i.e. Black church participation to nontraditional i.e. dancing known as J-Setting and spirituality and the corresponding beliefs values and experiences that emerge under the ever present specter of racism homophobia heterosexism and for many ageism Drawing upon sociology sociology of religion black

studies queer studies inequality stratification and cultural studies Sandra Lynn Barnes explores the everyday lives of young Black people with fluid sexual identities and their everyday forms of individual as well as collective resistance **The American Religious Landscape** Ryan P. Burge, 2025-03-17 At its founding the United States was an overwhelmingly Protestant country However over the last 250 years it has become increasingly diverse with tens of millions of Catholics millions of Latter day Saints Muslims Hindus and Jews alongside a rapidly increasing share of Americans who claim no religious affiliation at all The American Religious Landscape uses an in depth statistical analysis of large datasets to answer foundational questions about this diversity such as How many Hindus are there in the US Which state has the highest concentration of Muslims Are atheists more highly educated than the general population How many Roman Catholics attend Mass weekly It focuses on the overall size geographic distribution and demographic composition of twelve different religious groups in short and accessible chapters that serve as a basic introduction to the state of religion in America Through dozens of charts graphs and maps designed for readability and clarity readers will be left with a solid understanding of the contours of contemporary American religion and what it could look like in the future **Catholics in America** Lisa A.

Keister, Professor of Sociology and Public Policy Lisa A Keister, 2024 More than 20 percent of Americans are Catholic and overall membership in the Catholic Church has remained relatively steady even as increasing numbers of people claim no religious affiliation Catholics in America provides a contemporary social portrait of this large increasingly influential group that clarifies who Catholics are and what they really believe The book offers extensive empirical evidence to uncover the real story of today s Catholics including their family behaviors work and economic status and beliefs This book will be an important guide for anyone wanting to understand the personal and religious foundations of today s Catholics **Living with Religious Diversity in Early-modern Europe** C. Scott Dixon, Dagmar Freist, Mark Greengrass, 2009 Drawing together a number of case studies from diverse parts of Europe Living with Religious Diversity in Early Modern Europe explores the processes involved with groups of differing religious confessions living together sometimes grudgingly but often *Crabgrass Catholicism* Stephen M. Koeth, 2025-08-19 How suburbanization was a crucial catalyst for reforms in the Catholic Church The 1960s in America were a time of revolt against the stifling conformism embodied in the sprawling uniform suburbs of the 1950s Typically the reforms of the Catholic Church s Second Vatican Council which aimed to make the Church more modern and accessible are seen as one result of that broader cultural liberalization Yet in Crabgrass Catholicism Stephen M Koeth demonstrates that the liberalization of the Church was instead the product of the mass suburbanization that began some fifteen years earlier Koeth argues that postwar suburbanization revolutionized the Catholic parish the relationship between clergy and laity conceptions of parochial education and Catholic participation in US politics and thereby was a significant factor in the religious disaffiliation that only accelerated in subsequent decades A novel exploration of the role of Catholics in postwar suburbanization Crabgrass Catholicism will be of particular interest to urban historians scholars of American

Catholicism and religious studies and Catholic clergy and laity Whither the Child? Eric P. Kaufmann, W. Bradford Wilcox, 2015-11-19 Birth rates are falling and fertility rates are well below replacement levels At the same time the economic crisis has forced governments to scale back public spending reduce child support and raise the retirement age causing immense social conflict Taking a step outside the disciplinary comfort zone Whither the Child asks how demography affects individuals and society What does it feel like to live in a low fertility world What are the consequences Is there even a problem economically culturally and morally No other book confronts so many dimensions of the low fertility issue and none engage with the thorny issues of child psychology parenting family and social policy that are tackled head on here

Religious Education in a Multicultural Europe Emer Smyth, Maureen Lyons, Merike Darmody, 2013-08-29 Drawing on a major EU funded research project this book examines how religious secular beliefs are formed at school and in the family across different European countries offering insights into key policy issues concerning the place of religion in the school system and illuminating current debates around religion and multiculturalism **Young Adult American Catholics**

Maureen K. Day, 2018 A complete picture of vocation among young Catholic adults today using up to date sociological research with contributions from a broad perspective of young American Catholics *Catholics in Contemporary Britain* Ben Clements, Stephen Bullivant, 2022 Catholics in Contemporary Britain showcases findings from a wide ranging empirical study of Catholics living in Britain placing the contemporary Catholic community in the wider contexts of their society and the global faith of which they are a part and presenting a rich and fascinating demographic religious and attitudinal profile

Catholic Theology Facing the Future Dermot A. Lane, 2003 Here is a collection of vibrant essays from a conference at St Michael's College in Vermont that reflects on the past present and future of Catholic theology Contributors include the leading names in scripture and moral and systematic theology Dermot Lane on the foundational roles of anthropology imagination and memory in the performance of Christian theology Alice Laffey on the past and present developments in biblical scholarship Raymond Collins on the ecumenical progress over the last forty years in the study of the New Testament Michael J Fahey on trends in systematic theology since 1965 Philip S Keane on the accomplishments and challenges facing moral theology Kevin Irwin on the Christocentric character of liturgical and sacramental theology **Sustaining Faith**

Traditions Carolyn Chen, Russell Jeung, 2012-07-06 The landscape of U S immigration has changed dramatically since Herberg first published his theory Most of today's immigrants are Asian or Latino and are thus unable to shed their racial and ethnic identities as rapidly as earlier European immigrants And rather than a flexible labor based economy allows little in the way of class mobility for some immigrants and rapid mobility for others **Families and Religion**

Christel Gärtner, Linda Hennig, Olaf Müller, 2025-03-20 This comparative study examines the transmission of religion in families in Germany Italy Hungary Finland and Canada The authors rely on the widely shared argument that religious change can primarily be understood as an intergenerational process Based on a mixed methods design the book investigates the question

of how when exactly and under what conditions the following generations become less religious than the previous ones From the perspective of familial and historical generations the authors examine the significance of religious socialization for the transmission of non religious worldviews affiliation practice and identity According to a central finding religious change takes place primarily in the phase of adolescence against the background of the respective social context
