Kettering, 2001 Pieces from the collection of Marjorie Merriweather Post Fabergé Eggs Will Lowes, Christel Ludewig McCanless, 2001 This work presents detailed technical descriptions of 66 Faberge eggs as well as the stories of people involved in their making or presentation The Art Market and the Museum Frances Fowle, MaryKate Cleary, 2025-04-03 This book considers how art market stakeholders including art dealers collectors and agents have shaped museum collections and affected exhibition practices since the mid nineteenth century Based on new archival research and data analysis it explores the role of dealers not only in selling directly to museums but in influencing

museum collecting priorities as well as potential donors It also examines the important but hitherto overlooked contribution of the female curator agent The book is divided into three sections which address the relationship between art dealers and museums women as art agents and influencers and the strategies of entrepreneurial collectors Featuring contributions from a wide range of international specialists in the market for decorative arts and antiquities as well as European modernism The Art Market and the Museum explores the origins and development of the modern Western art market and the global art networks that operated not only in Paris London and New York but in cities such as Glasgow Vienna Melbourne and Kansas City It is perfect reading for scholars and researchers on the history of the art market museum studies and art history more broadly
