Russian Imperial Military Doctrine And Education 1832 1914

John W. Steinberg

Russian Imperial Military Doctrine And Education 1832 1914:

Russian Imperial Military Doctrine and Education, 1832-1914 Carl Van Dyke, 1990-11-29 This work examines the evolution of military scientific research and theory as it was taught to student officers at the Nicholas Academy It is the only work in English or Russian that follows the development of this intellectual tradition within the institutional context of the Russian Imperial General Staff and its growing professional responsibilities in the late 19th and early 20th century The book contains five portraits of influential Russian military theorists and educational administrators Russian Imperial Doctrine features extensive use of original Russian language bibliographic sources and extensive use of French British and American archival sources Copyright Libri GmbH All rights reserved *The Russian Imperial Army 1796-1917* Roger Reese, 2017-11-30 The majority of the articles assembled in this volume reflect social historical methodology which is used to show the relationship between the tsarist army and society while focusing on the Russian historical experience In each case whether it be a study of the soldiers as peasants alcoholism the nationalities officers military justice social and legal reform and mutiny or revolution the inescapable conclusion arises that the army was at all times a reflection of the many social problems aspirations or political thought of the broader imperial Russian civil society In short this anthology treats the Russian military as a window on the symbiotic triangular relationship between army state and society ***The Military History of the Russian Empire from Peter the Great until Nicholas II*** John W. Steinberg, 2024-01-11 This book examines the rise and the fall of the Russian Empire through the lens of its military history While much of the literature on this history tends to focus on epochs *The Russian Military and the Creation of Empire* uses a variety of archival sources to capture this aspect of modern Russia from Peter the Great right up to the present day John W Steinberg analyzes the social dynamic between Russian society and its military over time Through a focus on civil military relations he demonstrates that both the Tsarist and Soviet regimes were built on and ultimately dependent upon the support of the military Case studies of significant battles are also used throughout the volume to reveal insights into the roles missions and capabilities of the Russian military since 1689 *The Russian Military and the Creation of Empire* is a vital study for all students of modern Russia and the history of modern warfare *The Russian General Staff and Asia, 1860-1917* Alex Marshall, 2006-11-22 This new book examines the role of the Tsarist General Staff in studying and administering Russia's Asian borderlands It considers the nature of the Imperial Russian state the institutional characteristics of the General Staff and Russia's relationship with Asia During the nineteenth century Russia was an important player in the so called Great Game in central Asia Between 1800 and 1917 officers of the Russian General Staff travelled extensively through Turkey central Asia and the Far East gathering intelligence that assisted in the formation of future war plans It goes on to consider tactics of imperial expansion and the role of military intelligence and war planning with respect to important regions including the Caucasus central Asia and the Far East In the light of detailed archival

research it investigates objectively questions such as the possibility of Russia seizing the Bosphorus Straits and the probability of an expedition to India Overall this book provides a comprehensive account of the Russian General Staff its role in Asia and of Russian military planning with respect to a region that remains highly strategically significant today

Russian Rule in Samarkand 1868-1910 Alexander Morrison, 2008-09-11 Based on extensive archival research in Russia India and Uzbekistan and containing much source material translated from Russian *Russian Rule in Samarkand* uses a comparative approach to examine the structures personnel and ideologies of Russian rule in Turkestan taking Samarkand and the surrounding region as a case study

Historical Dictionary of the Russian Civil Wars, 1916-1926 Jonathan D. Smele, 2015-11-19 This book is a detailed reference of the twentieth century struggles that were waged across and beyond the decaying Russian Empire at the end of the First World War as tsarism and democratic alternatives to it collapsed and the world's first Communist state the Union of Soviet Socialist Republics was born At the same time it is a necessary corrective to studies that have viewed events of the time as a unitary Russian Civil War that sprang from the Russian Revolution of 1917 Instead it contributes to the ongoing process of integrating the civil wars into a continuum of crises that wracked the Russian Empire and its would be successor states across a prolonged period The *Historical Dictionary of the Russian Civil Wars 1916-1926* covers the history of this period through a chronology an introductory essay appendixes and an extensive bibliography The dictionary section has almost 2 000 cross referenced entries on individuals political and governmental institutions and political parties and military formations and concepts as well as religion art film propaganda uniforms and weaponry This book is an excellent access point for students researchers and anyone wanting to know more about the Russian Civil War

The Russo-Japanese War in Global Perspective John Steinberg, Bruce Menning, David Schimmelpenninck van der Oye, David Wolff, Shinji Yokote, 2005-06-01 This volume examines the Russo Japanese War in its military diplomatic social political economic and cultural context Through the use of research from newly opened Russian and little used Japanese sources the editors assert that the Russo Japanese War was in fact World War Zero the first global conflict in the 20th century The contributors demonstrate that the Russo Japanese War largely forgotten in the aftermath of World War One actually was a precursor to the catastrophe that engulfed the world less than a decade after the signing of the Treaty of Portsmouth This study not only further reveals the weaknesses of Imperial Russia but also exhibits Japan as it entered its fateful 20th century Contributors Oleg Rudolfovich Airapetov Boris Vasilevich Ananich Michael Auslin Paul A Bushkovitch John Bushnell Frederick R Dickinson Tatiana Aleksandrovna Filippova David Goldfrank Antti Kujala Dominic Lieven Igor Vladimirovich Lukoianov Pertti Luntinen Steven Marks Yoshihisa Tak Matsusaka David Maclaren McDonald Bruce W Menning Edward S Miller Ian Nish Dmitrii Ivanovich Oleinikov Nicholas Papastratigakis Paul A Rodell Norman E Saul Charles Schencking Barry Scherr David Schimmelpenninck Van Der Oye Evgenii Iurevich Sergeev Naoko Shimazu Yokote Shinji John W Steinberg Richard Stites James T Ulak David Wolff Don Wright

Militarism and Politics in Latin America

Daniel Masterson, 1991-08-26 This comprehensive case study of the modern Peruvian military examines the professional development of South America's most controversial military establishment from the early 1930s to the present. Based on extensive research in Peruvian military archives and numerous interviews with active and retired members of the Peruvian armed forces, this study is placed in the context of Peruvian national politics and South American military affairs. Particular emphasis is given to the impact of France and U.S. military theory upon the Peruvian military mentality. Revolutionary politics from the Alianza Popular Revolucionaria Americana (APRA) in the 1930s to the present day's Sendero Luminoso also figure prominently. This study also explores the rationale behind General Velasco's social and economic reforms, 1968-1975, and assesses the Velasco government's legacy for contemporary Peru. For the first time, the Soviet Union's heavy involvement in Peru is examined. As the only comprehensive case study in English of the modern Peruvian military, this volume will be of interest to students and scholars of contemporary Latin America. This is a detailed historical study of the highly complex Peruvian military establishment and its place in Peruvian society. It includes a review of the 1930s and an in-depth analysis of the armed forces from the late 1930s to the first Belaunde regime, 1963-1968, the immediate antecedents of Peru's 12-year military government, 1968-1980, known as the Docenio, a preliminary overview of the Docenio and its troubled legacy, an assessment of the Sendero Luminoso Shining Path insurgency, and a critique of the armed forces' counterterrorism campaign. **Militarism and Politics in Latin America** draws extensively on Latin American and U.S. archival sources and personal interviews and includes rare photographs.

Western Warfare, 1775-1882 Jeremy Black, 2014-12-18 This is a wide-ranging and comprehensive survey of warfare from the outbreak of the American War of Independence to the British conquest of Egypt. Drawing on both primary and secondary sources, this book offers an unrivalled account of civil and international conflicts involving Western powers, integrating both naval and land warfare. This book covers military capability as well as conflict, social and political contexts as well as weaponry, tactics and strategy. As well as examining such major conflicts as the Napoleonic Wars, the Crimean War, the American Civil War, and the Wars of German Unification, this book redresses the imbalance of previous treatments by examining other important conflicts, for example those in Latin America as well as insurgency and counterinsurgency in Europe. This book's global perspective provides for a more reliable assessment of what constitutes military capability. In so doing, the author challenges the technological determinism and linear conceptions of developments in military science that continue to characterise much of military history. Instead, the author reveals a much more complex dynamic, indeed going so far as to question the idea of modernity itself. Bold in scope and cutting edge in its interpretations, this book offers much for the student, general reader, and professional historian alike.

The Enterprisers Igor Fedyukin, 2019 *The Enterprisers* traces the emergence of the modern school in Russia during the reigns of Peter I and his immediate successors up to the accession of Catherine II. Creation of the new secular, technically oriented schools based on the imported Western European blueprints is traditionally presented as the key element in Peter I

s transformation of Russia The tsar it is assumed needed schools to train officers and engineers for his new army and the navy and so he personally designed these new institutions and forced them upon his unwilling subjects In this sense school also stands in as a metaphor for modern institutions in Russia in general which are likewise seen as created from the top down by the forceful state in response to its military and technological needs Yet in reality Peter I himself never wrote much about education and while he championed learning in a broad sense he had remarkably little to say about the ways schools and schooling should be organized Nor were his general and admirals including foreigners in Russian service keen on promoting formal schooling for them practical apprenticeship still remained the preferred method of training Rather as Fedyukin argues in this book the trajectories of institutional change were determined by the efforts of administrative entrepreneurs or projecteurs as they were also called who built new schools as they sought to achieve diverse career goals promoted their own pet ideas advanced their claims for expertise and competed for status and resources By drawing on a wealth of unpublished archival sources Fedyukin explores the micropolitics behind the key episodes of educational innovation in the first half of the eighteenth century and offers an entirely new way of thinking about Petrine revolution and about the early modern state in Russia *Power Shifts, Strategy and War* Dong Sun Lee, 2007-11-21 Marked changes in the balance of power between states in the international system are generally seen by IR scholars as among the most common causes of war This book explains why such power shifts lead to war breaking out in some cases but not in others In contrast to existing approaches this book argues that the military strategy of declining states is the key determinant of whether power shifts result in war or pass peacefully More specifically Dong Sun Lee argues that the probability of war is primarily a function of whether a declining state possesses a manoeuvre strategy or an attrition strategy The argument is developed through the investigation of fourteen power shifts among great powers over the past two centuries Shifts in the balance of power and the attendant risks of war remain an enduring feature of international politics This book argues that policymakers need to understand the factors influencing the risk of war as a result of these changes in particular the contemporary shifts in power resulting from the rise of China and from the growth of nuclear proliferation *Parameters*, 1991 [The Soviet Invasion of Finland, 1939-40](#) Carl Van Dyke, 2013-01-11 Western accounts of the Soviet Finnish war have been reliant on Western sources Using Russian archival and previously classified secondary sources to document the experience of the Red Army in conflict with Finland Carl Van Dyke offers a reassessment of the conflict **Great Power Strategy in Asia** Jonathan Bailey, 2006-11-22 This book analyzes the enduring themes underlying the strategic struggles of the great powers in East Asia beginning with the watershed event of the 1904-5 Russo Japanese War *Authority, Identity and the Social History of the Great War* Frans Coetzee, Marilyn Shevin-Coetzee, 1995 The unprecedented scope and intensity of the First World War has prompted an enormous body of retrospective scholarship However efforts to provide a coherent synthesis about the war's impact and significance have remained circumscribed tending to focus either on the operational outlines of military

strategy and tactics or on the cultural legacy of the conflict as transmitted by the war's most articulate observers. This volume departs from traditional accounts on several scores by exploring issues barely touched upon in previous works by deviating from the widespread tendency to treat the experiences of front and homefront isolation and by employing a thematic treatment that by considering the construction of authority and identity between 1914 and 1918 illuminates the fundamental question of how individuals whether in uniform or not endured the war's intrusion into so many aspects of their public and private lives.

The History of Officer Social Origins, Selection, Education and Training Since the Eighteenth Century Elliott Vanveltner Converse, 1996 Reader's Guide to Military History Charles Messenger, 2013-10-31 This book contains some 600 entries on a range of topics from ancient Chinese warfare to late 20th century intervention operations. Designed for a wide variety of users it encompasses general reviews of aspects of military organization and science as well as specific wars and conflicts. The book examines naval and air warfare as well as significant individuals including commanders, theorists and war leaders. Each entry includes a listing of additional publications on the topic accompanied by an article discussing these publications with reference to their particular emphases, strengths and limitations.

The Imperial Security State James Louis Hevia, 2012-06-28 An important new study of the information systems of the British empire and of how knowledge was used to maintain empire.

War and Enlightenment in Russia Eugene Miakinkov, 2020-06-16 *War and Enlightenment in Russia* explores how members of the military during the reign of Catherine II reconciled Enlightenment ideas about the equality and moral worth of all humans with the Russian reality based on serfdom, a world governed by autocracy, absolute respect for authority and subordination to seniority. While there is a sizable literature about the impact of the Enlightenment on government, economy, manners and literature in Russia, no analytical framework that outlines its impact on the military exists. Eugene Miakinkov's research addresses this gap and challenges the assumption that the military was an unadaptable and vertical institution. Using archival sources, military manuals, essays, memoirs and letters, the author demonstrates how the Russian *militaires philosophes* operationalized the Enlightenment by turning thought into reality.

Russian Imperial Military Doctrine And Education 1832 1914 Book Review: Unveiling the Power of Words

In some sort of driven by information and connectivity, the power of words has become more evident than ever. They have the capacity to inspire, provoke, and ignite change. Russian Imperial Military Doctrine And Education 1832 1914 Introduction

In the digital age, access to information has become easier than ever before. The ability to download Russian Imperial Military Doctrine And Education 1832 1914 has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Russian Imperial Military Doctrine And Education 1832 1914 has opened up a world of possibilities. Downloading Russian Imperial Military Doctrine And Education 1832 1914 provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Russian Imperial Military Doctrine And Education 1832 1914 has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Russian Imperial Military Doctrine And Education 1832 1914. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Russian Imperial Military Doctrine And Education 1832 1914. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Russian Imperial Military Doctrine And Education 1832 1914, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves,

individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Russian Imperial Military Doctrine And Education 1832 1914 has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Russian Imperial Military Doctrine And Education 1832 1914 Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Russian Imperial Military Doctrine And Education 1832 1914 is one of the best book in our library for free trial. We provide copy of Russian Imperial Military Doctrine And Education 1832 1914 in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Russian Imperial Military Doctrine And Education 1832 1914. Where to download Russian Imperial Military Doctrine And Education 1832 1914 online for free? Are you looking for Russian Imperial Military Doctrine And Education 1832 1914 PDF? This is definitely going to save you time and cash in something you should think about. If you trying to find then search around for online. Without a doubt there are numerous these available and many of them have the freedom. However without doubt you receive whatever you purchase. An alternate way to get ideas is always to check another Russian Imperial Military Doctrine And Education 1832 1914. This method for see exactly what may be included and adopt these ideas to your book. This site will almost certainly help you save time and effort, money and stress. If you are looking for free books then you really should consider finding to assist you try this. Several of Russian Imperial Military Doctrine And Education 1832 1914 are for sale to free while some are payable. If you arent sure if the books you would like to download

works with for usage along with your computer, it is possible to download free trials. The free guides make it easy for someone to free access online library for download books to your device. You can get free download on free trial for lots of books categories. Our library is the biggest of these that have literally hundreds of thousands of different products categories represented. You will also see that there are specific sites catered to different product types or categories, brands or niches related with Russian Imperial Military Doctrine And Education 1832 1914. So depending on what exactly you are searching, you will be able to choose e books to suit your own need. Need to access completely for Campbell Biology Seventh Edition book? Access Ebook without any digging. And by having access to our ebook online or by storing it on your computer, you have convenient answers with Russian Imperial Military Doctrine And Education 1832 1914 To get started finding Russian Imperial Military Doctrine And Education 1832 1914, you are right to find our website which has a comprehensive collection of books online. Our library is the biggest of these that have literally hundreds of thousands of different products represented. You will also see that there are specific sites catered to different categories or niches related with Russian Imperial Military Doctrine And Education 1832 1914 So depending on what exactly you are searching, you will be able to choose ebook to suit your own need. Thank you for reading Russian Imperial Military Doctrine And Education 1832 1914. Maybe you have knowledge that, people have search numerous times for their favorite readings like this Russian Imperial Military Doctrine And Education 1832 1914, but end up in harmful downloads. Rather than reading a good book with a cup of coffee in the afternoon, instead they juggled with some harmful bugs inside their laptop. Russian Imperial Military Doctrine And Education 1832 1914 is available in our book collection an online access to it is set as public so you can download it instantly.
