# Russian Imperialism

**Christer Pursiainen**

## **Russian Imperialism:**

**Russian Imperialism** Dietrich Geyer, 1987-01-01 This book offers a fresh and stimulating analysis of the often elusive relationship between domestic and foreign policy in Russia before the First World War Dietrich Geyer one of Germany's leading historians of Russia discusses a wide variety of economic fiscal institutional and ideological developments within imperial Russia In so doing he brings into sharp relief the difficulties faced by the ruling elites in maintaining Russia's great power position in Europe the Near East and the Far East Now available in English for the first time this widely acclaimed book will be welcomed as an indispensable resource by all those who were unable to read the original German edition By far the most perceptive knowledgeable and intelligent work on the last half century of imperial Russia in print Theodore H Von Laue *Russian History* This important tightly packed book analyzes the basic problems of Russian imperialism thoroughly and with enormous erudition Scholars concerned with imperialism and Russian domestic and foreign problems will welcome this thought provoking work David MacKenzie *American Historical Review* A convincing and important analysis of the mutual dependence of autocratic domestic and foreign politics This book ought to be the occasion for a renewed and wide discussion of Russian imperialism and should give rise to further studies of the question Alan Kimball *Slavic Review* This is a remarkably good book Good in many respects quality of research and writing breadth of view command of the facts balance and penetration in judgment familiarity with relevant theory The book represents a revived and deepened historicism Paul W Schroeder *Journal of Modern History* **Russian Imperialism from Ivan the Great to the Revolution** Taras Hunczak, 1974

**The Strategy of Russian Imperialism** Martin Sicker, 1988-05-06 The USSR's different spheres of influence each present their own special problems This is particularly true of areas outside Eastern Europe and areas non contiguous with the borders of the USSR Sicker defines and clarifies the two major Soviet perceptions of policy that radically differ from most western perspectives patience with long term policy and the belief that class struggle law is of primary importance superseding even international law The first part of the book considers the pattern and process of expansion that has created the USSR's current configuration in Eurasia The chapters demonstrate that in many respects Soviet policies are similar in objective to their Czarist forerunners Part II addresses current problems in Soviet geostrategic politics and includes discussions on their evolution and the necessity of their solution in order to preserve the viability of the USSR's spheres of influence **Russian Imperialism Revisited** Domitilla Sagrarnoso, 2020-03-05 This book examines the nature of Russia's relations with the former Soviet states FSS in particular with countries which formed the Commonwealth of Independent States in order to assess whether there has been a resurgence of Russian imperialism since the collapse of the USSR The book sets out to determine whether Russian leaders have attempted to restore a sphere of influence over the former Soviet republics or whether Russia's policies reflect a genuine desire to establish normal state to state relations with the new states It adopts a comprehensive approach analysing Russia's policies towards the FSS across a broad range of areas energy trade

and investment military assistance security provision and peacekeeping conflict management political support and alliance formation While not denying the Kremlin's assertive role in the FSS this book challenges the assumption that Russia has always intended to restore a sphere of influence over its Near Abroad Rather it argues that Russia's policies are much more complex multi faceted and often more incoherent than is often assumed In essence Russia's actions generally reflect a combination of legitimate state interests enduring Soviet legacies and genuine concerns over events unfolding along Russia's borders This book also shows that at times Great Power nostalgia and a real difficulty with discarding Russia's imperial legacy shapes Russia's behaviour towards the FSS This book will be of great interest to students of Russian politics and foreign policy east European politics and International Relations in general *Russian Imperialism* Ariel Cohen,1996-08-23

The fall of the Soviet Union was one of the most dramatic events of this century It was also one of the most surprising Evidence of the USSR's impending fall was abundantly available both in theory in the writings on empires and on the ground Yet prior to its downfall the very profession that specialized in the study of the Soviet Union held no consensus that the USSR was an empire to begin with Perhaps because many Sovietologists neglected its status as an empire most Americans were taken completely by surprise when the USSR began its precipitous collapse under Mikhail Gorbachev This book subjects the Soviet Union as an empire to systematic scrutiny using tools and methods at the disposal of modern political science Foreign policy specialists defense experts and Russian area analysts will find this book essential The book is also recommended for undergraduate and graduate courses in Russian and Soviet history and the study of empires **Soviet Imperialism** Waldemar Gurian,1953 **Russian Imperialism** Ram Swarup,1954 **Russian Foreign Policy in the Twenty-First Century and the Shadow of the Past** Robert Legvold,2007-03-27

Because the turbulent trajectory of Russia's foreign policy since the collapse of the Soviet Union echoes previous moments of social and political transformation history offers a special vantage point from which to judge the current course of events In this book a mix of leading historians and political scientists examines the foreign policy of contemporary Russia over four centuries of history The authors explain the impact of empire and its loss the interweaving of domestic and foreign impulses long standing approaches to national security and the effect of globalization over time Contributors focus on the underlying patterns that have marked Russian foreign policy and that persist today These patterns are driven by the country's political makeup geographical circumstances economic strivings unsettled position in the larger international setting and above all its tortured effort to resolve issues of national identity The argument here is not that the Russia of Putin and his successors must remain trapped by these historical patterns but that history allows for an assessment of how much or how little has changed in Russia's approach to the outside world and creates a foundation for identifying what must change if Russia is to evolve A truly unique collection this volume utilizes history to shed crucial light on Russia's complex occasionally inscrutable relationship with the world In so doing it raises the broader issue of the relationship of history to the study of contemporary foreign policy and how these two enterprises might be better

joined *Russian Imperialism from Ivan the Great to the Revolution* Taras Hunczak, 1974 *Russian Foreign Policy and International Relations Theory* Christer Pursiainen, 2017-07-05 An original and challenging examination of how to transform post Sovietological study of Soviet and Russian foreign policy into a more integrated part of the Social Sciences and International Relations Theory This book represents the first detailed and sustained synthesis international relations theory and Soviet Russian foreign and security policy in academic literature

**The Struggle for Asia 1828-1914** David Gillard, 2023-05-03 The Struggle for Asia 1828 1914 1977 studies a classic case of rival imperialisms British leaders tended to believe that Russian expansion threatened India Russian leaders came to believe in a British threat to their empire Each sought security by trying to control the policies of weaker states which lay between their imperial frontiers and on whose alignment depended the balance of power By 1914 when both felt even more threatened by Germany than by one another Russia seemed to have gained the upper hand in a struggle for hegemony in Asia which had been crucial for the course of world politics This book examines the intellectual origins of the Great Game

*Russian Imperialism and Naval Power* Nicholas Papastratigakis, 2011-04-05 From 1904 1905 Russia and Japan were locked in conflict arising from rival imperial ambitions in the Far East Nicholas Papastratigakis offers an integrated analysis of Russian naval strategy in the decade before this Russo Japanese War in which the Russians suffered catastrophic defeat He seeks to determine the extent to which their defeat can be attributed to flawed Tsarist naval strategy in the region Rooted in rich primary resources from Russian French and British archives the book sheds new light on Russia s conduct in international affairs in the pre World War I era He places Russian naval strategy in the broader context of Russian military strategy at the turn of the century and of imperialism and navalism in general This book will be of enormous interest to scholars and students of naval military imperial and Russian history

*Investigation of the Ukrainian Famine, 1932-1933* United States. Commission on the Ukraine Famine, 1988

*Deciphering Russian Enigma* Ofer Fridman, Vera Michlin-Shapir, 2024-06-11 This book is about Russia Yet this book is not about Russia per se To those whose sole interest is a better understanding of the Kremlin s decision making and how it shapes Russia s present and future we would refer to a rather long list of sources that we dutifully noted throughout the book Instead based on our expertise in Russian studies and the challenges that we experienced in the past 2 years this book aims to offer a methodology to address questions when there is no right or wrong answer due to lacking reliable information Any attempt to answer this sort of questions using the commonly accepted deductive approach based on scientific methods is bound to fail because of the very nature of these questions Therefore using Russia as a case study this book aims to advance a way of analysing however limited biased and uncertain available information to advance a more critical understanding of the subject in question by using the methodology of dialectic inquiry

**An Illustrated History of the Russian Revolution** Valentin Astrof, Aleksandr Nikolaevich Slipek, J. Thomas, 1928

**Russian Nationalism Since 1856** Astrid S. Tuminez, 2000 This thoughtful book describes the range of nationalist ideas that have taken root in

Russia since 1856 Drawing on a wide range of archival documents and unparalleled interview material from the post Soviet period Tuminez analyzes two cases\_Russian panslavism in 1856 1878 and great power nationalism in 1905 1914\_when aggressive nationalist ideas clearly influenced Russian foreign policy and contributed to decisions to go to war Yet not all forms of nationalism have been malevolent and the author assesses competing nationalist ideologies in the post Soviet period to clarify the conditions under which a particularly belligerent nationalism could flourish and influence Russian international behavior

**Soviet Historians in Crisis, 1928-1932** John Barber,1981-04-16

**M.N. Pokrovskii and the Origins of Soviet Historiography** James D. White,2024-07-08 Focusing on the career of the Soviet historian M N Pokrovskii the author examines the evolution of historical writing in the first decade of Soviet rule As Deputy People s Commissar for Education Pokrovskii was among those who established the academic institutions of the new regime The study of Pokrovskii s writings and the political context in which they were conceived helps explain the origin of interpretations of modern Russian history current in Soviet times The book can for that reason be regarded as a preliminary to the study of the Russian revolutionary era and a key to the critical evaluation of the historical sources for the period

**Russia and the West from Alexander to Putin** Andrei P. Tsygankov,2012-06-28 Covering two centuries of Russian history this book shows how a sense of honor has affected Russia s foreign policy decision making

**Scope of Soviet Activity in the U.S.** United States. Congress. Senate. Committee on the Judiciary. Subcommittee to Investigate the Administration of the Internal Security Act and Other Internal Security Laws,1956

While this might not be the Russian Imperialism full book , it can give you a taste of the authors writing style. Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of Russian Imperialism eBooks, including some popular titles.

## FAQs About Russian Imperialism Books

**What is a Russian Imperialism PDF?** A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Russian Imperialism PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Russian Imperialism PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Russian Imperialism PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Russian Imperialism PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
