Russian Legal Theory:

Russian Legal Theory William Elliott Butler,1996 Part I The imperial heritage Part II The Soviet legacy Part III Towards a rule of law state Part IV Russia and world public order *Russian Legal Theory* William E. Butler,1996-10-01 This Major Reference series brings together a wide range of key international articles in law and legal theory Many of these essays are not readily accessible and their presentation in these volumes will provide a vital new resource for both research and teaching Each volume is edited by leading international authorities who explain the significance and context of articles in an informative and complete introduction **Russian Legal Realism** Bartosz Brożek,Julia Stanek,Jerzy Stelmach,2019-01-07 This edited volume explores ideas of legal realism which emerge through the works of Russian legal philosophers Apart from the well known American and Scandinavian versions of legal realism there also exists a Russian one readers will discover fresh perspectives and that the collection of early twentieth century ideas on law discussed in Russia can be understood as a unified school of legal thought as Russian legal realism These chapters by renowned European and Eastern European legal philosophers add to ongoing discussions about the nature of law especially in the context of developments around our scientific knowledge about the mind and behaviour Analyses of legal phenomena carried out by legal realists in Russia offer novel arguments in favour of embracing psychological and sociological perspectives on the law The book includes analysis of the St Petersburg school of legal philosophy and Leon Petra ycki s psychological theory of law This original and multifaceted research on Russian realists is of considerable value to an international audience Researchers and postgraduate students of law legal theory and legal ethics will find the book particularly appealing but it will also interest those investigating the philosophy or sociology of law or legal history Formalism, Decisionism and Conservatism in Russian Law Mikhail Antonov,2020-11-09 This volume examines the elements of formalism and decisionism in Russian legal thinking and also the impact of conservatism on the interplay of these elements The actual conservative narratives about the distinctiveness of Russian law reveal certain features of the intellectual culture that is transmitted in legal education scholarship and practice These narratives are based on the idea of sovereignty understood as legal omnipotence of the state References to sovereignty justify the requirement of legality in the sense of fidelity to the letter of the law They also often serve as a rationale for crafting exceptions to constitutional non discrimination principles as they are applied to political religious sexual and other minorities International Law in the Russian Legal System William Elliott Butler,2020 This addition to the Elements of International Law series explores the role of international law as an integral part of the Russian legal system with particular reference to the role of international treaties and of generally recognized principles and norms of international law Following a discussion of the historical place of treaties in Russian legal history and the sources of the Russian law of treaties the book strikes new ground in exploring contemporary treaty making in the Russian Federation by drawing upon sources not believed to have been previously used in Russian or western doctrinal writings Special attention is devoted to investment protection

treaties The importance of publishing treaties as a condition of their application by Russian courts is explored For the first time a detailed account is given of the constitutional history of treaty ratification in Russia the outcome being that present constitutional practice is inconsistent with the drafting history of the relevant constitutional provisions The volume gives attention to the role of the Russian Supreme Court in developing treaty practice through the issuance of guiding documents binding on lower courts the reaction of the Russian Constitutional Court to judgments of the European Court of Human Rights and the place of treaties as an integral part of the Russian legal system Butler further explores the hierarchy of sources of law together with other facets of Russian arbitral and judicial practice with respect to treaties and other sources of international law He concludes with a consideration of the generally recognized principles and norms of international law and their role as part of the Russian system

fortunate to personally work with four of them *Russia and the European Court of Human Rights* Lauri Mälksoo, Wolfgang Benedek, 2018 A critical examination of the effect of the European Court of Human Rights on Russia's approach to human rights

Russian Legal Culture Before and After Communism Frances Nethercott, 2007-12-03 Following the emancipation of the serfs in 1861 and again during the 1990s individual legal rights occupied a central place in the drive to modernize criminal justice This book explores these debates focusing particularly on the work of Vladimir Solov'ev a leading philosopher of law writing in the 1890s

Russian Peasants Go to Court Jane Burbank, 2004-09-16 will challenge and should transform existing interpretations of late Imperial Russian governance peasant studies and Russian legal history Cathy A Frierson a major contribution to our understanding both of the dynamic of change within the peasantry and of legal development in late Imperial Russia William G Wagner *Russian Peasants Go to Court* brings into focus the legal practice of Russian peasants in the township courts of the Russian empire from 1905 through 1917 Contrary to prevailing conceptions of peasants as backward drunken and ignorant and as mistrustful of the state Jane Burbank's study of court records reveals engaged rural citizens who valued order in their communities and made use of state courts to seek justice and to enforce and protect order Through narrative studies of individual cases and statistical analysis of a large body of court records Burbank demonstrates that Russian peasants made effective use of legal opportunities to settle disputes over economic resources to assert personal dignity and to address the bane of small crimes in their communities The text is enhanced by contemporary photographs and lively accounts of individual court cases

Russia, Europe, and the Rule of Law Ferdinand J.M. Feldbrugge, 2007-03-31 During the last two decades Russia has gone through a process of radical political and socio-economic transformation The legal system has reflected the various stages of this process and has also been a major agent in moving it forward The country is at a crossroads now External observers are sharply divided in evaluating the performance and intentions of the Russian leadership Russia itself is involved in finding out where it stands What sort of federation does it want to be How will it define its relationship to Europe and to its former sister republics The answers to such questions fundamentally affect the future shape of Russian law At the same time existing legal structures may predetermine the course Russia will take

The Legal Dimension in Cold-War Interactions , 2012-11-21 Given their relationship to political rhetoric myths of the Cold War certainly matter today the legal field is no exception Although Cold War studies remains a blooming field its legal dimensions have not been sufficiently developed Only recently have legal scholars begun to embark upon research in law and the Cold War and how this area is regarded nowadays both explicitly and implicitly Preliminary results show that on both sides of the Iron Curtain knowledge of law of the Other was encapsulated within two main frameworks ideological and pragmatic How did these approaches interrelate and influence one another Can pure knowledge strictly be divided from contextual conditions The chapters in this volume present retrospective accounts of actors who have been involved in the circulation of knowledge through the Curtain and also research on recent political and legal phenomena

echoing the Cold War discourse Contributors Jane Henderson Albert J Schmidt Zlata E Benevolenskaya Leena Lehtinen Boris N Mamlyuk William Partlett Paul B Stephan **From Old Times to New Europe** Agata Fijalkowski, 2016-04-22 From Old Times to New Europe considers the post totalitarian legal framework in today s Europe arguing that the study of totalitarianism and post totalitarianism continues to be significant as ever Drawing mainly on the Polish experience this analysis focuses on the significant part played by history in the development of the region s identity and preferences concerning the role of the state in public and private life It examines the political socio economic and legal aspects of key events and draws comparisons with other CEE states whilst implementing key socio legal theories to explain trends and strains in this post Communist and post totalitarian period With the benefit of access to archival sources in Poland and Russia this book will be of interest to students and researchers of European law law and society and international criminal justice
