Russian Revolution 1917 1921 A Short History

Michael C. Hickey

Russian Revolution 1917 1921 A Short History:

The Russian Revolution, 1917-1921 James D. White, 1994 A Short History of the Russian Revolution Geoffrey Swain, 2017-01-30 In 1917 revolutionary fervour swept through Russia ending centuries of imperial rule and instigating political and social changes that would lead to the formation of the Soviet Union. Arising out of proletarian discontent with the Tsarist autocracy and Lenin's proclaimed version of a Marxist ideology, the revolutionary period saw a complete overhaul of Russian politics and society and led directly to the ensuing civil war. The Soviet Union eventually became the world's first communist state and the events of 1917 proved to be one of the turning points in world history, setting in motion a chain of events which would change the entire course of the twentieth century. Geoffrey Swain provides a concise yet thorough overview of the revolution and the path to civil war. By looking with fresh perspectives on the causes of the revolution as well as the international response, Swain provides a new interpretation of the events of 1917 published to coincide with the 100th anniversary of the revolution.

Historical Dictionary of the Russian Revolution Jonathan Davis, 2020-05-15 Historical Dictionary of the Russian Revolution focuses on the leading individuals, ideas, political parties, and main events that were central to the transformation of Russia during the revolution. The time period runs from January 1917 through to the Treaty of Brest-Litovsk that took Russia out of the First World War in March 1918. It covers the main events, ideas, people, and parties and takes the story of the revolution from the eve of the overthrowing of Tsar Nicholas II through to the Bolshevik seizure of power, the first six months of Leninist rule, and the Treaty of Brest-Litovsk that ended Russia's involvement in the First World War. Historical Dictionary of the Russian Revolution contains a chronology, an introduction, and an extensive bibliography. The dictionary section has over 200 cross-referenced entries on the revolutions, the First World War, political parties, ideologies, and individuals, and the main events that defined the course of the Russian Revolution. This book is an excellent resource for students, researchers, and anyone wanting to know more about the Russian Revolution.

The Russian Revolution of 1905 Anthony J. Heywood, Jonathan D. Smele, 2013-04-03 2005 marks the centenary of Russia's first revolution, an unplanned spontaneous rejection of Tsarist rule that was a response to the Bloody Sunday massacre of 9th January 1905. A wave of strikes, urban uprisings, peasant revolts, national revolutions, and mutinies swept across the Russian Empire, and it proved a crucial turning point in the demise of the autocracy and the rise of a revolutionary socialism that would shape Russia, Europe, and the international system for the rest of the twentieth century. The centenary of the Revolution has prompted scholars to review and reassess our understanding of what happened in 1905. Recent opportunities to access archives throughout the former Soviet Union are yielding new provincial perspectives as well as fresh insights into the roles of national and religious minorities and the parts played by individuals, social groups, political parties, and institutions. This text brings together some of the best of this new research and reassessment and includes thirteen chapters written by leading historians from around the world, together with an introduction from Abraham Ascher.

The "Russian" Civil Wars, 1916-1926 Jonathan

Smele,2016-01-15 This volume offers a comprehensive and original analysis and reconceptualisation of the compendium of struggles that wracked the collapsing Tsarist empire and the emergent USSR profoundly affecting the history of the twentieth century Indeed the reverberations of those decade long wars echo to the present day not despite but because of the collapse of the Soviet Union which re opened many old wounds from the Baltic to the Caucasus Contemporary memorialising and de memorialising of these wars therefore form part of the book s focus but at its heart lie the struggles between various Russian political and military forces which sought to inherit and preserve or even expand the territory of the tsars overlain with examinations of the attempts of many non Russian national and religious groups to divide the former empire The reasons why some of the latter were successful Poland and Finland for example while others Ukraine Georgia and the Muslim Basmachi were not are as much the author s concern as are explanations as to why the chief victors of the Russian Civil Wars were the Bolsheviks Tellingly the work begins and ends with battles in Central Asia a theatre of the Russian Civil Wars that was closer to Mumbai than it was to Moscow

The Bloomsbury Handbook of the Russian Revolution Geoffrey Swain,Charlotte Alston,Michael C. Hickey,Boris Kolonitskii,Franziska Schedewie,2022-12-15 Through 30 interpretative essays The Bloomsbury Handbook of the Russian Revolution sees an international team of leading scholars comprehensively examine Russia s revolutionary years In the wake of the 2017 centenary this handbook is the first reference point for anyone wishing to learn more about the changes which took place in Russia between 1917 and 1921 and subsequently the 20th century Split into six sections covering political crises politicians and parties social groups identities regions and peoples and civil war the volume covers the collapse of Tsarism and the February Revolution the emergence of the Provisional Government and major historical figures such as Lenin Kerensky and the Socialist Revolutionary leader Viktor Chernov It also explores the events surrounding the Bolshevik seizure of power in October 1917 the first year of Soviet Government until the Bolshevik dictatorship was established and the impact on Russia of the subsequent civil war The focus is broader than these issues of high politics however since this handbook also considers events in the provinces as well as revolutionary Petrograd and examines the social impact of the revolution in terms of class gender age and culture

Historical Dictionary of the Russian Civil Wars, 1916-1926 Jonathan D. Smele,2015-11-19 This book is a detailed reference of the twentieth century struggles that were waged across and beyond the decaying Russian Empire at the end of the First World War as tsarism and democratic alternatives to it collapsed and the world s first Communist state the Union of Soviet Socialist Republics was born At the same time it is a necessary corrective to studies that have viewed events of the time as a unitary Russian Civil War that sprang from the Russian Revolution of 1917 Instead it contributes to the ongoing process of integrating the civil wars into a continuum of crises that wracked the Russian Empire and its would be successor states across a prolonged period The Historical Dictionary of the Russian Civil Wars 1916 1926 covers the history of this period through a chronology an introductory essay appendixes and an extensive bibliography The dictionary section has

almost 2 000 cross referenced entries on individuals political and governmental institutions and political parties and military formations and concepts as well as religion art film propaganda uniforms and weaponry This book is an excellent access point for students researchers and anyone wanting to know more about the Russian Civil War **Competing Voices from the Russian Revolution** Michael C. Hickey,2010-12-21 This new collection of documents helps students understand the complex texture of Russian public rhetoric and popular debate during World War I and the 1917 Revolution How better to understand history than through the words of those who lived it Competing Voices from the Russian Revolution Fighting Words presents documents that underscore the extraordinary richness of public discussion about key events and issues during the 1917 Russian Revolution one of the pivotal events in modern history Carefully edited and annotated the documents help clarify the issues while revealing the broad range of ways in which Russians understood the events unfolding around them Focusing on public rhetoric and debate in Russia from the outbreak of World War I in 1914 through the dissolution of the Constituent Assembly in January 1918 the documents present the views not only of key political figures but also of ordinary men and women mothers soldiers factory workers peasants students businesspeople and educated professionals **A Companion to Modern European History** Martin Pugh,1997-10-22 Its sixteen thematic chapters each written by an expert in the field cover social and economic developments the rise and fall of all the major political movements as well as the immense changes generated by war and international diplomacy across Europe **Lenin and Revolutionary Russia** Stephen J. Lee,2008-01-28 Lenin and Revolutionary Russia examines the background to and the course of the Russian Revolution of 1917 and Lenin s regime It explores all the key aspects such as the development of the Bolsheviks as a revolutionary party the 1905 Revolution the collapse of the Tsarists the Russian Civil War and historical interpretations of Lenin s legacy to Russian history

Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of Russian Revolution 1917 1921 A Short History eBooks, including some popular titles.

FAQs About Russian Revolution 1917 1921 A Short History Books

What is a Russian Revolution 1917 1921 A Short History PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Russian Revolution 1917 1921 A Short History PDF?**

There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Russian Revolution 1917 1921 A Short History PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Russian**

Revolution 1917 1921 A Short History PDF to another file format? There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Russian Revolution 1917 1921 A Short History PDF?**

Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
