Ben-Yehuda**

Russian Society And The Greek Revolution:

Russian Society and the Greek Revolution Theophilus Christopher Prousis, 1994 *The Greek Revolution of 1821 and the Reaction of the Russian Society at the Time of Alexander I* Evan Vlachos, Indiana University. Russian and East European Institute, 1964 **The Greek Revolution and the Violent Birth of Nationalism** Yanni Kotsonis, 2025-01-14 A sweeping global history of the birth of modern Greece In 1821 a diverse territory in the southern Balkans on the fringe of the Ottoman Empire was thrust into a decade of astounding mass violence The Greek Revolution and the Violent Birth of Nationalism traces how something new emerged from an imperial mosaic of myriad languages religions cultures and localisms the world's first ethnic nation state one that was born from the destruction and the creation of whole peoples and which set the stage for the modern age of nationalism that was to come Yanni Kotsonis exposes the everyday chaos and brutality in the Balkan peninsula as the Ottoman regime unraveled He follows the future Greeks on the seaways to Odesa Alexandria Livorno and the Caribbean and recovers the stories of peasants merchants warriors aristocrats and intellectuals who navigated the great empires that crisscrossed the region Kotsonis recounts the experiences of the villagers and sailors who joined the armed battalions of the Napoleonic Wars and learned a new kind of warfare and a new practice of mass mobilization lessons that served them well during the revolutionary decade He describes how as the bloody 1820s came to a close the region's Muslims were no more and Greece was an Orthodox Christian nation united by a shared language and a claim to an ancient past This panoramic book shows how the Greek Revolution was a demographic upheaval more consequential than the overthrow of a ruler Drawing on Ottoman sources together with archival evidence from Greece Britain France Russia and Switzerland the book reframes the birth of modern Greece within the imperial history of the global nineteenth century **Russia and the Making of Modern Greek Identity, 1821-1844** Lucien J. Frary, 2015 Explores how Russian politics and religion were instrumental in the shaping of modern Greece providing a broad understanding of nineteenth century Russian foreign policy and religious enterprise and the relationship between religion nationalism and state building **The Greek Revolution in the Age of Revolutions (1776-1848)** Paschalis M. Kitromilides, 2021-09-09 The Greek Revolution in the Age of Revolutions 1776 1848 brings together twenty one scholars and a host of original ideas revisionist arguments and new information to mark the bicentennial of the Greek Revolution of 1821 The purpose of this volume is to demonstrate the significance of the Greek liberation struggle to international history and to highlight how it was a turning point that signalled the revival of revolution in Europe after the defeat of the French Revolution in 1815 It argues that the sacrifices of rebellious Greeks paved the way for other resistance movements in European politics culminating in the spring of European peoples in 1848 Richly researched and innovative in approach this volume also considers the diplomatic and transnational aspects of the insurrection and examines hitherto unexplored dimensions of revolutionary change in the Greek world This book will appeal to scholars and students of the Age of Revolution as well as those interested in

comparative and transnational history political theory and constitutional law **New Perspectives on the Greek War of Independence** Yianni Cartledge, Andrekos Varnava, 2022-11-23 This book marks the 200 year anniversary of uprisings in the Ottoman Balkans between February and March 1821 which became known in the West as the beginnings of the Greek War of Independence 1821 1832 and led to the formation of the modern Greek state It explores the war and its impact on societies involved by delving into the myths that surround it the realities that have often been ignored or suppressed and its lasting legacies on national identities and histories It also explores memory and commemoration in Greece in other countries impacted and the Greek diaspora This book offers a fresh perspective on this pivotal event in Greek Ottoman Balkan Mediterranean European and world histories It presents new research and reflections to connect the war to wider history and to understand its importance across the last 200 years **The Four Horsemen** Richard Stites, 2014-01-09 In a series of revolts starting in 1820 four military officers rode forth on horseback from obscure European towns to bring political freedom and a constitution to Spain Naples and Russia and national independence to the Greeks The men who launched these exploits from Andalusia to the snowy fields of Ukraine Colonel Rafael del Riego General Guglielmo Pepe General Alexandros Ypsilanti and Colonel Sergei Muraviev Apostol all hoped to overturn the old order Over the next six years their revolutions ended in failure The men who led them became martyrs In *The Four Horsemen* the late eminent historian Richard Stites offers a compelling narrative history of these four revolutions Stites sets the stories side by side allowing him to compare events and movements and so illuminate such topics as the transfer of ideas and peoples across frontiers the formation of an international community of revolutionaries and the appropriation of Christian symbols and language for secular purposes He shows how expressive behavior and artifacts of all kinds art popular festivities propaganda and religion worked their way to various degrees into all the revolutionary movements and regimes And he documents as well the corruption abandonment of liberal values and outright betrayal of the revolution that emerged in Spain and Naples the clash of ambitions and ideas that wracked the unity of the Decembrists cause and civil war that erupted in the midst of the Greek struggle for independence Richard Stites was one of the most imaginative and broad ranging historians working in the United States This book is his last work a classic example of his dazzling knowledge and idiosyncratic yet accessible writing style The culmination of an esteemed career *The Four Horsemen* promises to enthrall anyone interested in nineteenth century Europe and the history of revolutions *Humanitarian intervention in the long nineteenth century* Alexis Heraclides, Ada Dialla, 2015-07-01 This electronic version has been made available under a Creative Commons BY NC ND open access license This book is a comprehensive presentation of humanitarian intervention in theory and practice during the course of the nineteenth century Through four case studies it sheds new light on the international law debate and the political theory on intervention linking them to ongoing issues and paying particular attention to the lesser known Russian dimension The book begins by tracing the genealogy of the idea of humanitarian intervention to the Renaissance evaluating

the Eurocentric gaze of the civilisation barbarity dichotomy and elucidates the international legal arguments of both advocates and opponents of intervention as well as the views of major political theorists It then goes on to examine four cases as humanitarian interventions the Greek War of Independence 1821 31 the Lebanon and Syria 1860 61 the Bulgarian atrocities 1876 78 and the U S intervention in Cuba 1895 98 Humanitarian intervention in the long nineteenth century will be of benefit to scholars and students of international relations international history international law and international political theory

Greek-Albanian Entanglements since the Nineteenth Century Alexis Heraclides,Ylli Kromidha,2023-09-28 This book is a comprehensive study of more than 200 years of the shared and interconnected histories of Greek Albanian relations a field of inquiry that has not attracted the international scholarly attention it deserves The book presents and analyses in detail topics including the contested borderland 1800 1912 the Greek Revolution 1821 1830 and Greek Albanian entanglements during the Greek Revolution Greek nationalism identity and narrative the Albanians pre modernism belated nationalism origin the rise of Albanian nationalism Albanian national identity and historical narrative Greek Albanian relations from the League of Prizren 1878 until Albania s declaration of independence 1912 Greek irredentism the Northern Epirus Question 1912 1920 and Albania s precarious independence Greek irredentism and Greek Albanian relations the Northern Epirus Question 1940 1971 the Greek minority in Albania the Cham Muslim Albanian issue the turbulent first part of the 1990s the pending Greek Albanian issues and public opinion It concludes with a road map for an eventual Albanian Greek reconciliation This volume will interest scholars and students of Southeastern Europe Balkans international relations and history political science and sociology It will also be a valuable resource for diplomats journalists think tanks and other organizations and institutions involved in the Balkans Greek Albanian relations

Revolutionary Contagion and International Politics Chad E. Nelson,2022 A unique theory of what happens when leaders fear a revolution abroad will spread to their own country and how that affects international relations When do leaders fear that a revolution elsewhere will spread to their own polities and what are the international effects of this fear In *Revolutionary Contagion* Chad E Nelson develops and tests a theory that explains how states react to ideological driven revolutions that have occurred in other nations To do this he analyzes four key revolutionary movements over two centuries liberalism communism fascism and Islamism He further explains that the key to understanding the response to revolutions lies in focusing on the extent to which leaders fear upheaval in their own countries According to the theory Nelson argues fear of contagion is driven more by the characteristics of the host rather than the activities of the infecting agents In other words leaders will fear revolutionary contagion when they have significant revolutionary opposition movements that have an ideological affinity with the revolutionary state A powerful theory of the profound effects revolutions have on international relations this book shows why one simply cannot make sense of international politics including patterns of alliances and wars in certain situations without considering the fear of contagion

Containing Balkan Nationalism Denis Vovchenko,2016 Containing Balkan

Nationalism highlights the efforts by ecclesiastics publicists and diplomats in Russia the Ottoman Empire Greece and Bulgaria to develop and implement various plans to reconcile ethnic differences within existing religious and dynastic frameworks Those arrangements were often inspired by modern visions of a political and cultural union of Orthodox Slavs and Greeks

Napoleon and Europe Philip G. Dwyer, 2014-07-22 Two hundred years ago Napoleon was at the apogee of his power in Europe This broad ranging reassessment explores the key themes presented by his extraordinary career from his rise to power and the foundation of the imperial state to the final defeat of his grand vision following the doomed invasion of Russia It was a period of almost uninterrupted war in Europe the consequences of victory or failure repeatedly transforming the political map But Napoleon's impact reached much deeper than this achieving the ultimate destruction of the ancien regime and feudalism in Europe and leaving a political and juridical legacy that persists today

Selective Remembrances Philip L. Kohl, Mara Kozelsky, Nachman Ben-Yehuda, 2008-11-15 When political geography changes how do reorganized or newly formed states justify their rule and create a sense of shared history for their people Often the essays in *Selective Remembrances* reveal they turn to archaeology employing the field and its findings to develop nationalistic feelings and forge legitimate distinctive national identities Examining such relatively new or reconfigured nation states as Iran Iraq Turkey Israel Russia Ukraine India and Thailand *Selective Remembrances* shows how states invoke the remote past to extol the glories of specific peoples or prove claims to ancestral homelands Religion has long played a key role in such efforts and the contributors take care to demonstrate the tendency of many people including archaeologists themselves to view the world through a religious lens which can be exploited by new regimes to suppress objective study of the past and justify contemporary political actions The wide geographic and intellectual range of the essays in *Selective Remembrances* will make it a seminal text for archaeologists and historians

In the Cause of Humanity Fabian Klose, 2021-12-09 *In the Cause of Humanity* is a major new history of the emergence of the theory and practice of humanitarian intervention during the nineteenth century when the question of whether when and how the international community should react to violations of humanitarian norms and humanitarian crises first emerged as a key topic of controversy and debate Fabian Klose investigates the emergence of legal debates on the protection of humanitarian norms by violent means revealing how military intervention under the banner of humanitarianism became closely intertwined with imperial and colonial projects Through case studies including the international fight against the slave trade the military interventions under the banner of humanitarian aid for Christian minorities in the Ottoman Empire and the intervention of the United States in the Cuban War of Independence he shows how the idea of humanitarian intervention established itself as a recognized instrument in international politics and international law

Oceanic Histories David Armitage, Alison Bashford, Sujit Sivasundaram, 2018 Freshly presents world history through its oceans and seas in uniquely wide ranging original chapters by leading experts in their fields

The American Bibliography of Slavic and East European Studies for 1994 Patt Leonard, Rebecca

Routh,1997-05-31 This text provides a source of citations to North American scholarships relating specifically to the area of Eastern Europe and the former Soviet Union It indexes fields of scholarship such as the humanities arts technology and life sciences and all kinds of scholarship such as PhDs

Transnational Patriotism in the Mediterranean, 1800-1850

Konstantina Zanou,2018 Transnational Patriotism in the Mediterranean charts the lives of those who lived along the shores of the Adriatic during the first half of the nineteenth century when the region was transformed from a Venetian lake into a battlefield between old and new imperial powers and where emerging nationalisms and nation states emerged

Writing at Russia's Border Katya Hokanson,2008-01-01 It is often assumed that cultural identity is determined in a country's metropolitan centres Given Russia's long tenure as a geographically and socially diverse empire however there is a certain distillation of peripheral experiences and ideas that contributes just as much to theories of national culture as do urban centred perspectives *Writing at Russia's Border* argues that Russian literature needs to be reexamined in light of the fact that many of its most important nineteenth century texts are peripheral not in significance but in provenance Katya Hokanson makes the case that the fluid and ever changing cultural and linguistic boundaries of Russia's border regions profoundly influenced the nation's literature posing challenges to stereotypical or territorially based conceptions of Russia's imperial military and cultural identity A highly canonical text such as Pushkin's *Eugene Onegin* 1831 which is set in European Russia is no less dependent on the perspectives of those living at the edges of the Russian Empire than is Tolstoy's *The Cossacks* 1863 which is explicitly set on Russia's border and has become central to the Russian canon Hokanson cites the influence of these and other peripheral texts as proof that Russia's national identity was dependent upon the experiences of people living in the border areas of an expanding empire Produced at a cultural moment of contrast and exchange the literature of the periphery represented a negotiation of different views of Russian identity an ingredient that was ultimately essential even to literature produced in the major cities *Writing at Russia's Border* upends popular ideas of national cultural production and is a fascinating study of the social implications of nineteenth century Russian literature

Southern Europe in the Age of Revolutions Maurizio Isabella,2025-06-17 An examination of revolutions in the Iberian and Italian peninsulas Sicily and Greece in the 1820s that reveals a popular constitutional culture in the South After the turbulent years of the Napoleonic Wars and the Congress of Vienna's attempt to guarantee peace and stability across Europe a new revolutionary movement emerged in the southern peripheries of the continent In this groundbreaking study Maurizio Isabella examines the historical moment in the 1820s when a series of simultaneous uprisings took the quest for constitutional government to Portugal Spain the Italian peninsula Sicily and Greece Isabella places these events in a broader global revolutionary context and decentering conventional narratives of the origins of political modernity reveals the existence of an original popular constitutional culture in southern Europe Isabella looks at the role played by secret societies elections petitions protests and the experience of war as well as the circulation of information and individuals across seas and borders

in politicising new sectors of society By studying the mobilisation of the army the clergy artisans rural communities and urban populations in favour of or against the revolutions he shows that the uprisings in the South although their ultimate fate was determined by the intervention of more powerful foreign countries enjoyed considerable popular support in ideologically divided societies and led to the introduction of constitutions Isabella argues that these movements informed the political life of Portugal and Spain for many decades and helped to forge a long lasting revolutionary tradition in the Italian peninsula The liberalism that emerged as a popular political force across southern Europe he contends was distinct from French and British varieties

Mediterranean Diasporas Maurizio Isabella, Konstantina Zanou, 2015-11-19 Mediterranean Diasporas looks at the relationship between displacement and the circulation of ideas within and from the Mediterranean basin in the long 19th century In bringing together leading historians working on Southern Europe the Balkans and the Ottoman Empire for the first time it builds bridges across national historiographies raises a number of comparative questions and unveils unexplored intellectual connections and ideological formulations The book shows that in the so called age of nationalism the idea of the nation state was by no means dominant as displaced intellectuals and migrant communities developed notions of double national affiliations imperial patriotism and liberal imperialism By adopting the Mediterranean as a framework of analysis the collection offers a fresh contribution to the growing field of transnational and global intellectual history revising the genealogy of 19th century nationalism and liberalism and reveals new perspectives on the intellectual dynamics of the age of revolutions

Russian Society And The Greek Revolution Introduction

In today's digital age, the availability of Russian Society And The Greek Revolution books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Russian Society And The Greek Revolution books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Russian Society And The Greek Revolution books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Russian Society And The Greek Revolution versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Russian Society And The Greek Revolution books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Russian Society And The Greek Revolution books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Russian Society And The Greek Revolution books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable

examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Russian Society And The Greek Revolution books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Russian Society And The Greek Revolution books and manuals for download and embark on your journey of knowledge?

FAQs About Russian Society And The Greek Revolution Books

1. Where can I buy Russian Society And The Greek Revolution books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
3. How do I choose a Russian Society And The Greek Revolution book to read? Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.). Recommendations: Ask friends, join book clubs, or explore online reviews and recommendations. Author: If you like a particular author, you might enjoy more of their work.
