Davidson, Kira S. Gor, M. Lekich, Comprehensive program for elementary Russian instruction Student-Centered Approaches to Russian Language Teaching Svetlana V. Nuss, Cynthia L. Martin, 2022-12-30 Student Centered Approaches to Russian Language Teaching looks at how the field of Russian language pedagogy has evolved in recent years due to advances in technology along with shifts in attitudes to language pedagogy and how the pandemic has compounded and accelerated these changes This edited collection brings together different perspectives from the field of Russian language pedagogy With pedagogical conversations now centered around students and their needs as well as the evolving role of the teacher in the 21st century this volume highlights the diverse ways in which instructional practices have evolved making curriculum and assessment more student centered and Russian language learning more engaging The collection will be of interest to current and future instructors of Russian as a foreign or additional language who wish to diversify their instruction as well as students of Russian language pedagogy and second language learning and teaching **Russian Language Studies in North America** Veronika Makarova, 2013-10-01 Russian Language Studies in North America New Perspectives from Theoretical and Applied Linguistics offers a unique collection of research papers representing current directions in Russian language studies in Canada and the United States Traditionally Slavic and Russian studies in these countries have centered around literature history politics and culture This volume reflects recent changes in Russian studies by focusing on language structure language use and teaching methodology The volume brings together several generations of scholars from young promising researchers to those with long established reputations in the field Investigations in Instructed Second Language Acquisition Alex Housen, Michel Pierrard, 2008-08-22 Methods in current instructed second language acquisition research range from laboratory experiments to ethnography using non obtrusive participant observation from cross sectional designs to longitudinal case studies Many different types of data serve as the basis for analysis including reaction times measurements global test scores paper and pencil measures introspective comments grammaticality judgements as well as textual data elicited or naturalistic oral or written relating to comprehension or production Some studies rely on extensive quantification of data while others may favour a more qualitative and hermeneutic analytic approach Many of these issues

and methods are exemplified by the contributions to this volume Data based studies included here deal with the acquisition of specific linguistic phenomena e g verb and noun morphology lexicon clause structures in a range of target languages e g English French German Russian from a variety of settings involving different instructional approaches e g traditional foreign language classes immersion classes intensive ESL classes content and language integrated language classes Collectively the chapters in this book illustrate the productivity and diversity of current research on instructed second language acquisition As such they serve as a valuable resource for researchers in SLA psycholinguistics linguistics and language education

Stage One: M. Lekich,2009 The 2009 edition of *Russian Stage One* Live from Russia reflects the continuing rapid changes that have occurred in day to day Russian life and culture over the past decade The authors primary goal in producing *Live from Russia* was to ensure that language and cultural information presented in the book are completely up to day not only post Soviet but clearly reflective of the norms of the Putin Medvedev era This led the authors and ACTR to the decision to undertake a complete remake of the familiar soap opera story which serves as the thematic base of the text The time of the new version of the story is 2009 and much in the lives of the characters as well as in the city of Moscow and around Russia has changed in comparison to the initial shooting of *Live* in 1996 Cell phones and text messaging are a regular part of Russian life in 2009 the tempo of Russian business life has evolved considerably The depiction of the regions and cultural

diversity of Russia represents another significant change in the new version of Live from Russia including the change in title from the Preface **Canadian-American Slavic Studies** ,2000 A quarterly journal devoted to Russia and East Europe
