Unattainable Bride Russia Ellen Rutten, 2010-03-08 Throughout the twentieth century and continuing today personifications of Russia as a bride occur in a wide range of Russian texts and visual representations from literature and political and philosophical treatises to cartoons and tattoos Invariably this metaphor functions in the context of a political gender allegory which represents the relationships between Russia the intelligentsia and the Russian state as a competition of two male suitors for the former's love In Unattainable Bride Russia Ellen Rutten focuses on the metaphorical role the intelligentsia plays as Russia's rejected or ineffectual suitor Rutten finds that this metaphor which she covers from its prehistory in folklore to present day pop culture references to Vladimir Putin is still powerful but has generated scarce scholarly consideration Unattainable Bride Russia locates the cultural thread and places the political metaphor in a broad contemporary and social context thus paying it the attention to which it is entitled as one of Russia's modern cultural myths

Protest in Putin's Russia Mischa Gabowitsch, 2016-12-27 The Russian protests sparked by the 2011 Duma election have been widely portrayed as a colourful but inconsequential middle class rebellion confined to Moscow and organized by an unpopular opposition In this sweeping new account of the protests Mischa Gabowitsch challenges these journalistic clichés showing that they stem from wishful thinking and media bias rather than from accurate empirical analysis Drawing on a rich body of material he analyses the biggest wave of demonstrations since the end of the Soviet Union situating them in the context of protest and social movements across Russia as a whole He also explores the legacy of the protests in the new era after Ukraine's much larger Maidan protests the crises in Crimea and the Donbass and Putin's ultra conservative turn As the first full length study of the Russian protests this book will be of great value to students and scholars of Russia and to anyone interested in contemporary social movements and political protest
