Russian War Machine 1917 1945:

The Russian War Machine, 1917-1945 Sydney Louis Mayer, 1977 Hitler's War in the East, 1941-1945 Rolf-Dieter Müller, Gerd R. Ueberschär, 2002 Provides a guide to the extensive literature on the war in the East including largely unknown Soviet writing on the subject Sections on policy and strategy the military campaign the ideologically motivated war of annihilation in the East the occupation and coming to terms with the results of the war offer a wealth of bibliographic citations and include introductions detailing history of the period and related issues For military historians and for scholars who approach this period in history from a socio economic or cultural perspective No index Annotation copyrighted by Book News Inc Portland OR Occupation and Insurgency Colin D. Heaton, 2008 *Of Arms and Men* Robert L. O'Connell, 1990-04-19 The appearance of the crossbow on the European battle field in A D 1100 as the weapon of choice for shooting down knights threatened the status quo of medieval chivalric fighting techniques By 1139 the Church had intervened outlawing the use of the crossbow among Christians With this edict arms control was born As Robert L O Connell reveals in this vividly written history of weapons in Western culture that first attempt at an arms control measure characterizes the complex and often paradoxical relationship between men and arms throughout the centuries In a sweeping narrative that ranges from prehistoric times to the nuclear age O Connell demonstrates how social and economic conditions determine the types of weapons and the tactics used in warfare and how in turn innovations in weapons technology often undercut social values He describes for instance how the invention of the gun required a redefinition of courage from aggressive ferocity to calmness under fire and how the machine gun in World War I so overthrew traditional notions of combat that Lord Kitchener exclaimed This isn't war The technology unleashed during the Great War radically altered our perceptions of ourselves as these new weapons made human qualities almost irrelevant in combat With the invention of the atomic bomb humanity itself became subservient to the weapons it had produced *Of Arms and Men* brilliantly integrates the evolution of politics weapons strategy and tactics into a coherent narrative one spiced with striking portraits of men in combat and penetrating insights into why men go to war **The Western Allies and Soviet Potential in World War II** Martin Kahn, 2017-03-27 World War II was the largest and most devastating war in modern history with far reaching consequences The single most important campaign was the Soviet German war which consumed the lion share of Germany's military resources In contrast to the tone in German and Anglo American precampaign assessments the USSR was able to repulse the invasion after huge losses and turn the table on Germany and her minor Axis allies This book examines how the two most important Western Allies in World War II the United States and the United Kingdom assessed the economic and military potential of the Soviet Union in 1939 1945 Since the USSR was the single most important military contributor to the Allied victory in Europe and the main target of Germany's military strength these assessments are of paramount importance in order to understand how the Anglo Americans perceived the overall war situation and adjusted their own war effort in

accordance with it Utilising a wide range of documents produced by the Anglo Americans during and shortly before World War II this book explores why Soviet strength was underestimated and how the Soviet economic system Soviet society and military capabilities were viewed by Western Government observers The Western Allies and Soviet Potential in World War II is a fascinating read for those in academia studying economic history international economics and security studies especially areas on military and strategic

Motherland David R. Marples, 2014-10-13 Motherland tells the dramatic story of the rise and fall of the Soviet Union From Lenin's virtual coup in November 1917 to Boris Yeltsin's ruthless takeover of power in 1991 the book culminates with a new view of the Yeltsin years David Marples focuses on the evolution of Russia during the Soviet period and the attempt to harness Russian nationalism to the avowed Soviet mission of promoting World Communism Along the way he analyses some of the more intensive historical debates and uncovers some of the myths perpetuated by state propaganda especially those associated with the Great Patriotic War

World War II in Europe David T.

Zabecki, 2015-05-01 World War II defined the 20th century and shaped many events from the decolonization of Africa to the rise and fall of the Berlin Wall This encyclopedia offers a focused overview of this complex and volatile era the circumstances that led up to war the underlying causes its unfolding and consequences Organized for quick and precise access More than 1300 entries by 150 experts are arranged in six sections for easy reference and consultation All the key ideas events actions weapons individuals and organizations that played vital roles in the war are covered from the Axis Pact to the Arab League from the OSS to the Africa Korps from the Chetniks to the Jedburghs from the battle of Kursk to Operation Mincemeat from Bill Donovan to Otto Skorzeny from Gestapo to SMERSH from Georgi Zhukov to Jean Leclerc from the 88 gun to the Norden Bombsight Covers important neglected subjects The Encyclopedia puts special emphasis on the often neglected operations in Eastern Europe and Russia A key section inspects and rates all the major weapons with handy tables for easy comparison And in recognition of the first large scale participation of women in the war the volume thoroughly documents their individual and unit contributions to the Allied effort Finally the encyclopedia discusses battlefield realities that explain for example why the airborne drops at Normandy succeeded and the ones at Arnheim failed A bibliography glossary maps photographs and weapons and data tables enhance the coverage Also includes 16 maps

All the Fine Young Eagles

David L. Bashow, 2016-10-15 During the six years of the Second World War Canadian fighter pilots flew and fought with great distinction in every theatre of war to which Commonwealth fighter forces were deployed All the Fine Young Eagles captures the spirit and magnitude of the Canadian contribution which began in Europe's Low Countries in 1940 and ended among the Japanese Home Islands in 1945 In keeping with the country's developing autonomy Canadians served in both RAF and RCAF units fighting with great courage in their Spitfires Hurricanes Kittyhawks and Typhoons All the Fine Young Eagles collects the wartime diaries and postwar reminiscences from a great variety of the Canadian fighter pilots who served in World War II Their vivid first hand accounts take the reader into the cockpit to experience dogfights tactical manoeuvres forced landings

and injuries as well as the often tedious periods between engagements They also illuminate the day to day living conditions on base and include humorous accounts of the vivid personalities and lighter moments of wartime To provide context for their stories Bashow s authoritative voice offers both a large scale historical framework and detailed information about tactics equipment and people including such famous flying aces as Buzz Beurling and Moose Fumerton This updated second edition contains a substantial amount of new material that veterans have contributed since the publication of the first edition

Plans for Stalin's War-Machine L. Samuelson,2016-01-13 In the interwar period Red Army commanders headed by Tukhachevskii developed a new doctrine of mobile warfare and deep operations The military requirements of armaments and industrial production in the event of war was a central parameter in Stalinist industrialization Based on recently opened Russian archives the book analyzes military dimensions of Soviet long term economic and military reconstruction plans from the mid 1920s until 1941 It presents a new framework for estimating the Soviet war economic preparations drastically underestimated by contemporaries

Red Army into the Reich Simon Forty,Patrick Hook,Nik Cornish,2021-11-30 An illustrated history of how the Red Army pushed west and into Berlin in 1945 during World War II The last year of the war saw Russian offensives that cleared the Germans out of their final strongholds in Finland and the Baltic states before advancing into Finnmark in Norway and the east European states that bordered Germany Poland Czechoslovakia and Hungary By spring 1945 the Red Army had reached to Vienna and the Balkans and had thrust deep into Germany where they met American French and British troops advancing from the west The final days of the Third Reich were at hand Berlin was first surrounded then attacked and taken Hitler s suicide and his successors unconditional surrender ended the war For writers and historians who concentrate on the Western Allies and the battles in France and the Low Countries the Eastern Front comes as a shock The sheer size of both the territories and the forces involved the savagery of both weather and the fighting the appalling suffering of the civilian populations of all countries and the wreckage of towns and cities it s no wonder that words like Armageddon are used to describe the annihilation Red Army into the Reich combines a narrative history contemporary photographs and maps with images of memorials battlefield survivors and then now views It may come as a surprise to the western reader to see how many memorials there are to Russia s Great Patriotic War and those to the losses suffered by the countries who spent so long under the murderous Nazi regime Praise for Red Army into the Reich If you have any interest in understanding the final cataclysm that overtook the Third Reich and delineated the hows and whys of the Cold War and Eastern Europe after the collapse of the Soviet Union Red Army into the Reich will give you a glimpse into a generally underreported past a small slice of heaven for the East Front fan ARMOR Magazine Carries the reader into the Eastern Front with clear writing good maps and lavish illustration Many of the photographs are accompanied by images of how the scene they depict appears today WWII History Magazine A better illustrated recent volume would be hard to find especially one that covers the breadth of Red Army combat operations in the third period of the war Journal of Slavic Military

Studies A History Of Russia Volume 2 Walter G. Moss,2004-10-01 Moss has significantly revised his text and bibliography in this second edition to reflect new research findings and controversies on numerous subjects He has also brought the history up to date by revising the post Soviet material which now covers events from the end of 1991 up to the present day This new edition retains the features of the successful first edition that have made it a popular choice in universities and colleges throughout the US Canada and around the world The Soviet Army, 1939-1980 Myron J. Smith,1982 **The Great Patriotic War of the Soviet Union, 1941-45** Alexander Hill,2008-12-10 This book consists of extracts from key documents along with commentary and further reading on the Great Patriotic War of the Soviet Union against Nazi Germany 1941 45 Despite the historical significance of the war few Soviet documents have been published in English This work provides translations of a range of extracts from Soviet documents relating to the titanic struggle on the Eastern Front during World War II with commentary This is the only single volume work in English to use documentary evidence to look at the Soviet war effort from military political economic and diplomatic perspectives The book should not only facilitate a deeper study of the Soviet war effort but also allow more balanced study of what is widely known in the West as the Eastern Front This book will be of much interest to students and scholars of military history Soviet history and World War II history

Russian War Machine 1917 1945 Introduction

In the digital age, access to information has become easier than ever before. The ability to download Russian War Machine 1917 1945 has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Russian War Machine 1917 1945 has opened up a world of possibilities. Downloading Russian War Machine 1917 1945 provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Russian War Machine 1917 1945 has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Russian War Machine 1917 1945. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Russian War Machine 1917 1945. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Russian War Machine 1917 1945, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Russian War Machine 1917 1945 has transformed the way we access information. With the convenience, cost-

effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.
