Russian Civil Society A Critical Assessment:

Russian Civil Society: A Critical Assessment Alfred B. Evans, Laura A. Henry, Lisa Sundstrom, 2016-07-22 A vibrant civil society characterized by the independently organized activity of people as citizens undirected by state authority is an essential support for the development of freedom democracy and prosperity Thus it has been one important indicator of the success of post communist transitions This volume undertakes a systematic analysis of the development of civil society in post Soviet Russia An introduction and two historical chapters provide background followed by chapters that analyze the Russian context and consider the roles of the media business organized crime the church the village and the Putin administration in shaping the terrain of public life Eight case studies then illustrate the range and depth of actual citizen organizations in various national and local community settings and a concluding chapter weighs the findings and distills comparisons and conclusions *International Encyclopedia of Civil Society* Helmut K. Anheier, Stefan Toepler, 2009-11-24 Recently the topic of civil society has generated a wave of interest and a wealth of new information Until now no publication has attempted to organize and consolidate this knowledge The International Encyclopedia of Civil Society fills this gap establishing a common set of understandings and terminology and an analytical starting point for future research Global in scope and authoritative in content the Encyclopedia offers succinct summaries of core concepts and theories definitions of terms biographical entries on important figures and organizational profiles In addition it serves as a reliable and up to date guide to additional sources of information In sum the Encyclopedia provides an overview of the contours of civil society social capital philanthropy and nonprofits across cultures and historical periods For researchers in nonprofit and civil society studies political science economics management and social enterprise this is the most systematic appraisal of a rapidly growing field *The New Autocracy* Daniel Treisman, 2018-02-06 Corruption fake news and the informational autocracy sustaining Putin in power After fading into the background for many years following the collapse of the Soviet Union Russia suddenly has emerged as a new threat at least in the minds of many Westerners But Western assumptions about Russia and in particular about political decision making in Russia tend to be out of date or just plain wrong Under the leadership of Vladimir Putin since 2000 Russia is neither a somewhat reduced version of the Soviet Union nor a classic police state Corruption is prevalent at all levels of government and business but Russia's leaders pursue broader and more complex goals than one would expect in a typical kleptocracy such as those in many developing countries Nor does Russia fit the standard political science model of a competitive authoritarian regime its parliament political parties and other political bodies are neither fakes to fool the West nor forums for bargaining among the elites The result of a two year collaboration between top Russian experts and Western political scholars *Autocracy* explores the complex roles of Russia's presidency security services parliament media and other actors The authors argue that Putin has created an informational autocracy which relies more on media manipulation than on the comprehensive repression of traditional dictatorships The fake news hackers and trolls that

featured in Russia's foreign policy during the 2016 U.S. presidential election are also favored tools of Putin's domestic regime along with internet restrictions, state television, and copious in-house surveys. While these tactics have been successful in the short run, the regime that depends on them already shows signs of age: over-centralization, a narrowing of information flows, and a reliance on informal fixers to bypass the bureaucracy. The regime's challenge will be to continue to block social modernization without undermining the leadership's own capabilities.

Social Movements in Post-Communist Europe and Russia Kerstin Jacobsson, Steven Saxonberg, 2015-12-22 This volume provides a much needed update on the state of civil society in post-communist Europe and Russia more than two decades after the fall of the communist regimes. The chapters offer new perspectives on social movement strategies in post-communist Central Eastern Europe and Russia. The chapters illustrate how social movements develop particular repertoires of action and contention which are better suited for their specific local contexts in the post-communist setting. In Russia and Poland the most popular and effective choices are using domestic and transnational legal opportunities, judicial activism, and litigation that complement the traditional lobbying and mass mobilization. Human rights framing has become important in Hungary and the Czech Republic. The chapters analyse various types of rights-based activism that operate in otherwise prohibitive social and political environments, thereby raising highly contentious issues such as animal rights, environment, and sustainability, human rights, women's rights, and gay rights activism. The contributions richly illustrate the often surprising and multiple ways in which transnational discourses and norm pressure are received, translated, or resisted in the local contexts. Finally, the volume provides a novel reconceptualisation and offers new understandings of the relationships between the state and civil society in the post-communist context. This book is based on a special issue of *East European Politics*.

Putin's Russia Stephen K. Wegren, 2015-07-16 Now in a thoroughly revised, expanded, and updated sixth edition, this classic text provides the most authoritative and current analysis available of the challenges facing Russia today. Leading scholars explore the daunting domestic and international problems confronting Putin. Evaluating the regime's continued efforts to rebuild a country once on the verge of collapse, they consider a comprehensive array of economic, political, foreign policy, and social issues. Putin has his own approach for dealing with the myriad problems facing Russia, emphasizing recentralization of power and a strong state. He has returned to power amid unresolved policy issues both domestically and from the international community. Only by understanding these concerns and previous efforts to deal with them will it be possible to understand the country's trajectory. Well-written and clearly organized, this text is an indispensable guide for anyone wanting to understand contemporary Russia. Contributions by Alfred Evans, Kathleen J. Hancock, Timothy Heleniak, Kathryn Hendley, Dale R. Herspring, Janet Elise Johnson, Taylor Ren Lane, Maria Lipman, Jeffrey Mankoff, Alexander M. Nikulin, Alexandra Novitskaya, Nikolai Petrov, Thomas F. Remington, Richard Sakwa, Louise Shelley, Darrell Slider, Pekka Sutela, Andrei P. Tsygankov, Stephen K. Wegren.

Civil Society in Central and Eastern Europe Sabine, 2014-04-15 As well as promoting debates about liberal democracy, the

dramatic events of 1989 also brought forth a powerful revival in the interest of the notion of civil society. This revival was reflected mainly in two broad tracts of literature. The first was primarily focused on the events surrounding the Solidarity movement in Poland and the tumultuous events of 1980-81. The second was concerned with the Velvet Revolutions more broadly. Following the events of 1989, there appeared a number of works sharing the common central argument that civil society played a key role in the overthrow of these Communist regimes in 1989. Challenging the centrally accepted wisdom that dissent in totalitarian regimes was representative of civil society, Civil Society and Communism posits the argument that the totalitarian public sphere. A new theoretical typology presents a more robust and rigorous way by which to understand dissent and opposition in totalitarian Czechoslovakia, Poland, and the GDR.

Social Rights in Russia Eleanor Bindman, 2017-10-16. Russia's human rights record, especially violations of the right to life, liberty, and freedom of expression, has been the subject of much international concern. Social or welfare rights, on the other hand, including the right to housing, health, and access to social security, have received much less attention. This book explores the changing position in Russia towards such social rights. It explores how social rights are defined in Russia and why they are contested and discusses how increasing liberalisation and privatisation have radically changed the very extensive former communist welfare system. It considers recent initiatives by both Putin and Medvedev to re-emphasise the role of the state in providing social services and shows how activism to secure social benefits, especially at the local level, is relatively strong. The book concludes by assessing how social rights and welfare are likely to develop in Russia in a world increasingly concerned with austerity and the transformation of citizens into market citizens, where attitudes towards social rights remain less than favourable.

Funding Civil Society Lisa McIntosh Sundstrom, 2006. This book investigates the impact of Western democracy assistance programs on the development of Russian women's and soldiers' rights NGOs in Russia. It argues that the normative content of assistance programs as well as the character of regional political environments fundamentally shape the influence of such programs.

Routledge Handbook of Russian Politics and Society Graeme Gill, 2022-12-23. This second edition of the highly respected Routledge Handbook of Russian Politics and Society both provides a broad overview of the area and highlights cutting-edge research into the country. Through balanced theoretical and empirical investigation, each chapter examines both the Russian experience and the existing literature, identifies and exemplifies research trends, and highlights the richness of experience, history, and continued challenges inherent to this enduringly fascinating and shifting polity. Politically, economically, and socially, Russia has one of the most interesting development trajectories of any major country. This Handbook answers questions about democratic transition, the relationship between the market and democracy, stability and authoritarian politics, the development of civil society, the role of crime and corruption, the development of a market economy, and Russia's likely place in the emerging new world order. Providing a comprehensive resource for scholars, students, and policy makers alike, this book is an essential contribution to the study of Russian studies, politics, Eastern

European studies politics and International Relations *Post-Communist Civil Society and the Soviet Legacy* Huseyn Aliyev, 2015-08-11 This book argues that the weakness of civil society in the post Soviet Caucasus is a result not only of post communist political and economic problems but also of the effects of historical legacies These influence both formal and informal civil societies and weaken the countries ability to facilitate democratisation **Women and Transformation in Russia** Aino Saarinen, Kirsti Ekonen, Valentina Uspenskaia, 2013-11-26 This book looks at Russian women s mobilization and agency during the two periods of transformation the turn of the 19th 20th century and the 20th 21st century Bringing together the parallels between the two great transformations it focuses on both the continuities and breaks and importantly it shows them from the grassroots point of view emphasizing the local factor Chapters show the international and transnational aspects of Russian women s agency of different spheres and different historical periods The book goes on to raise new research questions such as the evaluation and comparison of Soviet society and contemporary Russia from the point of view of gender and women s possibilities in society Civil Society Revisited Kerstin Jacobsson, Elzbieta Korolczuk, 2017-06-01 In much social scientific literature Polish civil society has been portrayed as weak and passive This volume offers a much needed corrective challenging this characterization on both theoretical and empirical grounds and suggesting new ways of conceptualizing civil society to better account for events on the ground as well as global trends such as neoliberalism migration and the renewal of nationalist ideologies Focusing on forms of collective action that researchers have tended to overlook the studies gathered here show how public discourse legitimizes certain claims and political actions as true civil society while others are too often dismissed Taken together they critique a model of civil society that is made from above **Politics Russia** Catherine Danks, 2014-01-14 Politics Russia provides the most comprehensive accessible and up to date introduction to all aspects of the political development of Russia in the post communist era Writing with the undergraduate student specifically in mind Danks fluent style and masterly grasp of complex material will make this an indispensable guide for many years to come Divided into five sections Politics Russia maps a clear path towards an understanding of Russia and its politics in the twenty first century In Part One the emergence of contemporary Russia is put into context by a consideration of the end of the USSR and the move towards democratization under Gorbachev Part Two provides a clear sighted and stimulating overview of the nature of the executive and the legislature in contemporary Russia Part Three examines civil society the role of the media and the representative process Part Four is focussed on the policy process from foreign and defence policies to the development of domestic social policies from the provision of healthcare to education Part Five the final provides an overall consideration the contemporary state of Russia examining the development from Yeltsin to Putin to Medvedev and considers the possible futures of the region The book is supported by a host of pedagogical features including Annotated further reading lists Definitions of key political terms Short biographies of key figures **Women's Emancipation and Civil Society Organisations** Christina Schwabenland, Chris Lange, Jenny

Onyx, Sachiko Nakagawa, 2016-10-05 Women are at the heart of civil society organizations CSOs that challenge oppressive practices at a local and global level and develop outstanding entrepreneurial activities Yet CSO research tends to ignore considerations of gender and the rich history of activist feminist organizations is rarely examined This collection corrects that oversight exploring the nexus between the emancipation of women and their roles in CSOs Featuring contrasting international studies from a wide range of contributors it covers emerging issues such as the role of social media in organizing the significance of religion in many cultural contexts activism in Eastern Europe and the impact of environmental degradation on women s lives Asking whether involvement in CSOs offers a potential source of emancipation for women or maintains the status quo this book will have an impact on both equal opportunity policy and practice **Building Civil**

Society in Authoritarian China John W. Tai, 2014-08-28 How is modern civil society created There are few contemporary studies on this important question and when it is addressed scholars tend to emphasize the institutional environment that facilitates a modern civil society However there is a need for a new perspective on this issue Contemporary China where a modern civil society remains in a nascent stage offers a valuable site to seek new answers Through a comparative analysis of nongovernmental organizations NGOs in today s China this study shows the importance of the human factor notably the NGO leadership in the establishment of a modern civil society In particular in recognition of the social nature of NGOs this study engages in a comparative examination of Chinese NGO leaders state linkage media connections and international ties in order to better understand how each factor contributes to effective NGOs **Return to Putin's Russia** Stephen K.

Wegren, 2013 Now in a thoroughly revised expanded and updated edition this classic text provides the most authoritative and current analysis available of the challenges facing Putin as he resumes the presidency Leading scholars explore the daunting domestic and international problems confronting Russia today Evaluating the regime s continued efforts to rebuild a country once on the verge of collapse the contributors consider a comprehensive array of economic political foreign policy and social issues Clearly written and organized this text is an indispensable guide for anyone wanting to understand Russia today

Democratization and Gender in Contemporary Russia Suvi Salmenniemi, 2008-05-20 This book examines civic activism democratization and gender in contemporary Russian society It explores the role of state institutions in the development of democratic civic life showing how under the increasingly authoritarian Putin regime and its policy of managed democracy independent civic activism is both thriving yet simultaneously constrained **Civil Society in the Age of Monitory**

Democracy Lars Trägårdh, Nina Witoszek, Bron Taylor, 2013-05-01 Since the emergence of the dissident parallel polis in Eastern Europe civil society has become a new superpower influencing democratic transformations human rights and international co operation co designing economic trends security and defense reshaping the information society and generating new ideas on the environment health and the good life This volume seeks to compare and reassess the role of civil society in the rich West the poorer South and the quickly expanding East in the context of the twenty first century s

challenges It presents a novel perspective on civic movements testing John Keane's notion of monitory democracy and emerging order of public scrutiny and monitoring of power Rebellious Parents Katalin Fábián, Elzbieta

Korolczuk, 2017-07-18 Parental activism movements are strengthening around the world and often spark tense personal and political debate With an emphasis on Russia and Central and Eastern Europe this collection analyzes formal organizations as well as informal networks and online platforms which mobilize parents to advocate for change on a grassroots level In doing so the work collected here explores the interactions between the politics everyday life and social activism of mothers and fathers From fathers rights movements to natural childbirth to vaccination debates these essays provide new insight into the identities and strategies applied by these movements as they confront local ideals of gender and family with global ideologies

Putin's Russia Darrell Slider, 2022-07-20 Thoroughly revised expanded and updated the new edition of this classic text provides the most authoritative and current analysis of contemporary Russia Leading scholars explore the domestic and international problems Russia confronts including political economic societal and foreign policy issues The new edition provides an analysis from multiple perspectives on the major challenges facing Russia and Putin's regime Updates include new sections on corruption Russia's conflicts with Ukraine and Georgia Russia's response to Only by understanding these challenges and previous efforts to deal with them will it be possible to understand the trajectory for Russia Well written and clearly organized this text is an indispensable guide for anyone wanting to understand contemporary Russia

Russian Civil Society A Critical Assessment Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Russian Civil Society A Critical Assessment free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Russian Civil Society A Critical Assessment free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading Russian Civil Society A Critical Assessment free PDF files is convenient, its important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but its essential to be cautious and verify the authenticity of the source before downloading Russian Civil Society A Critical Assessment. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether its classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a

vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading Russian Civil Society A Critical Assessment any PDF files. With these platforms, the world of PDF downloads is just a click away.

FAQs About Russian Civil Society A Critical Assessment Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Russian Civil Society A Critical Assessment is one of the best book in our library for free trial. We provide copy of Russian Civil Society A Critical Assessment in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Russian Civil Society A Critical Assessment. Where to download Russian Civil Society A Critical Assessment online for free? Are you looking for Russian Civil Society A Critical Assessment PDF? This is definitely going to save you time and cash in something you should think about. If you trying to find then search around for online. Without a doubt there are numerous these available and many of them have the freedom. However without doubt you receive whatever you purchase. An alternate way to get ideas is always to check another Russian Civil Society A Critical Assessment. This method for see exactly what may be included and adopt these ideas to your book. This site will almost certainly help you save time and effort, money and stress. If you are looking for free books then you really should consider finding to assist you try this. Several of Russian Civil Society A Critical Assessment are for sale to free while some are payable. If you arent sure if the books you would like to download works with for usage along with your computer, it is possible to download free trials. The free guides make it easy for someone to free access online library for download books to your device. You can get free download on free trial for lots of books categories. Our library is the biggest of these that have literally hundreds of thousands of different products categories represented. You will also see that there are specific sites catered to different product types or categories, brands or niches related with Russian Civil Society A Critical Assessment. So depending on what exactly you are searching, you will be able to choose e

books to suit your own need. Need to access completely for Campbell Biology Seventh Edition book? Access Ebook without any digging. And by having access to our ebook online or by storing it on your computer, you have convenient answers with Russian Civil Society A Critical Assessment To get started finding Russian Civil Society A Critical Assessment, you are right to find our website which has a comprehensive collection of books online. Our library is the biggest of these that have literally hundreds of thousands of different products represented. You will also see that there are specific sites catered to different categories or niches related with Russian Civil Society A Critical Assessment So depending on what exactly you are searching, you will be able to choose ebook to suit your own need. Thank you for reading Russian Civil Society A Critical Assessment. Maybe you have knowledge that, people have search numerous times for their favorite readings like this Russian Civil Society A Critical Assessment, but end up in harmful downloads. Rather than reading a good book with a cup of coffee in the afternoon, instead they juggled with some harmful bugs inside their laptop. Russian Civil Society A Critical Assessment is available in our book collection an online access to it is set as public so you can download it instantly. Our digital library spans in multiple locations, allowing you to get the most less latency time to download any of our books like this one. Merely said, Russian Civil Society A Critical Assessment is universally compatible with any devices to read.
