Russian Economy:

The Russian Economy: A Very Short Introduction Richard Connolly, 2020-07-23 Russia today is as prominent in international affairs as it was at the height of the Cold War Yet the role that the economy plays in supporting Russia's position as a great power on the international stage is poorly understood For many Russia's political influence far exceeds its weight in the global economy However Russia is one of the largest economies in the world it is not only one of the world's most important exporters of oil and gas but also of other natural resources such as diamonds and gold Its status as one of the largest wheat and grain exporters shapes commodity prices across the globe while Russia's enormous arms industry second only to the United States provides it with the means to pursue an increasingly assertive foreign policy All this means that Russia's economy is crucial in serving the country's political objectives both within Russia and across the world Russia today has a distinctly political type of economy that is neither the planned economy of the Soviet era nor a market based economy of the Euro Atlantic variety Instead its economic system is characterised by a unique blend of state and market control and freedom and natural resources alongside human ingenuity The Russian Economy A Very Short Introduction introduces readers to the dimensions of the Russian economy that are often ignored by the media and public figures or exaggerated and misunderstood In doing so it shows how Russia's economy is one of global significance and helps explain why many of Russia's enduring features such as the heavy hand of the state and the emphasis on military industrial production have persisted despite the immense changes that took place after the disintegration of the Soviet Union in 1991 ABOUT THE SERIES The Very Short Introductions series from Oxford University Press contains hundreds of titles in almost every subject area These pocket sized books are the perfect way to get ahead in a new subject quickly Our expert authors combine facts analysis perspective new ideas and enthusiasm to make interesting and challenging topics highly readable [The Contemporary Russian Economy](#) Marek Dabrowski, 2023-01-01 This textbook offers a wide ranging comprehensive analysis of the contemporary Russian economy as it functions in the early 2020s concentrated on the economy economic policy and economic governance Chapters cover recent Russian economic history the economic geography of Russia natural resources population major sectors and industries living standards and social policy institutions governance economic policy and Russia's role in the global economy The book will provide a comparative cross country context analysing how the Russian economy and its institutions perform compared to its peers to help students and instructors understand Russia's strengths weaknesses and future challenges Prepared by a team of leading Russian and international experts on the respective topics this textbook will be of interest to those studying Russian economics It will be valuable reading for undergraduate and graduate students of Russian studies the Russian economy Russian politics the economics of transition the economics of emerging markets and international relations **The New Political Economy of Russia** Erik Berglof, Andrei Kunov, Julia Shvets, Ksenia Yuaeva, 2003-06-06 An analysis of the challenges facing Russia's economy ten years after the transition based on recent

research and data Can Russia's recent burst of economic growth be sustained Taking a comprehensive look at the economic and political regime shift from Yeltsin to Putin this book explores the key challenges facing the Russian economy to narrow the productivity gap between Russian and Western firms and industries to attract more domestic and foreign investment and underlying these goals to implement the judicial administrative social and banking reforms necessary to future growth Written by a team of researchers from the Center for Economic and Financial Research a Moscow based independent think tank the book draws on a wealth of new research and data The authors emphasize the need to strengthen the protection of property rights restructure the banking sector and reduce government officials powers to intervene arbitrarily in private businesses They also stress the importance of enhancing human capital through educational reform and by reducing barriers to citizens geographical and sectoral mobility Considering political institutions the authors examine the promise and risks of the centralization of power around President Putin Finally they discuss the likely impact of Russia's greater integration into the world economy notably through its potential membership in the World Trade Organization [The Russian Economy](#) Richard Connolly, 2020 For many Russia's political influence far exceeds its weight in the global economy Richard Connolly demonstrates that in fact Russia's economy affords it global power and explores how its socialist past has shaped its economic system into a unique blend of state and market [The Oxford Handbook of the Russian Economy](#) Michael Alexeev, Shlomo Weber, 2013-07-18 This Handbook is the most comprehensive up to date study of the Russian economy available Russian and western authors analyze the current economic situation trace the impact of Soviet legacies and of post Soviet transition policies examine the main social challenges and propose directions for reforms **The Russian Economy under Putin** Torbjörn Becker, Susanne Oxenstierna, 2018-10-03 This book presents a comprehensive view of the state of the Russian economy under President Putin It considers the extent of Russia's integration in the world economy where Russia's exports of oil and gas are a key factor discusses Russia's internal challenges including changing demographics declining government revenue the need to counter over reliance on the oil and gas sector and the consequences of high military spending and assesses the prospects for economic reform highlighting especially the power struggles between different vested interests Overall the book provides a basis for understanding what has been going on in the Russian economy under President Putin and what the future may look like given the external environment internal challenges and reform processes *The Political Economy of Putin's Russia* Pekka Sutela, 2013-02-28 This book constitutes an up to date treatment of Russia's economic development and economic policies since 2000 when Vladimir Putin became the President of Russia After the slow decline and sudden collapse of the Soviet Union Russia embarked upon a multi faceted change This included transition from central management to a market economy from one party rule to democracy from multi national empire to nation state and from relative autarchy to opening up to the European and global communities This book concentrates on economic change exploring how in spite of steep production decline widening welfare differentials and increasing social uncertainty

the 1990s also created many of the institutional and policy preconditions for a functioning market economy

The Revolutionary Russian Economy, 1890-1940 Vincent Barnett, 2004-03-04 The pre revolutionary Russian economy was backward and stagnant Whatever the criticisms of the economy post revolution the turnaround in terms of growth and output was staggering This book looks at the alternatives to Stalin s reform program that had such tragic outcomes Applying the ideas of orthodox economic theory Marxism and also instituti

Corruption and the Russian Economy Yulia Krylova, 2018-04-17 Corruption and the Russian Economy examines why the number of entrepreneurs is declining so rapidly in contemporary Russia how many economic opportunities are being irrevocably lost each year because of administrative corruption and why entrepreneurship has become one of the most dangerous occupations in the country over the last decade Based on extensive research including in depth interviews with entrepreneurs and case studies it reveals a corrupt system of government agencies at both the regional and local levels and the increasing involvement of public officials in unlawful seizures of businesses One major conclusion is that the vast majority of informal payments by entrepreneurs to regulatory agencies are made not to achieve illegal advantages but rather to secure the property rights that they are entitled to under the law

The Russian Economy and Foreign Direct Investment Kari Liuhto, Sergei Sutyryn, Jean-Marc F. Blanchard, 2016-11-10 Before the recent Ukrainian crisis Russia was one of the main sources of foreign direct investment FDI outflow and one of the main targets of FDI inflow in the world However the events in the Ukraine the formation of the Eurasian Economic Union and China s growing interest in the Russian market and its natural resources have changed the picture completely This new book brings together an international group of contributors to present a timely and comprehensive analysis of FDI to and from Russia The book assesses the impact of the changed international political situation on foreign firms operating in Russia and explores how the new world context has affected Russian investments abroad The book also considers the future relationship between Russian corporations and the EU and the USA in light of recent events This book answers an array of key questions including how have investments from and to Russia developed in the last 100 years how are Russian businesses spreading to foreign countries through their indirect investments and how is the Russian Government influencing the investments of Russian businesses abroad This volume is of great interest to those who study international economics modern world economy and FDI as well as those interested in international investment movements and the changing role of Russia in international business and the global economy

Re-Examining the History of the Russian Economy Jeffrey K. Hass, 2018-06-14 This book explores the application of field theory patterns of interaction to Russian economic history and how social and political fields mediate the influences of institutions structures discourses and ideologies in the creation and dissemination of economic thinking theory and practice Using focused cases on Russia s economy from the mid nineteenth century to the present Hass and co authors expand the empirical basis of field studies to provide new material on Russian economic history The cases are divided into two complementary halves i The role

of fields of institutions discourses and structures in the development of Russian economic thought especially economic theories and discourses and ii The role of fields in the real adoption and implementation of policies in Soviet and Russian economic history With developed discussion of fields and field theory this book moves beyond sociology to demonstrate to other disciplines the relation of fields and field theory to other frameworks and methodological considerations for field analysis as well as providing new empirical insights and narratives not as well known abroad Studies in the Russian Economy before 1914 Olga Crisp,1976-01-01 The Role of Women in Rebuilding the Russian Economy Monica S. Russian Economy Introduction

In today's digital age, the availability of Russian Economy books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Russian Economy books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Russian Economy books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Russian Economy versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Russian Economy books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Russian Economy books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Russian Economy books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural

artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Russian Economy books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Russian Economy books and manuals for download and embark on your journey of knowledge?
