Russian Journey:

A Russian Journey Edna Dean Proctor, 1873 *A Russian Journey* Edna Dean Proctor, 1871 **A Russian Journey: from Suzdal to Samarkand** Alaric Jacob, 1969 **Russian Economic Reform** Jim Leitzel, 1995 Focuses on the actual pre reform conditions including the widespread private informal economic activity **Russian Economic Reform** James Leitzel, 2005-06-22 Transitions from socialism to capitalism are complex both in theory and practice Russian Economic Reform enables the reader to come to a much better understanding of these momentous changes by providing a clear and accessible account of the major features of transition It argues that attempts to portray the reform process as a disaster are misconceived because they fail to take account of just how badly the pre reform economy was doing Many of the problems that are emerging now have their antecedents in the earlier economic system **Russian Odyssey** Nancy Seifer, 2003-06-18 Russian Odyssey is the story of a seeker whose quest leads her back to the unfinished business of a previous lifetime Unaware of her soul's hidden agenda she first visits the Soviet Union as a citizen diplomat While there she is inspired to write a book about the Soul of Russia Through the ensuing interplay between her own soul and the Russian soul during the 1990s she ultimately discovers the purpose of her life's journey Russian Odyssey is the outcome of her decade long struggle It is an honest book about the challenges faced by seekers of Truth on the threshold of the Aquarian Age *Rilke's Russia* Anna A. Tavis, 1994 Explores the biographical and textual evidence of Russia's importance in shaping the writer Rainer Maria Rilke's aesthetic perception During Rilke's two trips to Russia at the turn of the century he made connections with a number of important artists including Leo Tolstoy and Nikolai Leskov and the author traces the impact of these meetings and other experiences in Russia upon Rilke's writing Annotation copyright by Book News Inc Portland OR *Iranian-Russian Encounters* Stephanie Cronin, 2013 Over the past two hundred years encounters between Iran and Russia have been both rich and complex This book explores the myriad dimensions of the Iranian Russian encounter during a dramatic period which saw both Iran and Russia subject to revolutionary upheavals and transformed from multinational dynastic empires typical of the nineteenth century to modernizing authoritarian states typical of the twentieth The collection provides a fresh perspective on traditional preoccupations of international relations wars and diplomacy the hostility of opposing nationalisms the Russian imperial menace in the nineteenth century and the Soviet threat in the twentieth Going beyond the traditional this book examines subaltern as well as elite relations and combines a cultural social and intellectual dimension with the political and diplomatic In doing so the book seeks to construct a new discourse which contests the notion of an implacable enmity between Iran and Russia Bringing together leading scholars in the field this book demonstrates extensive use of family archives Iranian Russian and Caucasian travelogues and memoirs and newly available archives in both Iran and the countries of the former Soviet Union Providing essential background to current international tensions this book will be of particular use to students and scholars with an interest in the Middle East and Russia **Transnational**

Russian-American Travel Writing Margarita Marinova, 2012-05-22 In this study Marinova examines the diverse practices of crossing boundaries tactics of translation and experiences of double and multiple political and national attachments evident in texts about Russo American encounters from the end of the American Civil War to the Russian Revolution of 1905 Marinova brings together published writings archival materials and personal correspondence of well or less known travelers of diverse ethnic backgrounds and artistic predilections from the quintessential American Mark Twain to the Russian Jewish ethnographer and revolutionary Vladimir Bogoraz from masters of realist prose such as the Ukrainian born Vladimir Korolenko and the Jewish Russian American Abraham Cahan to romantic wanderers like Edna Proctor Isabel Hapgood or Grigorii Machtet By highlighting the reification of problematic stereotypes of ethnic and racial difference in these texts Marinova illuminates the astonishing success of the Cold War period's rhetoric of mutual hatred and exclusion and its continuing legacy today
