Songs of Cossack Lover Patriot and Peasant To the Reader The translations in this little collection make no pretension to being more than an effort to share the delight found in them from which most of the world is debarred by the difficulty of the language in which they are written They have been chosen at random each for some intrinsic charm or because of its bearing upon some peculiar phase of the author Very few of the lyrics of Pushkin have been included for the reason that the great founder of Russian poetry has been more widely translated than any other Russian poet and is therefore available in several languages Remembering always that Heine declared translation was betrayal the rhyme and smoothness have in every case been sacrificed when necessary to preserve the exact rhythm and as far as possible the vigour and colour as well as thought of the original a task entirely beyond me save for the co operation of an accomplished Russian linguist who has kindly assisted in the literal translation of every poem here presented About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

A Cossack Lover Martha Dickinson Bianchi, 1911 [Bulletin of the Rosenberg Library](#) Rosenberg Library, 1910 Includes the library's annual reports for 1909 [Russian Folk Lyrics](#) Roberta

Reeder,1993-02-22 Propp s essay in Russian Folk Lyrics extends beyond the formalistic analysis of folklore outlined in his classic *The Morphology of the Folktale* In this study newly translated by Roberta Reeder Propp considers the Russian folk lyric in the social and historical context in which it was produced Reeder supplements Propp s theoretical presentation with a comprehensive anthology of examples Some songs were imitated by or appear in the works of Russia s major writers such as Pushkin and Nekrasov Here we find the customs of Russian peasant life expressed through the ritual of song Whether the songs are about love labor or children s games whether they are sad humorous or satiric in tone Russian folk lyrics are rich in metaphor and symbolic meaning In addition to the editor s notes to the text and songs Reeder supplies a bibliography of Propp s sources as well as an extensive selected bibliography **Reader's Adviser and Bookman's Manual** ,1921

Bookman's Manual Bessie Graham,1921 *The Bookman's Manual* Bessie Graham,1924 *News Notes of California Libraries* California State Library,1911 Vols for 1971 include annual reports and statistical summaries **Co-operative Bulletin** Pratt Institute. Library,1917 *The Hesperian* ,1915 *The Publishers Weekly* ,1911 *Beautiful China* Lina Unali,2016-08-17 This volume discusses the centuries old familiarity between Europe and China It explores the European nations admiration for the distant Asian country and their attempt at capturing the meaning of its ancient culture and language *Bulletin [1908-23]* Boston Public Library,1916 **Worcester Library Bulletin** Free Public Library (Worcester, Mass.),1909
