Russian Poetry A Personal Anthology:

Russian Poetry R. A. Ford, 1995 **Contemporary Russian Poetry** Евгений Бунимович, J. Kates, 2008 Prominent Moscow poet Evgeny Bunimovich selected representative work from forty four living Russian poets born after 1945 to be translated and published in this bilingual edition The collection ranges from the mordant post Soviet irony of Igor Irteniev to the fresh voices of poets like Marianna Geide and Anna Russ young women just beginning to make themselves heard The book includes the work of Booker Prize winner Sergey Gandlevsky and several winners of the Andrey Bely Prize and Brodsky Fellowships Most of these poems and many of the poets have previously been unpublished in the West

Twentieth-Century Russian Poetry Katharine Hodgson, Joanne Shelton, Alexandra Smith, 2017-04-21 The canon of Russian poetry has been reshaped since the fall of the Soviet Union A multi authored study of changing cultural memory and identity this revisionary work charts Russia's shifting relationship to its own literature in the face of social upheaval Literary canon and national identity are inextricably tied together the composition of a canon being the attempt to single out those literary works that best express a nation's culture This process is of course fluid and subject to significant shifts particularly at times of epochal change This volume explores changes in the canon of twentieth century Russian poetry from the 1991 collapse of the Soviet Union to the end of Putin's second term as Russian President in 2008 In the wake of major institutional changes such as the abolition of state censorship and the introduction of a market economy the way was open for wholesale reinterpretation of twentieth century poets such as Iosif Brodskii Anna Akhmatova and Osip Mandelstam their works and their lives In the last twenty years many critics have discussed the possibility of various coexisting canons rooted in official and non official literature and suggested replacing the term Soviet literature with a new definition Russian literature of the Soviet period Contributions to this volume explore the multiple factors involved in reshaping the canon understood as a body of literary texts given exemplary or representative status as classics Among factors which may influence the composition of the canon are educational institutions competing views of scholars and critics including figures outside Russia and the self canonising activity of poets themselves Canon revision further reflects contemporary concerns with the destabilising effects of emigration and the internet and the desire to reconnect with pre revolutionary cultural traditions through a narrative of the past which foregrounds continuity Despite persistent nostalgic yearnings in some quarters for a single canon the current situation is defiantly diverse balancing both the Soviet literary tradition and the parallel contemporaneous literary worlds of the emigration and the underground Required reading for students teachers and lovers of Russian literature Twentieth Century Russian Poetry brings our understanding of post Soviet Russia up to date Reading and Writing Poetry with Teenagers Fredric Lown, Judith W. Steinbergh, 1996 This versatile volume combines examples of poetry from historical and contemporary masters with high school writing Each chapter contains poems for reading aloud poems for discussion models for writing exercises samples of student poems and a bibliography for extended reading Many teachers use Reading and

Writing Poetry with Teenagers across disciplines Writing exercises include Animals as Symbols Family Portraits in Words Of War and Peace Writing Song Lyrics as an Expression of Social Protest *Canadian Poetry 1920 to 1960*, 2010-03-30 The best in four decades of exceptional Canadian poetry now in a limited hardcover edition The poets in this anthology all of whom matured creatively between 1920 and 1960 considered it one of their primary obligations to modernize Canadian writing to bring the country's poetry out of late Romantic stasis after the Great War into a fertile and combative response to the cultural political technological philosophical religious and economic conditions of the modern era In their common reaction against Romanticism and in their commitments to modern poetry's possibilities of profound newness the poets in this volume make up one great movement in Canada's cultural history The anthology includes 250 poems by 44 poets Regionally diverse voices from Newfoundland the Maritimes Quebec Ontario the Prairies and B C Extensive selections of the work of major poets An afterword and biographical headnotes provide important historical and literary context The poets included in *Canadian Poetry from 1920 to 1960* are Frank Oliver Call Louise Morey Bowman Raymond Knister Joe Wallace E J Pratt W W E Ross F R Scott A J M Smith Charles Bruce Earle Birney A M Klein Dorothy Livesay Leo Kennedy Audrey Alexandra Brown Kenneth Leslie Robert Finch Floris Clark McLaren L A Mackay Anne Marriott Bertram Warr Patrick Anderson P K Page Kay Smith Miriam Waddington Margaret Avison A G Bailey Louis Dudek John Glassco Ralph Gustafson Raymond Souster Irving Layton Roy Daniells Douglas LePan George Whalley James Reaney Elizabeth Brewster George Johnston Goodridge MacDonald Jay MacPherson Anne Wilkinson Phyllis Webb Wilfred Watson R A D Ford Eldon Grier

The Constant Diplomat Charles A. Ruud, 2009-09-01 Robert A D Ford had a distinguished diplomatic career that included an unprecedented sixteen years as Canadian ambassador to the Soviet Union during some of the most turbulent and important years of the Cold War 1964-80 Relying heavily on first person testimony including several interviews with Ford himself Charles Ruud takes the reader behind the official announcements revealing Ford's thoughts and actions as he dealt with what was then seen as the great arch enemy of Western democratic nations During his tenure as ambassador Ford was in frequent contact with Moscow's rulers and aware of their struggles hopes plans and fears Although they appeared powerful Ford insisted that they sat uneasily on their Kremlin thrones He showed their shortcomings and the flaws of their system at moments of apparent triumph and warned against miscalculating their strength Shaped by centuries of Russian tsarism and by Communist ideology Soviet leaders distrusted the world outside their borders and often failed to understand it making mistakes and then compounding them always without acknowledgment The Constant Diplomat uncovers the experiences that informed Ford's capacity to understand the Russians and provides a clear picture of the evolving Soviet domestic political social and cultural scene from the late Stalin era through to the end of the Brezhnev regime

The Canadian Encyclopedia James H. Marsh, 1999 This edition of The Canadian Encyclopedia is the largest most comprehensive book ever published in Canada for the general reader It is COMPLETE every aspect of Canada from its rock formations to its rock bands is represented here It is UNABRIDGED all of the information in the four red volumes of the famous 1988 edition is contained here in this single volume It has been EXPANDED since 1988 teams of researchers have been diligently fleshing out old entries and recording new ones as a result the text from 1988 has grown by 50% to over 4 000 000 words It has been UPDATED the researchers and contributors worked hard to make the information as current as possible Other words apply to this extraordinary work of scholarship AUTHORITATIVE RELIABLE and READABLE Every entry is compiled by an expert Equally important every entry

is written for a Canadian reader from the Canadian point of view The finished work many years in the making and the equivalent of forty average sized books is an extraordinary storehouse of information about our country This book deserves pride of place on the bookshelf in every Canadian Home It is no accident that the cover of this book is based on the Canadian flag For the proud truth is that this volume represents a great national achievement From its formal inception in 1979 this encyclopedia has always represented a vote of faith in Canada in Canada as a separate place whose natural worlds and whose peoples and their achievements deserve to be recorded and celebrated At the start of a new century and a new millennium in an increasingly borderless corporate world that seems ever more hostile to national distinctions and aspirations this Canadian Encyclopedia is offered in a spirit of defiance and of faith in our future The statistics behind this volume are staggering The opening sixty pages list the 250 Consultants the roughly 4 000 Contributors all experts in the field they describe and the scores of researchers editors typesetters proofreaders and others who contributed their skills to this massive project The 2 640 pages incorporate over 10 000 articles and over 4 000 000 words making it the largest some might say the greatest Canadian book ever published There are of course many special features These include a map of Canada a special page comparing the key statistics of the 23 major Canadian cities maps of our cities a variety of tables and photographs and finely detailed illustrations of our wildlife not to mention the colourful informative endpapers But above all the book is encyclopedic which the Canadian Oxford Dictionary describes as embracing all branches of learning This means that with rare exceptions there is satisfaction for the reader who seeks information on any Canadian subject From the first entry A mari usque ad mare from sea to sea which is Canada's motto and a good description of this volume's range to the Zouaves who mustered in Quebec to fight for the beleaguered Papacy there is the required summary of information clearly and accurately presented For the browser the constant variety of entries and the lure of regular cross references will provide hours of fascination The word encyclopedia derives from Greek expressions alluding to a grand circle of knowledge Our knowledge has expanded immeasurably since the time that one mind could encompass all that was known Yet now Canada's finest scientists academics and specialists have distilled their knowledge of our country between the covers of one volume The result is a book for every Canadian who values learning and values Canada

A Sociological Approach to Poetry Translation Jacob S. D. Blakesley, 2018-10-31 This volume provides an in depth comparative study of translation practices and the role of the poet translator across different countries and in so doing demonstrates the need for poetry translation to be extended beyond close reading and situated in context Drawing on a

corpus composed of data from national library catalogues and Worldcat the book examines translation practices of English language French language and Italian language poet translators through the lens of a broad sociological approach Chapters 2 through 5 look at national poetic movements literary markets and the historical and socio political contexts of translations with Chapter 6 offering case studies of prominent and representative poet translators from each tradition A comprehensive set of appendices offers readers an opportunity to explore this data in greater detail Taken together the volume advocates for the need to study translation data against broader aesthetic historical and political trends and will be of particular interest to students and scholars in translation studies and comparative literature **Journal of Canadian Poetry** ,1984 **The**

Other-Conscious Ethics of Innovative Black Poetry Grant Matthew Jenkins,2024-11-04 This monograph identifies and investigates the other conscious ethics in black avant garde poetry since the 1980s Drawing on a long tradition in the African Diaspora of ethical writings that put the Other first this work shows how black poets writing in an avant garde or experimental vein in the United States push language to its limits to reveal how poetry can address and exemplify ethical postures towards other people This other centered vantage allows the poets to incisively comment on some of this period s most pressing ethical issues including postcolonial and racialized violence the history of slavery and segregation in America and the expansion of human consciousness The writers involved in this study include Nathaniel Mackey Erica Hunt Will Alexander Harryette Mullen and Mark McMorris
