Shylock's Children Derek Jonathan Penslar,2001-07 Throughout much of European history Jews have been strongly associated with commerce and the money trade rendered both visible and vulnerable like Shakespeare s Shylock by their economic distinctiveness Shylock s Children tells the story of Jewish perceptions of this economic difference and its effects on modern Jewish identity Derek Penslar explains how Jews in modern Europe developed the notion of a distinct Jewish economic man an image that grew ever more complex and nuanced between the eighteenth and twentieth centuries

The Jewish Enlightenment Shmuel Feiner,2011-08-17 At the beginning of the eighteenth century most European Jews lived in restricted settlements and urban ghettos isolated from the surrounding dominant Christian cultures not only by law but also by language custom and dress By the end of the century urban upwardly mobile Jews had shaved their beards and abandoned Yiddish in favor of the languages of the countries in which they lived They began to participate in secular culture and they embraced rationalism and non Jewish education as supplements to traditional Talmudic studies The full participation of Jews in modern Europe and America would be unthinkable without the intellectual and social revolution that was the Haskalah or Jewish Enlightenment Unparalleled in scale and comprehensiveness The Jewish Enlightenment reconstructs the intellectual and social revolution of the Haskalah as it gradually gathered momentum throughout the eighteenth century Relying on a huge range of previously unexplored sources Shmuel Feiner fully views the Haskalah as the Jewish version of the European Enlightenment and as such a movement that cannot be isolated from broader eighteenth century European traditions Critically he views the Haskalah as a truly European phenomenon and not one simply centered in Germany He also shows how the republic of letters in European Jewry provided an avenue of secularization for Jewish society and culture sowing the seeds of Jewish liberalism and modern ideology and sparking the Orthodox counterreaction that culminated in a clash of

cultures within the Jewish community The Haskalah's confrontations with its opponents within Jewry constitute one of the most fascinating chapters in the history of the dramatic and traumatic encounter between the Jews and modernity The Haskalah is one of the central topics in modern Jewish historiography With its scope erudition and new analysis The Jewish Enlightenment now provides the most comprehensive treatment of this major cultural movement Rewriting the Jew Gabriella Safran, 2002-01-01 In the Russian Empire of the 1870s and 1880s while intellectuals and politicians furiously debated the Jewish Question more and more acculturating Jews who dressed spoke and behaved like non Jews appeared in real life and in literature This book examines stories about Jewish assimilation by four authors Grigory Bogrov a Russian Jew Eliza Orzeszkowa a Polish Catholic and Nikolai Leskov and Anton Chekhov both Eastern Orthodox Russians Safran introduces the English language reader to works that were much discussed in their own time and she situates Jewish and non Jewish writers together in the context they shared For nineteenth century writers and readers successful fictional characters were types literary creations that both mirrored and influenced the trajectories of real lives Stories about Jewish assimilators and converts often juxtaposed two contrasting types the sincere reformer or true convert who has experienced a complete transformation and the secret recidivist or false convert whose real loyalties will never change As Safran shows writers borrowed these types from many sources including the novel of education produced by the Jewish enlightenment movement the Haskalah the political rhetoric of Positivist Polish nationalism the Bible Shakespeare and Slavic folk beliefs Rewriting the Jew casts new light on the concept of type itself and on the question of whether literature can transfigure readers The classic story of Jewish assimilation describes readers who redesign themselves after the model of fictional characters in secular texts The writers studied here though examine attempts at Jewish self transformation while wondering about the reformability of personality In looking at their works Safran relates the modern Eastern European Jewish experience to a fundamental question of aesthetics Can art change us

Bialik, the Hebrew Bible and the Literature of Nationalism David Aberbach, 2023-05-25 This book explores the life and poetry of Chaim Nachman Bialik 1873 1934 in the context of European national literature between the French Revolution and World War I showing how he helped create a modern Hebrew national culture spurring the revival of Hebrew as a spoken language The author begins with Bialik's background in the Tsarist Empire contextualizing Jewish powerlessness in Eastern Europe in the late nineteenth century As European anti-Semitism grew Bialik emerged at the vanguard of a modern Hebrew national movement building on ancient biblical and rabbinic tradition and speaking to Jewish concerns in neo prophetic poems love poems poems for children and folk poems This book makes accessible a broad but representative selection of Bialik's poetry in translation Alongside this a variety of national poets are considered from across Europe including Solomos in Greece Mickiewicz in Poland Shevchenko in Ukraine Njego in Serbia Pet fi in Hungary and Yeats in Ireland Aberbach argues that Bialik as Jewish national poet cannot be understood except in the dual context of ancient Jewish nationalism and modern European nationalism both political and cultural Written

in clear and accessible prose this book will interest those studying modern European nationalism Hebrew literature Jewish history and anti-Semitism
