Russia's Balkan Entanglements, 1806-1914 Barbara Jelavich, 2004-03-11 This book examines the reason for the Russian involvement in the Balkan peninsula

Russia's Balkan Entanglements, 1806-1914 Barbara Jelavich, 1991 In the century between 1806 and 1914 tsarist Russia was drawn into five wars due to its deep involvement based on treaty rights and established traditions in Balkan affairs This book examines the reason for the Russian involvement in the Balkan peninsula and attempts to explain at least partially the connection that drew the Russian government into entanglements that were not only dangerous to its great power interests but that were difficult to control The wars waged at a high human and economic cost limited the resources that could be spent on internal development and in particular when they ended in defeat led to domestic unrest and after 1856 and 1917 to drastic internal change

Imperial Russian Foreign Policy Hugh Ragsdale, V. N. Ponomarev, 1993-10-29 Imperial Russian Foreign Policy aims to demythologise a field hitherto dominated by suspicions of diabolical cunning inscrutable motives and international plots using unseen forces of the gigantic fear inspiring empire of the tsar The contributors leading historians from both Russia and the West examine Imperial foreign policy from its origins to the October Revolution revealing a policy that as in other countries had a complex of motives commerce nationalism the interests of various social groups but an unusual origin coming almost exclusively from the entourage of the tsar The work is based largely on original research in Soviet archives which only became possible after Soviet glasnost

The Eastern Question in 1870s Britain Leslie Rogne

Schumacher,2023-09-30 This book examines mid Victorian discourse on the expansion of the British Empire s role in the Middle East It investigates how British political leaders journalists and the general public responded to events in the Ottoman Empire which many if not most people in Britain came to see as trudging towards inevitable chaos and destruction Although this Eastern Question on a post Ottoman future was ostensibly a matter of international politics and sometimes conflict this study argues that the ideas underpinning it were conceived shaped and enforced according to domestic British attitudes In this way this book presents the Eastern Question as as much a British question as one related in any way to the Ottoman Empire Particularly in the crucial decade of the 1870s debates in Victorian society on the Eastern Question served as proxies for other pressing issues of the day including electoral reform changing religious attitudes public education and the costs of maintaining Britain s empire This book offers new perspectives on the Eastern Question s relationship to these trends in Victorian society culture and politics highlighting its significance in understanding Britain s imperial programme more widely in the second half of the nineteenth century

War in the Balkans James Pettifer,Tom Buchanan,2015-11-20

The history of the Balkans incorporates all the major historical themes of the 20th Century the rise of nationalism communism and fascism state sponsored genocide and urban warfare Focusing on the centuries opening decades War in the Balkans seeks to shed new light on the Balkan Wars through approaching each regional and ethnic conflict as a separate actor before placing them in a wider context Although top down Great Powers historiography is often used to describe the beginnings of the World War I not enough attention has been paid to the events in the region in the years preceding the Archduke Ferdinand s assassination The Balkan Wars saw the defeat of the Ottoman Empire the end of the Bulgarian Kingdom then one of the most powerful military countries in the region an unprecedented hardening of Serbian nationalism the swallowing up of Slovenes Croats and Slovaks in a larger Balkan entity and thus set in place the pattern of border realignments which would become familiar for much of the twentieth century

How Russia Lost Bulgaria, 1878-1886

Mikhail S. Rekun,2018-11-23 How Russia Lost Bulgaria looks at the rapid breakdown in Russo Bulgarian relations in the years following the Russian liberation of Bulgaria in the Russo Turkish War of 1877 1878 Initially the Russian Empire and the

Principality of Bulgaria were close allies bound together by sentiment by geopolitical reality and by strong administrative links the Bulgarian Minister of War was a Russian general on detached duty from the Imperial Army to pick just one example Yet by 1886 only eight years later relations degenerated to such a point that a Russian backed coup overthrew the Bulgarian monarch The two countries would cut diplomatic relations for years How Russia Lost Bulgaria argues that the behavior of Russian military and diplomatic agents in Bulgaria caused this rapid turnabout These agents acted in a tactless obnoxious fashion that offended the pride and sensibilities of both local Bulgarian politicians and of the German born Russian appointed Prince Alexander von Battenberg Having a Russian Consul General refer to the leader of Bulgaria s majority party as an unwashed uncombed country bumpkin did not improve relations certainly But to write off Russia s agents in Bulgaria as bunglers and imbeciles is neither accurate nor intellectually satisfying Underlying their actions is the fact that the Russian Ministry of Foreign Affairs was a weak and disorganized institution and it failed to either develop a coherent policy approach to relations with Bulgaria or to force its agents to carry out an approach once it was developed Left to their own devices Russian agents in Bulgaria fell back on their own ideas of how to advance the Russian Empire s position and in so doing they drove Russia s relationship with a vital client state straight into the ground The Cambridge History of Russia: Volume 2, Imperial Russia, 1689-1917 Maureen Perrie,D. C. B. Lieven,Ronald Grigor Suny,2006-08-17 A definitive new history of Russia from early Rus to the collapse of the Soviet Union
