Gunsmoke Express Gillian F Taylor, 2019-06-01 Thanks to a tip off Sheriff Alec Lawson and his deputies fight and capture the notorious outlaw Saul York But the trouble doesn't end there Alec falls desperately ill and when he recovers he finds that York's lawyer has got him out on bail Although still weakened by his illness Alec is determined to get back to work He soon finds himself in the action again but fatigue leads to a terrible mistake and he begins to doubt his abilities Will his frailty endanger his friends York is still out there somewhere protected by his ambitious lawyer When York becomes his prime suspect in a murderous robbery Alec Lawson must push himself to close the net on the elusive outlaw He'll have to face down a lynch mob the killer outlaw and his own doubts to get the job done whatever the cost to himself **Range Rustlers G**

Mitchell, 2017-04-01 Tad Strong had made a bold attempt to capture the outlaw king in his own domain Everything had gone dreadfully wrong Now he was pinned down surrounded and hopelessly outnumbered Tad retreated to the wall propping himself against it He was suddenly overwhelmed with the constant barrage of bullets splintering wood shattering objects pounding a relentless cacophony of his certain and impending doom He realized with a rush the enormous stupidity of thinking he could slip into Bligh's stronghold take him out and escape At least he would die thinking of Becky and the feel of her lips against his There was no further sense in even trying to prolong the inevitable There were too many Bligh was dead but in everything else he had failed He sighed in resignation leaned his head back against the wall and waited for the bullet that would end it

Blood Bond William W. Johnstone, 2018-01-30 Two friends one white and one Cheyenne must choose sides as frontier tensions built to the Battle of Little Bighorn in this historical Western Young Matt Bodine and Sam Two Wolves became blood brothers on the day the rancher's son saved the Native American boy's life Beneath the Montana sky Matt learned the ways of the Cheyenne from his friend And as years passed a legend grew of the Indian and the white man who rode together and who could draw killing iron with the best of them Now tensions are high in the territory thanks to Lone Dog and his renegades scalping settlers by the dozen Meanwhile greedy rancher Tom Thomas is recruiting an army of gunhawks to steal Indian land And with General Custer and his men riding toward the Little Big Horn River it seems Bodine and Two Wolves will have to choose sides Because there will only be two kinds of folk in the battle that's brewing the kind that kill and the kind that die

Gunsmoke and Gold William W. Johnstone, 2018-06-26 Gunslingers and greed make dangerous bedfellows in this hoof pounding Western adventure from the USA Today bestselling author of Gunsight Crossing Young Matt Bodine and Sam Two Wolves became blood brothers on the day the rancher's son saved the warrior's life forging a bond no one could ever break And as years passed a legend grew of the Cheyenne and the white man who rode together and who could jerk killing iron with the best of them Gunsmoke and Gold In Dale Colorado any cowboy with good sense knows better than to step through the batwings of the Plowshare Saloon and any sheep herder crazy enough to belly up to the bar at the Red Dog is ordering the last taste of whiskey he'll ever lift to his lips The town of Dale is heading for an all out

war that will pit father against son and brother against brother Bodine and Two Wolves try to make both sides see reason but that fails when a bunch of hired night riders start scouring the countryside and putting notches on their six guns The blood brothers soon figure the cause of the trouble goes a hell of a lot deeper than the grass everyone's fighting over A battle's coming and they're about to be caught in the thick of it and in a storm of red hot lead Praise for the novels of William W Johnstone A rousing two-fisted saga of the growing American frontier Publishers Weekly on Eyes of Eagles There's plenty of gunplay and fast-paced action Curled Up with a Good Book on Dead Before Sundown
