Bantam's Louis L. Amour's Lost Treasures program with never before seen material from Louis and his son Beau L. Amour. It began with gold that had once belonged to Montezuma, stolen and cached in a church in Mexico; it was recovered by two army officers who fled north for the French settlements. Along the way, one stabbed the other to death. The remaining officer was eventually killed by Plains Indians, but he buried the treasure just before he died. Now Ronan Chantry, a handful of trappers and an Irish girl whose father was killed after telling her a few vague landmarks, are searching for the lost treasure. But they are not alone. The girl's uncle, Rafen Falvey, wants it too. Like Chantry, he is well educated, bold, and determined. Under different circumstances, the two men might have been friends. But in all likelihood, it wouldn't have made any difference. When it comes to gold, even friendship doesn't keep men from killing each other.

Louis L. Amour's Lost Treasures is a project created to release some of the author's more unconventional manuscripts from the family archives. In Louis L. Amour's Lost Treasures Volume 1, Beau L. Amour takes the reader on a guided tour through many of the finished and unfinished short stories, novels, and treatments that his father was never able to publish during his lifetime. L. Amour's never before seen first novel, *No Traveller Returns*, faithfully completed for this program, is a voyage into danger and violence on the high seas. These exciting publications will be followed by Louis L. Amour's Lost Treasures Volume 2. Additionally, many beloved classics will be rereleased with an exclusive Lost Treasures postscript featuring previously unpublished material, including outlines, plot notes, and alternate drafts. These postscripts tell the story behind the stories that millions of readers have come to know and cherish.
