The Burning Barn Richard Black, 2012-09 Speed Wilson and Hattie Willis Wilson answered their own calling during the civil war Arrested for harboring a Confederate recruiting officer Speed faced the prospect of military service against his conscience or leaving Hattie with six children and crops in the field Farmer Speed must play the surprising role of nurse to survive Gratiot Street Prison in Saint Louis Missouri while Hattie manages farm and family through a brutal winter Reunited their love is challenged by the death of a newborn and the tumult of the war still raging in border state Missouri **Away from My Mother's Watchful Eye** Jesse A. Mayfield, 2009-12-16 This is a coming of age story that chronicles my early years growing up in inner city Brooklyn New York amidst the turbulent racially and socially explosive 1960s The Civil Rights Movement was in full swing and while many older Negroes supported Dr Martin Luther King Jr and his calls for peaceful protests many young Negroes gravitated to a more militant and confrontational approach to winning freedom and equal treatment under the law for all Negroes Young people were constantly being called upon to be down with the revolution and encouraged to hate Whitey and to fear the Police in particular who were looked upon as an occupying force within the Negro community All of this was swirling around me as I struggled to just be a kid I certainly didn't hate anyone and my being

bussed to a White school only served to complicate things as I found myself eventually feeling trapped in my own community and walking a tightrope between two diverse cultures Surprisingly I found peace friendship and acceptance in the most unlikely of places My years in Sheepshead Bay Brooklyn were both character building and life changing and laid the foundation for my becoming the man that I am today This story is told through the eyes of a precocious and intelligent little boy and it s told with humor and love It is my hope that while you re reading this book you will get a strong sense of the love I had for my family my community and the new world of friendships that embraced me Being away from my mother s watchful eye offered me a newfound freedom but it also demanded that I grow up quickly keep my wits about me and utilize everything I d ever learned *A Splendid Wife* Amber Dermont,2012-12-18 This short story is excerpted from the upcoming collection of stories *Damage Control* by Amber Dermont to be published in March 2013 One by one the wives of Portsmouth Rhode Island are disappearing from Darling Vista Park Detective Mitchell Landry searches for the rhyme reason and meaning behind each of these disappearances by investigating their husbands and trying to find the missing connections between them But are there connections to be made or are these random similarities merely coincidences Who had the means motive and opportunity to steal the wives of Portsmouth What happened to them and more importantly why As Detective Landry delves deeper into the lives of these women he tries to makes sense of his own wife s suicide and wonders why some questions simply have no answer *Damage Control* Amber Dermont,2025-09-23 Dermont s short story collection which follows her debut novel *The Starboard Sea* 2012 demonstrates the author s versatility and sardonic humor Dermont delivers strong prose and intriguing characters who frequently defy stereotypical ideals the overall effect is a tight collection that takes the reader in unexpected often disconcerting directions Full of irony and contradictions this compilation of contemporary short stories is a worthwhile effort Kirkus Reviews A luminous collection of short stories focusing on privilege and entitlement from the bestselling author of *The Starboard Sea* *Damage Control* displays Amber Dermont s remarkable gift for portraying characters at crossroads In Lyndon a daughter visits presidential landmarks following the death of her father In *Damage Control* a young man works at an etiquette school while his girlfriend is indicted for embezzlement A widow rents herself to elderly women and vacations with them as a professional grandchild in *Stella* at the Winter Palace And in *The Language of Martyrs* a couple houses a mail order bride on behalf of the husband s Russian mother Dermont s stories have previously been published in many literary magazines and have also been featured in anthologies edited by Jane Smiley and Dave Eggers *Damage Control* includes three previously unpublished pieces *The Christian Union* Henry Ward Beecher,1892
