**Righteous Religion** Kathleen Ritter,Craig O'Neill,2014-05-22 Why are so many individuals discouraged at spiritual dead ends even when they are active participants in their churches Righteous Religion exposes the authoritarian misuse of Christian teaching that often leaves its members ignored chastised or belittled This new book offers hope for anyone who has struggled with disillusionment in the face of an unbending religious system After unmasking a bewildering network of illusions that operate beneath the surface of Fundamentalism and dogmatic Catholicism the authors help readers find their own voices of truth This is a candid book that analyzes the grip of Fundamentalism and Catholicism on their respective followers despite financial and sexual scandals misuse of power and influence apparent hypocrisy and selective self righteousness of these two religious systems Using real life stories of ordinary people in ordinary churches Righteous Religion demonstrates that the efforts involved in maintaining illusions are incompatible with claiming a personal spiritual voice The authors discuss the relationship between the breakdown of erroneous notions and the growth that will involve readers in finding their own voice From the stories presented readers will see the journey progress from questioning previously unquestioned assumptions reclaiming the best out of their religious traditions and then transcending that which is no longer viable by grieving over illusions learning to live with paradox and transforming illusions into a new valid and spiritually personal religious truth As readers begin the journey of finding their own spiritual voice their experiences will be validated by the prose and stories in Righteous Religion Those outside of Fundamentalism and Catholicism can begin to understand the practices of these religious groups through the authors clear explanation of the dynamics and inner workings of creed bound Fundamentalism and Catholicism This book has appeal to anyone whether from within or outside religious tradition who has questioned the grip of Fundamentalism and Catholicism on individuals *Brand Jesus* Tyler Wigg Stevenson,2007-05-01 In this provocative book the author argues that American Christianity especially evangelicalism has been corrupted by the dominance of consumerism in modern life The church s mostly uncritical adoption of this secular condition has resulted in an idolatrous morphing of the message of Christ into just another brand With Brand Jesus Wigg Stevenson names the growing concern felt by many Christians at the commodification of their faith Using Paul s letter to the Romans as a starting point Wigg Stevenson reads the letter to today s church speaking to our consumerist situation through the parallels with Paul s Rome Though rooted unapologetically in a love for the church Brand Jesus does not shy away from provocative claims about the melding of Christian faith and consumer ideals the rise of market driven theology the blurring boundaries between the law and religion and other topics Wigg Stevenson describes the current situation of both church and society and issues a challenge to it When faith is a product for consumption how can the church be faithful to Christ as living Lord instead of as Brand Jesus **A Fatal Thing Happened on the Way to the Forum** Emma Southon,2021-03-09 An entertaining and informative look at the unique culture of crime punishment and killing in Ancient Rome In Ancient Rome all

the best stories have one thing in common murder Romulus killed Remus to found the city Caesar was assassinated to save the Republic Caligula was butchered in the theater Claudius was poisoned at dinner and Galba was beheaded in the Forum In one 50 year period 26 emperors were murdered But what did killing mean in a city where gladiators fought to the death to sate a crowd In A Fatal Thing Happened on the Way to the Forum Emma Southon examines a trove of real life homicides from Roman history to explore Roman culture including how perpetrator victim and the act itself were regarded by ordinary people Inside Ancient Rome s darkly fascinating history we see how the Romans viewed life death and what it means to be human

**The Irish Ecclesiastical Record** ,1929 Christian Guidebook for TMers James Altmaier,2014-06-14 This book was written for the Transcendental Meditator who is questioning whether their TM practice is compatible with the walk of a born again believer in Christ Jim Altmaier was a TM teacher for 18 years until 1990 he became a born again Christian in 1993 and began working as a pastor in 1997 He has planted three churches traveled to several countries to preach and help train pastors He has written three other books on the subject of spiritual growth In this book Jim shares his experience with TM and Maharishi He openly and candidly shows where and why the two paths are incompatible For those who are meditators and yet do not know much of the inner teachings of Maharishi this book will be an eye opener The hope is that these pages will serve as a beacon of light for your spiritual walk

Toward a New Civilization Arthur Blech,2005-09-06 Civilisation is a term used to describe a superior level of accomplishments of certain nations We humans are the cause of hazards to our existence created by overpopulation and environmental degradation We are the designers of an economy that favours the well to do to the detriment of the disadvantaged We are the contrivers of religious systems some of which are responsible for crimes committed by humans against humans and last but not least we are the instigators of mass slaughters resulting from wars fought in anger These acts bode ill for civilisation Humanity nevertheless possesses the capacity to free itself from some of the burdens imposed by the natural order We must discover that our welfare depends on the rejection of the natural order so as to be freed from the struggle for the survival of the fittest an order totally in conflict with morality For the aims of morality are antithetical to nature s imposed scheme of things reflecting the conflict between our aims and nature s designs From the Introduction

*Are You Not Entertained?* Lindsay Steenberg,2020-10-29 Anglo American culture is marked by a gladiatorial impulse a deep cultural fascination in watching men fight each other The gladiator is an archetypal character embodying this impulse and his brand of violent and eroticised masculinity has become a cultural shorthand that signals a transhistorical version of heroic masculinity Frequently the gladiator or celebrity fighter from the amphitheatres of Rome to the octagon of the Ultimate Fighting Championships is used as a way of insisting that a desire to fight and to watch men fighting is simply a part of our human nature This book traces a cultural interest in stories about gladiators through twentieth and twenty first century film television and videogames
