years in the making In this massive new biographical source running to a million words Brink does not spare himself or anyone else for that matter as he narrates the ups and downs of his five marriages and his compulsive affairs with a great number of women These are precisely the topics that the rebel in both politics and sex skated over in his memoir *A Fork in the Road* De Kock's biographical study of the author who came close to winning the Nobel Prize for Literature not only synthesises the journals but also subjects them to searching critical analysis In addition the biographer measures the journals against additional sources both scholarly and otherwise among them the testimony of Brink's friends family wives and lovers The *Love Song* of Andr P Brink subjects Brink's literary legacy to a bracing scholarly re evaluation making this major new biography a crucial addition to scholarship on Brink
