Thus, visits from celebrities or politicians were purposeful, a way to seek the endorsement of the black community as a whole. Brenner demonstrates that it was in opposition to French colonial authority that the first m dersas and voluntary associations appeared The complex array of power relations within which these institutions evolved under French colonial rule and in the postcolonial secularist state is revealed in this thoughtful book Controlling Knowledge makes a major contribution to our understanding of Muslim history in Mali and West Africa both in recent decades and over the long term **Urgent**
