Sabbath Sense A Spiritual Antidote For The Overworked:

Sabbath Sense Donna Schaper,1997 The reality of Sabbath as a day of rest has been lost in our busy society but the sense of Sabbath as spiritual leisure is very much needed in our time starved world Donna Schaper maintains that Sabbath moments are any moments that actively include the presence of God By presenting solutions to overwork Sabbath Sense is the perfect antidote to anxieties felt in two career families *The Sense of the Call* Marva J. Dawn,2006-02-21 In Keeping the Sabbath Wholly Dawn introduced the vital Sabbath aspects of resting ceasing feasting and embracing Now she expands these into a way of life for serving God and the Kingdom every single day of the week Practical Life **Sabbath Rest** Kevin Morgan,2002 For those who come from a Christian background the idea of Sabbath rest may be unfamiliar territory although it has become better known recently through a string of self help books on the subject but in our hectic stress filled world it is needed now more than ever and offers tremendous physical and spiritual benefits for all who are willing to put it into practice At a time in which many are feeling a greater need for God and giving church attendance higher priority Pastor Morgan had provided a well researched and accurate account of the roots of Sunday observance to assist those who want to place their faith on a solid biblical foundation Jack Blanco author and retired professor of theology **A Spirituality for Brokenness** Terry Taylor,2012-04-12 A gentle clear guide to finding hope and help in troubled days When you begin to understand what brokenness means you will be armed with information that empowers you to take the steps that can turn your leaden feelings into opportunities for health and happiness When you can accept and perhaps even celebrate your brokenness you can cease your endless search for healing and get on with your life scars and all from Chapter 1 We each have broken areas of our lives Whether from things that happen to us or as consequences of our own choices there are times and situations where our very souls feel fractured With wisdom and profound personal experience Terry Taylor guides you through a compassionate yet highly practical process of facing accepting and finally integrating your brokenness into your life a process that can ultimately bring mending He offers a clear eyed kindhearted method based on teachings and practices from many religious traditions including Ancient Christian practice of Lectio Divina to face our brokenness Tibetan practice of tonglen to generate compassion for ourselves Jewish tradition of Sabbath keeping to give us the space we need to mend Muslim practice of hajj pilgrimage to bring the journey full circle No matter your faith tradition you will find lovingkindness and wise counsel in this useful step by step guide to transforming these moments of supreme vulnerability into opportunities for reflection and spiritual growth *Beginning Again* Mary C. Earle,2004-10-01 A practical and spiritual guide to find God during times of health crisis or chronic disease In 1995 Mary Earle was hospitalized with acute pancreatitis When she was able to return home she still faced a long recovery She had to stay in bed most of the time and eating was difficult some days The busy life she had always known was gone and she had to begin again Like others who suffer from serious or chronic conditions Mary Earle found that living with illness can require major adjustments in life Using St Benedict s ancient Rule his

way of ordering the life and days of religious communities *Beginning Again* teaches readers how to discern a rule of life that helps them with changes in resting and activity levels with food restrictions and requirements for medicine or medical treatment The ancient Benedictine concepts of stability obedience and conversion can help anyone living with illness even those who are dying *Beginning Again* is a practical resource written for those who know little about St Benedict and his Rule of Life with exercises to help readers discover how to live with God at the center of their lives and illnesses It is useful for those living with illness and for clergy counselors and spiritual directors who care for them *The Call to the Soul* Marjory Zoet Bankson,2004-06-01 Each major life transition gives us a chance Bankson proposes to name what we are here for Using mythical archetypes biblical and personal stories she presents a revealing six stage soulwork cycle to help us find our calling A valuable resource for people seeking to nurture their spiritual growth individually in groups or with a spiritual director Includes a format for a soulwork retreat ***Wrestling the Light*** , Loder gives expression to the depths and joys of the human struggle in these intensely personal prayers complimented by six powerful stories *The Bible and Spiritual Disciplines* Holly W.
