you must at least withstand the strong wind for ten hours Today after Wu La finished cultivating the Nine Dragons Devouring the Sun the strong wind outside was still howling as before A thought flashed through Wu La s mind If I borrow the strong wind to cultivate my Shamanic power what effect will it have At the same time as Wu La cultivated the Nine Dragons Devouring the Sun he also continuously cultivated Shamanic power However he understood that greed is a deep thing so his main cultivation was still the Nine Dragons Devouring the Sun even if he continuously cultivated Shamanic power it would only be once a day not too much of a burden Today this idea came to him he also felt that he could give it a try However he was very careful after resting for a while swallowing a spirit pill adjusting his condition to the best then slowly closing his eyes allowing the Witch Power to fill his entire body
