The Law for Comic Book Creators Joe Sergi, 2015-02-13 Since the creation of the comic book cases of legal conflict and confusion have often arisen where concepts such as public domain unincorporated entities and moral rights are involved As a result comics creators are frequently concerned about whether they are protecting themselves There are many questions and no single place to find the answers that is until now Entertaining as it instructs this book seeks to provide those answers examining the legal history of comics and presenting information in a way that is understandable to everyone While not seeking to provide legal advice this book presents the legal background in plain English and looks at the stories behind the cases Every lawsuit has a story and every case has lessons to be learned As these lessons are explored the reader will learn the importance of contracts the basics of copyright and trademark the precautions necessary when working with public domain characters and the effects of censorship

The Makeover in Movies Elizabeth A. Ford, Deborah C. Mitchell, 2004-04-14 The plots of many films pivot on the moment when a dowdy girl with bad hair ill fitting outdated clothing and thick glasses is changed into an almost unrecognizable glamour girl Makeover scenes such as these are examined beginning with 1942's *Now Voyager* The study examines whether the film makeover is voluntary or involuntary whether it is always successful how much screen time it takes up where in the narrative structure it falls and how the scene is actually filmed Films with a Pygmalion theme such as *My Fair Lady* *Vertigo* and *Shampoo* are examined in terms of gender relations whether the man is content with his creation and what sort of woman is the ideal Some films publicity capitalizes on a glamorous star's choice to play an unattractive character as discussed in a chapter examining stars like Bette Davis Meryl Streep and Cameron Diaz Topics also include folk literature's Cinderella tale men as the inspiration for makeovers in teen flicks films like *Clueless* *She's All That* and *Me Natalie* and class repositioning in such movies as *Working Girl* *Pretty Woman* and *Grease* Photographs are presented in a before after format showing the change in the makeover character
