Sacramentality Of Marriage In A Dalit Context:

Sacramentality of Marriage in a Dalit Context James Amakatt, 2000 The central theme of this work is Sacrament of Marriage While it is dealt with in part II the context is presented in part I rendering flesh and blood to the theme Part III draws certain conclusions besides pointing towards future possibilities Though this work presents the context of the sacrament of marriage as lived and experienced in the diocese of Patna It is not hard to realise that it is relevant to wider areas especially in North India A graphic picture of the gradual process of missionary activities and the slow process of faith to the present day along with the findings of a survey occupies an appropriate place in this work The reader of this work is led through the evolution of Hindu ethos and dogma on marriage *Indian Books in Print*, 2003 *Educational Rehabilitation of Rag-picker Children in Seemapuri* Neeti Mahanti, 2005 Jigyansu Triba Research Centre Implemented a very successful and challenging project for Educational and Economic Rehabilitation of Rag Picker Children in the New Seemapuri Colony of Delhi for the past ten years with financial sponsorship from ILO India Office and Stitching Kinder Postzegels Netherlands JTRC could help 5000 Rag Picker Children and 500 Young People in the Skill Development Unit in Educational Rehabilitation and Capacity Building through Skill Development *American Book Publishing Record*, 2002

L. Tuteja, Kaustav Chakraborty, 2017-03-15 This volume brings together eminent Tagore scholars and younger writers to revisit the concepts of nation nationalism identity and selfhood civilization culture and homeland in Tagore's writings As these ideas take up the centre stage of politics in the subcontinent as also elsewhere in the world in the 21st century it becomes extremely relevant to revisit his works in this context Tagore's ambivalence towards nationalism as an ideology was apparent in the responses in his discussions with Indians and non

Indians alike Tagore developed the concept of syncretic civilization as a basis of nationalist civilizational unity where society was central unlike the European model of state centric civilization However as the subterranean tensions of communalism became clear in the early 20th century Tagore reflexively critiqued his own political position in society He thus emerged as the critic of the nation nation state and in this he shared his deep unease with other thinkers like Romain Rolland and Albert Einstein This volume for the first time covers the socio political historical literary and cultural concerns relating to Tagore s efforts towards the de colonization of the Self The volume begins with various perspectives on Tagore s ambivalence about nationalism It encompasses critical examinations of Tagore s literary works and other art forms as well as adaptations of his works on film It also reads Tagore s nationalism in a comparative mode with contemporary thinkers in India and abroad who were engaged in similar debates
