Sacraments And Discipleship Understanding Baptism And The Lords Supper In The United Methodist Context:

Sacraments & Discipleship Mark Wesley Stamm, 2013-08-14 The primary task of the Christian life is to respond to God's gracious initiative by loving God and our neighbor that is the people God puts in our path The sacraments help us do that They hold up a vision of new life and they make that life possible This book discusses how such sacramental grace comes to us and how we might open ourselves to it in a more complete way It emphasizes the work of God's grace yet insists that there is a human side of the covenant the work of receiving grace Dr Stamm helps us discover once again that to talk about the sacraments is to talk about the entirety of human life and Christian discipleship *A Theology of the Sacraments*

Whose Sacrifice is the Eucharist? Stephen B Sours,2024-07-26 This book explores what Catholics and Methodists believe about eucharistic sacrifice Eucharistic sacrifice refers to the offering that Christ and his church make in the celebration of the Lord s Supper It is therefore both a Christian doctrine and a church practice The sacrificial dimension of the sacrament comes both from Christ s sacrifice on the cross and from his self offering at the Last Supper in which Christ gives himself to the Father on behalf of his people This is my body which is given for you Luke 22 19 The eucharist is a sacrificial meal because in the bread and cup Christians are united to the body and blood of Christ that was sacrificed for them on the cross Moreover the resurrected Lord is really present with his people in the eucharist and while his historic crucifixion is an event in the past Jesus salvation continues and his grace is given to his people in the sacrament for this is my blood of the covenant which is poured out for many for the forgiveness of sins Matthew 26 28 Catholics and Methodists believe that Jesus instructs his followers to repeat his words and actions from the Last Supper in their celebration of the eucharist but a long running assumption is that Catholics and Methodists following the historic Reformation schism are deeply divided over eucharistic sacrifice This book challenges that assumption by analyzing what these churches teach on eucharistic sacrifice from historical sacramental liturgical and ecumenical perspectives Key figures like Thomas Aquinas and John Wesley help define eucharistic sacrifice in each tradition Subsequently authoritative texts such as ecclesial statements eucharistic prayers and hymns further specify what Catholics and Methodists believe they are doing when they offer the eucharist to God Sours argues that far from being divided Catholics and Methodists have much in common regarding this controversial doctrine

Patterned by Grace Daniel T. Benedict Jr., 2007-02-01 To many the word liturgy brings to mind juggling a hymnal Bible and a bulletin printed with formal responsive texts as you worship in a cavernous Gothic styled church With great faith and affection Benedict rescues liturgy from its stuffy associations revealing it as a momentous occasion every Sunday no matter the worship style Worship is a remarkable spiritual adventure and the liturgy

itself is God's playground a pilgrimage of individuals and faith communities joining the divine purpose Through the liturgy's daily weekly seasonal and annual dimensions we experience God's power to shape our lives We unite with Christ in heart mind and work to participate in God's new creation Liturgy is more than personal piety writes Benedict It is worship for the long haul It simply goes on week by week and invites us to come along It even carries us when our spiritual feet get tired and our energy level flags Rather than seeing the ordered patterns of worship as a repetitive thing we do liturgy has a cumulative effect as it transforms us to God-oriented worship and living Benedict examines the hidden rhythms of Sunday worship Holy Communion baptism daily prayer the Christian calendar Exercises contained in the group discussion guide will awaken your imagination to the power of the liturgical life Liturgy is where God is waiting Your part is to include yourself in that community of open hands hearts and minds

Table Matters Felicia Howell LaBoy, 2017-11-09 In many churches the work of evangelism and social justice is relegated to clergy staff or special committees Rarely do most members of the laity believe they should or even want to engage in the tasks of evangelism and social justice In this volume LaBoy contends that participation in baptism and Eucharist mandates for all Christians and those who are Wesleyan in their orientation in particular that evangelism and social justice are not optional but in fact integral to their worship and witness She argues that this understanding and practice of the integration of sacraments evangelism and social justice are what can help churches deal with contemporary issues of decline and church disenfranchisement by both congregants and those beyond church walls LaBoy further argues that making the sacraments central to the worship life of congregations is what made early Methodists great evangelists and advocates for social justice
