Sacraments In Protestant Practice And Faith:

The Sacraments in Protestant Practice and Faith James F. White, 2010-12-01 The sacraments were a major factor in the Reformation of the sixteenth century Ever since they have been an important part of Protestant church life Major changes have occurred in our time as most traditions have revised their sacramental rites and experienced many changes in sacramental practices This book traces the most significant practices in the past five centuries explains how they often led to controversies and examines the faith that was expressed and experienced in the sacraments James F White attempts to depict the whole sweep of Protestant sacramental life so that an overall picture is possible And he outlines the possibilities for future developments

The Faith of the Christian Church Tyron Inbody, 2005-04-14 Tyron Inbody has taught the basics of Christian theology for more than twenty five years Having seen over the years what issues and questions his students bring to class he now offers this engaging accessible introduction to all the major beliefs of the Christian faith Meant especially but not exclusively for readers new to theology Inbody's *Faith of the Christian Church* covers twelve traditional areas of Christian teaching theology revelation faith God creation suffering and evil humankind Jesus Christ salvation church sacraments and the end times Inbody also dives into provocative topics not usually treated in introductory texts creationism the devil miracles the virgin birth and more The book's broad ranging perspective which intentionally defies labels commends it to individuals and small groups from many church traditions Quote boxes and illustrations drawn from popular culture make the text visually interesting and enjoyable to read Inbody does not hide his own stance on issues but presents a full range of interpretations and openly points readers to other possibilities they can pursue *The Faith of the Christian Church* offers just enough questions to provoke reflection and just enough answers to encourage readers to form their own grasp on the Christian faith

Touched by Christ: The Sacramental Economy Lawrence Feingold, 2021-05-07 The sacramental economy was instituted by Christ and entrusted to His Church in order to build up the Body of Christ in a twofold communion binding the members together with God and one another *Touched by Christ The Sacramental Economy* is an introductory course on Sacramental Theology suitable for all who seek a deeper understanding of how the Church's sacraments constitute channels of grace nurture supernatural life and heal us from our sins Lawrence Feingold expertly describes the nature of the sacraments their purpose fittingness and relationship with Christ and the New Covenant their relationship with the Old Covenant rites that prefigured them the character and grace that they communicate and the nature of their causality *Touched by Christ* shows that the sacraments of the New Covenant should be understood as instruments of Christ's humanity that are used as words of power to communicate the sanctification that they signify infuse grace communicate the Holy Spirit and build up ecclesial communion in those who receive them with the right dispositions

Sacraments and Worship Maxwell E. Johnson, 2012-02-15 The church's development and use of sacraments has evolved in many ways from the days of the early church to the present This sourcebook provides key theological texts that

played a role in those movements Johnson traces the history and theology of individual sacraments along with their liturgical context in the church's worship. He includes materials previously developed in James F. White's classic collection *Documents of Christian Worship: Descriptive and Interpretive Sources* (Westminster John Knox Press, 1992) and supplements these to provide a wide range of indispensable materials. He also contributes helpful background notes to give the reader the full breadth and depth of the church's thought on these important topics. This book will be of great value to those studying the history of Christian worship and the development of the sacraments.

The Special Service Worship Architect Constance M. Cherry, 2013-07-15 One of the Best Books of 2013 Worship Leader This book takes the principles found in Constance Cherry's successful *The Worship Architect* in which she provided dynamic blueprints for designing worship services and applies them to special services in the life of the church. Cherry, a worship professor and practitioner, offers theological reflection, practical guidance, and suggested resources to help worship leaders and ministry students in training to create meaningful special services related to the sacraments, life passages, and other occasions. Cherry sets forth a process concerning worship design for special services and demonstrates how this process is conducive to virtually any style of worship practiced today in a myriad of Christian communities. She includes a model order for each service type, including weddings, funerals, baptisms, child dedications, Holy Communion, and more. The book not only explains what leaders do in order to preside at special services and how to do it, but also why they make certain choices. Each chapter includes discussion questions, practical exercises, and a basic glossary.

Baptism, Superstitions, and the Supernatural Lesley George Anderson, 2022-07-07 Baptism, Superstitions, and the Supernatural by Rev. Dr. Lesley G. Anderson is a book uniquely and unquestionably one of the most informative and remarkable of its type. The sacrament of baptism is undoubtedly to this day an exceedingly controversial sacrament of the Christian Church. The continuing differing debates, arguments, and views about adult believers versus infant baptism are examined. Superstitions and the supernatural associated with this sacrament are given adequate attention in addition to the many other informative factors relating to this sacrament. Further, this sacrament is examined as a scriptural, psychological, theological, and social reality. The introduction of baptism as a liturgical phenomenon highlights the educational quality of this book as it takes the reader into the interesting and fascinating areas of baptism of blood, baptism by fire, baptism of the dead, baptism of the Holy Spirit, and baptism in the name of Jesus only. In addition, this book brings to the fore an intrinsic excitement and understanding about the symbols and symbolism's images and mysteries, signs and wonders associated with this sacrament. The role of the Holy Spirit and the centrality of Jesus in the baptismal act are of importance recognized. If symbolically baptism means dying to sin and rising to new life with Christ, does this apply only to adult believers? This book explores the question against the background of research conducted in the Central American country of Belize that unearthed the views and beliefs of laypersons. The reach of the work extends beyond Belize, and Methodist traditions are compared with contrasting beliefs and practices of other denominations. Popular

superstitions associated with baptism are also explored as well as the impact of African cultural practices on Christian theology in the lived experience of Caribbean peoples. Although this research was conducted in Belize it is borderless and boundless. Of vital interest is the exploration of this sacrament in African religious beliefs and cultural practices. According to Professor Neville Duncan, former director of the Sir Arthur Lewis Institute of Social and Economic Studies at the University of the West Indies, Mona, Jamaica, the book is theologically and sociologically stimulating while written from the Methodist perspective, the issues raised will resonate with all Christian denominations. All denominations noted in this book are given their due respect regardless of their beliefs and or baptismal practices.

The Theology of The United Church of Canada
Don Schweitzer, Robert C. Fennell, Michael Bourgeois, 2019-02-14

The United Church of Canada has a rich and complex history of theological development. This volume, written for the general reader as well as students and scholars, provides a comprehensive overview of that development together with an analysis of this unique denomination's core statements of faith and its contemporary theological landscape. When the Methodist Congregational and Local Union Churches in Canada as well as most of the Presbyterians came together as The United Church of Canada, the theological commonalities between them were significant. Over the succeeding decades, this made-in-Canada denomination has continued to define its convictions through consensus building and large scale studies. This volume, written by leading scholars, outlines key faith perspectives in areas such as creation, the Trinity, Jesus Christ, the Holy Spirit, the Bible, sin, mission, and sacraments. No book like this has appeared in over seventy years, and readers will find insight here that is unparalleled in its scope. In creative tension with each individual member's freedom of conscience, the United Church as a whole has continued to express its commonly held faith in dialogue, continuity, and critical interaction with the faith of the worldwide historic Christian community.

Handbook of Latina/o Theologies Edwin David Aponte, Miguel A. De La Torre, 2006-05-01

Handbook of Latino a Theologies explores the varied theological, ecclesiastical, spiritual, and cultural expressions associated with the term Latino a or Hispanic theology. There is no single definition of Hispanic Latino theology, but rather a multiplicity of perspectives within the diverse Latino a communities that articulate a distinctive and relevant Hispanic viewpoint. This collection of thirty-four essays surveys how Latinos understand and do theology within those varied contexts. It gives attention to the history, nature, sources, and development of Latinos as theological expressions within the U.S. and their contribution to the overall theological discourse and to the individual groups that gave rise to them. Part I of the handbook presents essays on many traditional topics in Christian theology, representative both of the individual authors and various beliefs found in Latino a communities. Part II focuses on trends and contextual issues within the overall Hispanic Latino theological conversation.

Introduction to Christian Worship James F. White, 2023-11-21

James White's classic Christian worship text, revised and updated. The book, which students of worship have read and re-read, is now revised and updated for the first time in more than twenty years. Author Ed Phillips, one of White's graduate students, is joined by practitioners and teachers from emerging

generations who contribute timely and well researched material from their own areas of expertise This new content brings the original up to date filling significant gaps since the original publication on topics like technology arts embodiment in and of worship pluralism and multiculturalism denominational changes and changes in the spaces and forms of worship including worship in the age of pandemics This new edition will take its place on the shelf of every student pastor and leader of Christian worship

Charting Churches in a Changing Europe, 2006-01-01 The countries of Europe are seeking to redefine themselves both individually and in relation to each other This volume examines the role of the Christian churches at various levels of that process The Charta Oecumenica a ground breaking document from the Conference of Churches in Europe and the Council of European Bishops Conferences aimed to set forth the ecumenical response of the European Christian Churches to the living out of faith in today's world Four theologians Protestant Roman Catholic Orthodox and Lutheran respond to this document assessing its strengths and the areas where further development is required At least implicitly this discussion raises questions about the nature of catholicity and communion a topic the following four essays address What is catholicity what happens when there is too strong an emphasis on the national church and are there models of gradual church communion to which the churches could assent Gradual communion sets out to attain full including sacramental unity and the final two essays explore how sacramental theology might assist in this process

Pentecostal Ecclesiology Chris Green, 2016-06-27 This reader in Pentecostal ecclesiology edited by Chris Green brings together in a single volume a number of critically important previously published essays written by leading Pentecostal and charismatic scholars addressing the theology of the church sacraments and ministry in the Pentecostal charismatic traditions Contributors include Estrela Alexander Peter Althouse Jonathan E Alvarado Ken Archer Daniela Augustine Simon Chan Graciela Esparza Jenny Everts Chris E W Green Walter Hollenweger Cheryl Bridges Johns Veli Matti Kärkkäinen Andy Lord Frank Macchia Clark Pinnock Margaret M Poloma Lisa Stephenson Wolfgang Vondey and Amos Yong

The Christianity Reader Mary Gerhart, Fabian Udoh, 2007-09 Christianity is the world's most populous religion with some two billion adherents As a world religion Christianity has flourished because it is capable of taking on new forms in new contexts To understand both the religion's history and its present state Mary Gerhart and Fabian Udoh gather original texts from early Christian writings to contemporary documents on church related issues in *The Christianity Reader* The most comprehensive anthology of Christian texts ever in English this is a landmark sourcebook for the study of Christianity's historical diversity With newly edited annotated and translated primary texts along with supplemental analytical essays the volume allows Christianity at long last to speak in its many voices Focusing on Christianity as a religion Gerhart and Udoh select texts that illuminate issues such as theology mysticism and ritual while also articulating the stories of previously marginalized groups as well as those in new and growing epicenters of the religion With nearly three hundred selections the texts encompass the entire history of Christian writings excluding the New Testament from Justin Martyr and Tertullian to Fabien Eboussi

Boulaga and Teresa of Calcutta Eight thematic sections cover biblical traditions and interpretations early influences nascent forms patterns of worship structures of community philosophy theology and mysticism twentieth century issues and challenges and the contemporary relationship between Christianity and other world religions The Reader s contents are arranged chronologically and are supported with introductions and source notes that explain the rationale for their inclusion and their context Providing a far richer selection than ever before available in a single volume The Christianity Reader will be welcomed as both a classroom resource and a work of reference for decades to come

Person, Personhood, and the Humanity of Christ

Hakbong Kim,2021-05-19 The quest for an understanding of humanness has been significant As the ways in which we recognize and define our human being have significant impact wide ranging discussions and questions about the human have taken place with significant theoretical and practical implications In Person Personhood and the Humanity of Christ Hakbong Kim explores Thomas F Torrance s critiques of the dualist and individualistic views concerning human beings in the history of philosophy and theology This book sheds important light on Torrance s understanding of humans as persons in relation the trinitarian personhood as the ontological foundation for human personhood and the humanity of Christ as key to the personalization necessary for a new moral ethical and social life This presents a Christocentric anthropology and ethics which focuses on Christ s ongoing reconciling and humanizing ministry for us

Sacraments as God's Self Giving James F. White,2001 A comprehensive look at the sacraments in today s mainline Protestant churches This volume shows how the church can utilize the power of physical symbolism embodied in both the outward and visible and the inward and spiritual to enrich worship

Religious Intimacies Mary Dunn,Brenna Moore,2020-11-03 An essay collection that demonstrates how emotional ties and intimate affiliations remain critical to the dimensions of modern Christianity Scholars of religion have come a long way since William James famously made of religion a matter between man and his maker For decades now they have been attentive to the ways in which religion takes shape as the product of broad social forces focusing on the dynamics of power and culture as heuristics for understanding religious phenomena and experience What however might they be missing by moving too quickly from one interpretative extreme to the other and what might we learn about religion by staying in the interstitial space between the individual in her solitude and society as a whole *Religious Intimacies* edited by Mary Dunn and Brenna Moore brings together nine scholars of modern Christianity to probe this in between space In essays that range from treatments of Jesuit indigenous relations in early modern Canada to the erotics of contemporary black theology each contributor makes the case for the study of the presence and power of affective ties and relational dynamics between friends lovers and intimate others even things as vital to the understanding of religion These thoughtful and probing essays convincingly show that ties built upon affect family and shared convictions have continued to inform lived religious experience in modern times and shape western Christianity in significant sometimes surprising ways Jodi Bilinkoff University of North Carolina at Greensboro A rich collection of essays

that use intimate relationships to chart a course between solitude and society Tamsin Jones Trinity College

Religious Involvement in Hearing Sermons Theo Pleizier, 2010

Theology of the Open Table Eojin Lee, 2016-11-23 Theology of the Open Table begins with research on the traditional eucharistic understanding in the Presbyterian Church of Korea PCK through cultural and social analyses In developing his argument Eojin Lee has especially researched the biblical theological and early church sources in relation to his subject the Eucharist and the open table This book seeks to provide sound theological justification for the open table with an introduction of practices of the open table in the Uniting Church in Australia UCA

Sent and Gathered (Engaging Worship) Clayton J. Schmit, 2009-10-01 Historic changes are occurring in the convergence of worship styles throughout the Christian church Christians across the theological spectrum are seeking to learn from their own traditions roots and from the liturgical expressions of believers in other times and places Here worship expert Clayton Schmit examines worship in church settings around the globe and provides a practical manual for shaping liturgies that are informed by and relevant to contemporary missional contexts The book broadens current ecumenical worship conversations reveals insights drawn from the church at worship in the world and argues for a common understanding of a theology of worship

A Grammar of Christian Faith Joe R. Jones, 2002-06-03 A Grammar of Christian Faith is a two volume set that aims to confront the widespread disarray in the language and practices of Christian faith today As a grammar it explains how Christian faith provides special ways of speaking and acting that make sense of human life by giving it meaning practicality and hope It advances the thesis that learning how to speak Christian language in worship and life is crucial to learning how to be a Christian Rather than supposing that Christian language and theology need continual updating in order to be relevant to the world Jones urges the church to recover anew how Christian concepts and understanding are intended to form Christian life in all its rich depths Construing theology as confessional theology in the context of the church Jones understands the church as that liberative and redemptive community called into being by the Gospel of Jesus Christ to witness in word and deed the triune God for the benefit of the world The full range of doctrinal themes that are deemed essential to the witness of the church are explored including clear explanations of why they are essential and how they are to be understood In pursuit of a truthful and beneficial witness of the church the work centers on a trinitarian understanding of God in which God freely and lovingly interacts with the world as Creator Reconciler and Redeemer The work throughout affirms the belief that the gracious triune God is the Ultimate Companion who will redeem all creation

New Life in the Risen Christ Jonathan A. Powers, 2023-05-26 Baptism is a foundational rite and sacrament of the church Over the centuries the significance of baptism for Christian life and faith has been confirmed by the church but baptism remains a highly controversial topic Numerous disagreements exist between denominations and faith traditions including the various descendants of the original Methodist movement over the doctrine and practice of baptism Who can be baptized Why is baptism done What does the rite mean New Life in the Risen Christ A Wesleyan Theology of Baptism seeks to

address confusion over baptism and offer a coherent treatment of the sacrament from a Wesleyan theological perspective Distinguished scholars from around the world are brought together in this volume to examine the writings of John Wesley and offer scholarly reflections on topics related to the sacrament of baptism Their work is an invitation to remember and be thankful for baptism as the sign of divine grace that initiates Christians into a new reality life in the risen Christ

Sacraments In Protestant Practice And Faith Introduction

In today's digital age, the availability of Sacraments In Protestant Practice And Faith books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Sacraments In Protestant Practice And Faith books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Sacraments In Protestant Practice And Faith books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Sacraments In Protestant Practice And Faith versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Sacraments In Protestant Practice And Faith books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Sacraments In Protestant Practice And Faith books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Sacraments In Protestant Practice And Faith books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized

books and historical documents. In conclusion, Sacraments In Protestant Practice And Faith books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Sacraments In Protestant Practice And Faith books and manuals for download and embark on your journey of knowledge?

FAQs About Sacraments In Protestant Practice And Faith Books

1. Where can I buy Sacraments In Protestant Practice And Faith books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
