Miller,2011-04-25 The concept of raising the spiritual light quotient is similar to the intelligence quotient used in modern psychology the IQ test However the spiritual light quotient is not the same as intelligence Rather the SLQ reflects one s ability to understand spiritual concepts to meditate and to connect with other dimensions It also is a measurement of one s ability to understand the relationship between Earth and the environment of the Earth and Earth s relationship to the galaxy Finally it is a measurement of one s ability to understand the existence of other dimensions as well as the relationship between the ascended masters and guides and our journey to higher realms for soul evolution Thus it appears necessary to look at the SLQ of a person the SLQ of an area and the SLQ of a planet All of the channeling I bring forth is based on the concept of the Sacred Triangle which is a new paradigm for spirituality This paradigm states that in order to heal Earth and bring everything into balance one must unite the concepts of galactic spirituality with ancient mystical thought and with the energies of native peoples including Native Americans **2012, the Bible, and the End of the World** Mark Hitchcock,2009-09-15 In 2012 the Bible and the End of the World bestselling prophecy expert Mark Hitchcock explores a fascinating last days controversy that is gaining the attention of millions all over the globe What should Christians make of the rapidly spreading speculations that the world will end on December 21 2012 The ancient Mayans were expert astronomers and their advanced calendar cycles predict 12 21 2012 as a catastrophic day of apocalypse This prophecy has spawned a growing number of fringe element books Web sites and even a major movie complete with all star cast scheduled to release in July 2009 Missing in the furor is a biblical perspective Bible teacher Mark Hitchcock whose books have sold more than 300 000 copies examines the following questions Why December 21 2012 Can
