revealed that Woolf had finished this mock biography making it her first fully realized literary experiment and a work that anticipates her later masterpieces Published here for the first time in its final form The Life of Violet blends fantasy fairy tale and satire as it transports readers into a magical world where the heroine triumphs over sea monsters as well as stifling social traditions In these irresistible and riotously plotted stories Violet who has powers as marvelous as her height gleefully flouts aristocratic proprieties finds joy in building a cottage of one s own and travels to Japan to help create a radical new social order Amid flights of fancy such as a snowfall of sugared almonds and bathtubs made of painted ostrich eggs The Life of Violet upends the marriage plot rejects the Victorian belief that women must choose between virtue and ambition and celebrates women s friendships and laughter A major literary discovery that heralds Woolf s ambitions to revolutionize fiction and sheds new light on her great themes The Life of Violet is first and foremost a delight to read This volume features a preface afterword notes and photographs that provide rich historical literary and biographical context **Archaeologia**
