Sacred Manhood Sacred Earth:

Sacred Manhood, Sacred Earth Joseph Jastrab, Ron Schaumburg, 1994 A firsthand account of the vision quest explores the rituals meaning and impact of this contemporary rite of passage that lies at the heart of the men's movement discussing the impact of various cultural teachings on the rite and its influence on participants *Sacred Manhood, Sacred Earth* Joseph Jastrab, Ron Schaumburg, 1995 **The Politics of Manhood** Michael Kimmel, 2009 A much needed often startling debate on the personal and political dimensions of masculinity **The Hidden Spirituality of Men (Volume 1 of 3) (EasyRead Super Large 24pt Edition)** , *The Hidden Spirituality of Men (Volume 1 of 2) (EasyRead Large Bold Edition)* , *D.H. Lawrence* Dolores LaChapelle, 1996 This book will change the way you think about D H Lawrence Critics have tried to define him as a Georgian poet an imagist a vitalist a follower of the French symbolists a romantic or a transcendentalist but none of the usual labels fit The same theme runs through all his work beginning with his very first novel *The White Peacock* and ending with the last line of his final book *Apocalypse* Always it is nature He said this over and over again and no one especially those who feared the old ways of harmonious and balanced living on the earth understood him **Home Inside the Globe** Gail Straub, 2025-06-10 A memoir taking you to far flung places across the globe and the inner realms of the soul *Home Inside the Globe* takes its place beside some of the best travel memoirs but it stands on its own as a new kind of reading experience Gail Straub's writing is infused with the pace of a poet and the grace of a mystic Elizabeth Lesser cofounder of Omega Institute and author of *Broken Open* In a world run amuck with seemingly irreparable differences and conflicts Gail Straub's memoir offers an antidote As a seeker on pilgrimage across the Sahara with indigenous Tuaregs trekking off the beaten trail high in the Himalayas the intrepid Straub seeks out all that is different so that she can become whole As an activist Gail becomes immersed in Gorbachev era Russia and Deng Xiaoping era China She empowers sex workers in India and Syrian refugees in Jordan Here out beyond man made political borders she finds a boundless realm where we connect as human beings transcending nationality skin color gender socio economic status and religion *Home Inside the Globe* is an invitation to awaken as individuals so that we can fully participate in creating a better world for all people Gail Straub is the author of eight award winning books As the co founder of the Empowerment Institute she is a leading authority on women's empowerment where her work to help women heal from violence and lead productive lives has impacted several million people throughout Africa India and the Middle East gailstraub.com *Healing the Male Psyche* John Rowan, 2020-04-03 John Rowan argues that if men are to escape from their old roles and the new pressures of social uncertainty they need to be initiated into a new kind of masculinity but that this process must be personal to each man He explores how therapy can help or hinder the process of transformation Written for men who are looking for a new way of understanding their predicament as well as psychotherapists and counsellors working with men *Healing the Male Psyche* is packed with useful information and exercises and supported by a wide range of references *From Boys to Men* Bret

D.H.Lawrence's Philosophy of Nature Dr. Tianying Zang,2011-12-16 This book is a study of D H Lawrences view of nature his ecological consciousness contributes to his unique place within modern aesthetics An affinity

has been examined between Lawrence's ideology of man nature relationship and the classic oriental philosophies concerning nature particularly the ancient Taoism. In Lawrence's novels and essays one finds that virtually all aspects of his religious vision are anticipated in Eastern literature. His almighty Holy Ghost for example who is responsible for the sacred underlying unity is named Brahman by Hindus, Dharmakaya by Buddhists and Tao by Taoists. His duality with its stress on the dynamic balance between complementary life principles is fully worked out in the Yin Yang philosophy of Taoism. **Integral**

Ecology Sean Esbjörn-Hargens, Michael E. Zimmerman, 2009. Dozens of real life applications and examples of this framework currently in use are examined including three in depth case studies: work with marine fisheries in Hawaii, strategies of eco activists to protect Canada's Great Bear Rainforest and a study of community development in El Salvador. In addition eighteen personal practices of transformation are provided for you to increase your own integral ecological awareness. Jacket

The Hidden Spirituality of Men, **Mythopoetic Perspectives of Men's Healing Work** Edward R. Barton, 2000-09-30. Photocopied galley proof with manuscript revisions and printer's annotations of Mythopoetic perspectives of men's healing work 2000 published by Bergin Garvey. **Spring**, 1994. **Parched Earth** Elieshi Lema, 2001. This is an extraordinary first novel by a Tanzanian women writer. The central character Doreen tells her story in the first person narrative. Born into a women headed household in a rural area her inner life and development mirror her life's passage: education, career, the town marriage and motherhood. Whilst not didactic nor impinging on beautifully crafted writing the novel deals with gender politics from a local level rather than a western oriented feminist stance. Both fatalism and separatism are rejected and the book is imbued with insights and touchstones about the female condition. **The Prentice Hall Guide to Evaluating Online Resources with Research Navigator, Sociology 2004** Melissa Payton, 2004. **The Incarnate Word** John Williamson Nevin, Philip Schaff, Daniel Gans, 2014-12-29. The Incarnate Word contains a selection of the key writings on the doctrines of Christology produced by the theologians of Mercersburg Seminary during the middle of the nineteenth century. Despite the seminary's small stature and marginal position within American religious life these texts represent some of the most profound wrestlings with the doctrine of the person of Christ that appeared in antebellum America, engaging the latest in German theological scholarship as well as the riches of the Christian tradition. As such they command more than mere historical interest providing rich conversation partners for contemporary debates in Reformed Christology and anticipating the insights of such key twentieth century theologians as T. F. Torrance. The present critical edition carefully preserves the original texts while providing extensive introductions, annotations and bibliography to orient the modern reader and facilitate further scholarship. The Mercersburg Theology Study Series is an attempt to make available for the first time in attractive, readable and scholarly modern editions the key writings of the nineteenth century movement known as the Mercersburg Theology. An ambitious multi year project this aims to make an important contribution to the scholarly community and to the broader reading public who can at last be properly introduced to this unique blend of

American and European Reformed and catholic theology Lords of the Earth Don Richardson, 2008-08-01 Engulfed in the darkness of Irian Jaya's Snow Mountains live the Yali naked cannibals who call themselves lords of the earth Yet in spite of their boldness they live in terror and bondage to the women hating child despising gods they serve Missionary Stan Dale dared to enter their domain and be an instrument to change their future Peace Child author Don Richardson tells the story of Dale his wife his companions and thousands of Yali tribesmen in Lords of the Earth This unforgettable tale of faithful determination and zeal against overwhelming odds brings unlikely characters together in a swirl of agony and bloodshed climaxing in a dramatic unexpected ending Readers will find their perceptions of how God moves enlarged and inspired by this classic story For parents and youth leaders looking for real life role models for the new generation of young people you will want to meet the Dales in Lords of the Earth
