Awakening the Divine

Within Anne Armstrong,Jim Armstrong,2011-02-14 Decades ago Jim and Anne Armstrong were living an ordinary American life Not particularly interested in spiritual matters Jim and Annes focus was on their careers and making ends meet But when Anne began suffering from crippling headaches not cured by traditional medicine she and her husband turned to hypnosis and made a discovery that would change their lives forever After hypnosis sessions began to reveal that Annes headaches were caused by spiritual forces straining to express themselves through her Anne began a journey during which she and Jim eventually learned to accept work with and come to terms with these forces a realization that led them to teach workshops around the world helping others understand and develop their own psychic and spiritual abilities In their comprehensive guide to Kundalini practices Anne and Jim worked to demystify the psychic intuitive realm as they shared Annes profound personal experiences and explored in depth the spiritual intuitive process meditation transpersonal counseling and the Kundalini method

Gnostic Secrets of the Naassenes Mark H. Gaffney,2004-04-19 Reveals the hidden meaning of the Grail and a secret Christian doctrine for achieving higher consciousness Shows that Gnosticism is not a derivative of Christianity but the revelation of the true message of Jesus Describes the ancient relationship between water and spirit Explains the doctrine of immanence taught by Jesus at the Last Supper Features the translated source text from The Refutation of All Heresies by Bishop Hippolytus the only existing record of the Naassene Sermon In the third century C E the Catholic Bishop Hippolytus composed A Refutation of All Heresies in which his chief target was the Gnostic sect the Naassenes whose writings included a recounting of Jesus actual teachings at the Last Supper Contrary to Church attacks the Naassenes were not a heretical derivative of Christianity but the authentic foundation and purveyor of Christ s message In fact much of what passes as Christianity has nothing to do with the original teachings of its founder The message recorded in the Naassene Sermon was intended for an inner circle of disciples who were prepared for advanced initiation into Jesus wisdom teachings The Grail discussed therein was not an actual chalice but a symbol of the indwelling of the divine The teachings involved the awakening of spirit and included practices aimed at restoring the soul s lost connection with God Immanence in the true sense intended by Jesus thus allows for spiritual attainment in this life by ordinary individuals without the intermediary of Church or priest This was the real meaning of the Last Supper and why the Naassenes believed that Jesus was the fulfillment of all the Mystery traditions
