# Sacred Transgressions A Reading Of Sophocles Antigone

**Douglas Cairns**

## **Sacred Transgressions A Reading Of Sophocles Antigone:**

Sacred Transgressions Seth Benardete, 1999 This detailed commentary on the action and argument of Sophocles Antigone is meant to be a reflection on and response to Hegel's interpretation in the Phenomenology VI A a b It thus moves within the principles Hegel discovers in the play but reinserts them into the play as they show themselves across the eccentricities of its plot Wherever plot and principles do not match there is a glimmer of the argument Haemon speaks up for the city and Tiresias for the divine law but neither for Antigone The guard who reports the burial and presents Antigone to Creon is as important as Antigone or Creon for understanding Antigone The Chorus too in their inconsistent thoughtfulness have to be taken into account and in particular how their understanding of the canniness of man reveals Antigone in their very failure to count her as a sign of man's uncanniness She who is below the horizon of their awareness is at the heart of their speech Megareus the older son of Creon who sacrificed his life for the city looms as large as Eurydice whose suicide has nothing in common with Antigone's She is all mother Antigone is anti generation **Sophocles: Antigone** Douglas Cairns, 2016-08-25 Antigone is Sophocles masterpiece a seminal influence on a wide range of theatrical literary and intellectual traditions This volume sets the play in the contexts of its mythical background its performance its relation to contemporary culture and thought and its rich reception history But its main aim is to encourage first hand engagement with the complexities of interpretation that make the play so enduringly thought provoking and rewarding Though Creon's actions prove disastrous and Antigone's are vindicated the Antigone is no simple study in the excesses of tyranny or the virtues of heroic resistance but a more nuanced exploration of conflicting views of right and wrong and of the conditions that constrain human beings efforts to control their destinies and secure their happiness The book's chapters consider the extent of the original audience's acquaintance with earlier versions of the legends of Antigone's family the structure of the plot as it unfolds in theatrical performance the presentation of the characters and the motivations that drive them the major political social and ethical themes that the play raises and the resonance of those themes in the ways that the play has been interpreted adapted performed and appropriated in later periods *Looking at Antigone* David Stuttard, 2017-11-02 Antigone is one of the most influential and thought provoking of all Greek tragedies Set in a newly victorious society where possibilities seem boundless and mankind can overcome all boundaries except death the action is focussed through the prism of Creon a remarkable anti hero a politician who in crisis makes a reckless decision whose pride or insecurity prevents him from backing down until it is too late and who thereby ends up losing everything Not just the story of a girl who confronts the state Antigone is an exploration of inherent human conflicts between men and women young and old power and powerlessness civil law and the unwritten laws of nature Lauded in Antiquity it has influenced drama and philosophy throughout history into the modern age With an introduction discussing the nature of the community for which Antigone was written this collection of essays by 12 leading academics from across the world draws together many of the themes explored

in Antigone from Sophocles use of mythology his contemporaries reactions and later reception to questions of religion and ritual family life and incest ecology and the environment The essays are accompanied by David Stuttard s performer friendly accurate and easily accessible English translation **Feminist Readings of Antigone** Fanny Söderbäck,2012-02-01

Feminist Readings of Antigone collects the most interesting and provocative feminist work on the figure of Antigone in particular looking at how she can figure into contemporary debates on the role of women in society Contributors focus on female subjectivity and sexuality feminist ethics and politics questions of race and gender psychoanalytic theory kinship embodiment and tensions between the private and the public This collection seeks to explore and spark debate about why Antigone has become such an important figure for feminist thinkers of our time what we can learn from her whether a feminist politics turning to this ancient heroine can be progressive or is bound to idealize the past and why Antigone keeps entering the stage in times of political crisis and struggle in all corners of the world Fanny S derb ck has gathered classic work in this field alongside newly written pieces by some of the most important voices in contemporary feminist philosophy The volume includes essays by Judith Butler Adriana Cavarero Tina Chanter Luce Irigaray and Julia Kristeva **Antigone in the Americas** Andrés Fabián Henao Castro,2021-07-01

Sophocles s classical tragedy Antigone is continually reinvented particularly in the Americas Theater practitioners and political theorists alike revisit the story to hold states accountable for their democratic exclusions as Antigone did in disobeying the edict of her uncle Creon for refusing to bury her brother Polynices Antigone in the Americas not only analyzes the theoretical reception of Antigone when resituated in the Americas but further introduces decolonial rumination as a new interpretive methodology through which to approach classical texts Traveling between modern present and ancient past Andr s Fabi n Henao Castro focuses on metics resident aliens and slaves rather than citizens making the feminist politics of burial long associated with Antigone relevant for theorizing militant forms of mourning in the global south Grounded in settler colonial critique black and woman of color feminisms and queer and trans of color critique Antigone in the Americas offers a more radical interpretation of Antigone one relevant to subjects situated under multiple and interlocking systems of oppression Creon's Ghost Joseph Tomain,2009-02-19

Creon s ghost Shadows and light Rule and measure The ancient courts of ancient men Law breaking Law s practical theory Timeliness and justice A poet dies **The Bloomsbury Handbook to Literature and Psychoanalysis** Jeremy Tambling,2023-03-09

Providing the most comprehensive examination of the two way traffic between literature and psychoanalysis to date this handbook looks at how each defines the other as well as addressing the key thinkers in psychoanalytic theory Freud Klein Lacan and the schools of thought each of these has generated It examines the debts that these psychoanalytic traditions have to literature and offers plentiful case studies of literature s influence from psychoanalysis Engaging with critical issues such as madness memory and colonialism with reference to texts from authors as diverse as Shakespeare Goethe and Virginia Woolf this collection is admirably broad in its scope and wide ranging in its geographical coverage It thinks about the impact

of psychoanalysis in a wide variety of literatures as well as in film and critical and cultural theory **Antigone, Interrupted** Bonnie Honig, 2013-05-02 Sophocles Antigone is a touchstone in democratic feminist and legal theory and possibly the most commented upon play in the history of philosophy and political theory Bonnie Honig's rereading of it therefore involves intervening in a host of literatures and unsettling many of their governing assumptions Exploring the power of Antigone in a variety of political cultural and theoretical settings Honig identifies the Antigone effect which moves those who enlist Antigone for their politics from activism into lamentation She argues that Antigone's own lamentations can be seen not just as signs of dissidence but rather as markers of a rival world view with its own sovereignty and vitality Honig argues that the play does not offer simply a model for resistance politics or equal dignity in death but a more positive politics of counter sovereignty and solidarity which emphasizes equality in life The Experience of Tragic Judgment Julen Etxabe, 2013-05-02 Adjudication between conflicting normative universes that do not share the same vocabulary standards of rationality and moral commitments cannot be resolved by recourse to traditional principles Such cases are always in a sense tragic And what is called for in our pluralistic and conflictual world is not to be found as many would suppose in an impersonal set of procedures with which all participants could be treated as having rationally agreed The very idea of such a neutral system is an illusion Rather what is needed Julen Etxabe argues in this book is a heightened awareness of the difficulty of judgment The Experience of Tragic Judgments draws upon Sophocles play Antigone in order to consider this difficulty and the virtues that attend its acknowledgment Based on the transformative experience that the audience undergoes in engaging with this play what is proposed is a reconceptualization of judgment not as it is generally thought to occur in a single isolated moment like the falling of an axe but rather as an experience that develops in and through space and time *The Play of Texts and Fragments* J. Robert C. Cousland, James James Rutherford Hume, 2009 This volume is arguably one of the most important studies of Euripides to appear in the last decade Not only does it offer incisive examinations of many of Euripides extant plays and their influence it also includes seminal examinations of a number of Euripides fragmentary plays This approach represents a novel and exciting development in Euripidean studies since it is only very recently that the fragmentary plays have begun to appear in reliable and readily accessible editions The book's thirty two contributors constitute an international who's who of Euripidean studies and Athenian drama and their contributions will certainly feature in the forefront of scholarly discourse on Euripides and Greek drama for years to come **Memory, Historic Injustice, and Responsibility** W. James Booth, 2019-11-05 What is it to do justice to the absent victims of past injustice given the distance that separates us from them Grounded in political theory and guided by the literature on historical justice W James Booth restores the dead to their central place at the heart of our understanding of why and how to deal with past injustice Testimonies and accounts from the race war in the United States the Holocaust post apartheid South Africa Argentina's Dirty War and the conflict in Northern Ireland help advance and defend Booth's claim that caring for the

dead is a central part of addressing past injustice Memory Historic Injustice and Responsibility is an insightful and original book on the relationship of past and present in thinking about what it means to do justice A valuable addition to the currently available literature on historical justice the volume will be of great interest to students and scholars of political science philosophy history and law

**The Owl's Flight** Stefania Achella,Francesca Iannelli,Gabriella Baptist,Serena Feloj,Fiorinda Li Vigni,Claudia Melica,2021-10-25 This book presents a unique rethinking of G W F Hegel s philosophy from unusual and controversial perspectives in order to liberate new energies from his philosophy The role Hegel ascribes to women in the shaping of society and family the reconstruction of his anthropological and psychological perspective his approach to human nature the relationship between mental illness and social disease the role of the unconscious and the relevance of intercultural and interreligious pathways All these themes reveal new and inspiring aspects of Hegel s thought for our time

**Three Theban Plays** Sophocles,2004 The story of Oedipus has captured the human imagination as few others It is the story of a man fated to kill his father and marry his mother a man who by a cruel irony brings these things to pass by his very efforts to avoid them But these plays are not about fate and not about irony They are about character choice and consequence In Antigone we see a woman who will defy human law and die for it rather than transgress the eternal unwritten laws of the gods Oedipus the Tyrant is the story of a ruler destroyed by those qualities pride determination and belief in his own abilities which made him ruler in the first place Finally in Oedipus at Colonus written late in Sophocles life the aged and blinded king achieves a personal reconciliation but at a cost a son who will die in battle against his country and a daughter who will die burying her brother

**International Dramaturgy** Maya E. Roth,Sara Freeman,2008 This collection provides the first full length investigation of the oeuvre of one of Britain s leading dramatists Timberlake Wertenbaker By considering the polyglot playwright s theatre from translations and adaptations to new plays as a dynamic continuum of translations and transformations Maya Roth and Sara Freeman create an intriguing focused frame for understanding Wertenbaker s work as distinctly cross cultural theatrically rich and intertextual providing a prescient case study of the translational turn emerging in international theatre today The contributors investigate translation theory and practice through Wertenbaker s diverse linguistic and genre translations from French ancient Greek and Italian to English and from myth history classics fairytale and literature to the stage Interrelated chapters by scholars and artists from varied countries language traditions and disciplines use performance studies comparative literature feminist theory and cultural anthropology to position Wertenbaker s theatre as a critical nexus for analyzing and imagining cross historical dialogues with contemporary audiences and our plural legacies Thanks to its substantive engagement with the ethics theories and collaborative practices of theatrical translation and adaptation more broadly and its equally rigorous examination of Wertenbaker s hybridic politics and poetics this collection can serve as a useful resource for scholars and artists both

**The Locus of Tragedy** Arthur Cools,Thomas Crombez,Johan Taels,Rosa Slegers,2008-12-31 Ask for the tragic and

Europe will answer Leaving behind the philosophers enthusiasm of the nineteenth century tragedy and the tragic now seem little more than vague containers However it appears that we still discover a tragic essence in our personal lives Time and again tragedy is being registered written down and staged This book wants to open a contemporary philosophical perspective on the tragic What is the locus of tragedy Does it relate to metaphysics the gods destiny and chance Or is it a matter of ethics of the Law and its transgression Does man himself occupy the locus of tragedy because of his unreasonable and boundless desires as many philosophers have suggested Is man today still able to account for his tragic condition Or do we locate the tragic first and foremost in the esthetic imagination Is not the theatrical genre of tragedy the locus authenticus of all things tragic Is there more to the tragic than drama and play

**Antigone's Sisters** Lenart Škof, 2021-05-01 In *Antigone's Sisters* Lenart Škof explores the power of love in our world stronger than violence and ultimately stronger even than death Focusing on Antigone Savitri and Mary the book offers an investigation into various goddesses and feminine figures from a variety of philosophical mythological theological and literary contexts The book also elaborates on the feminine aspects of selected concepts from modern philosophical texts such as the Matrix in Jakob Böhme Clara in F W J Schelling being in Martin Heidegger chora in Jacques Derrida and breath in Luce Irigaray's thought Drawing on Bracha M Ettinger's concept of matrixiality Škof proposes a new matrixial theory of philosophy cosmology and theology of love Despite its many usages and appropriations love remains a neglected topic within Western philosophy With its new interpretation of Antigone and related readings of Irigaray Kristeva and Ettinger *Antigone's Sisters* aims to identify some of the reasons for this forgetting of love and to show that it is only love that can bring peace to our ethically disrupted world

**The Enigma of Good and Evil: The Moral Sentiment in Literature** Anna-Teresa Tymieniecka, 2005-12-13 Striking toward peace and harmony the human being is ceaselessly torn apart in personal social national life by wars feuds inequities and intimate personal conflicts for which there seems to be no respite Does the human condition in interaction with others imply a constant adversity Or is this conflict owing to an interior or external factor of evil governing our attitudes and conduct toward the other person To what criteria should I refer for appreciation judgment direction concerning my attitudes and my actions as they bear on the well being of others At the roots of these questions lies human experience which ought to be appropriately clarified before entering into speculative abstractions of the ethical theories and precepts Literature which in its very gist dwells upon disentangling in multiple perspective the peripeteia of our life experience offers us a unique field of source material for moral and ethical investigations Literature brings preeminently to light the Moral Sentiment which pervades our life with others our existence tout court Being modulated through the course of our experiences the Moral Sentiment sustains the very sense of literature and of personal human life Tymieniecka Papers by Tony E Afejuku Alira Ashvo Munoz Gary Backhaus Alain Beaulieu M Avelina Cecilia Lafuente Predrag Cicovacki Dorothy G Clark Jerre Collins Michael D Daniels Michel Dion Tsung I Dow William Edelglass Richard Findler Jorge Garcia Gomez Jennifer Anna Gosetti Ferencei Andrew Jones Cathcart Lawrence

Kimmel Ken Kirby Marlies Kronegger Megan Laverty Lew Livesay Annika Ljung Baruth Bernard Micallef Rebecca M Painter  
 Bernadette Prochaska Sitansu Ray Valerie Reed Victor Gerald Rivas Kristine S Santilli Christopher Schreiner Jadwiga Smith  
 Max Statkiewicz George R Tibbetts Rosaria Trovato Anna Teresa Tymieniecka Peter Weigel Raymond J Wilson III John  
 Zbikowski     **The Task of Philosophy in the Anthropocene** Richard Polt, Jon Wittrock, 2018-04-06 In its early modern  
 form philosophy gave a decisive impetus to the science and technology that have transformed the planet and brought on the  
 so called Anthropocene Can philosophy now help us understand this new age and act within it The contributors to this  
 volume take a broad historical view as they reflect on the responsibilities and possibilities for philosophy today The term  
 Anthropocene signifies the era of the arrival of human beings as a force that affects global ecosystems in ways that are  
 potentially disastrous for humanity itself as well as for countless other species This volume explores whether philosophy has  
 meaningful tasks to fulfill in this unparalleled situation Do philosophers need to reflect on new topics today Do they need to  
 think in new ways Do they need new relationships to their own tradition And are there concrete actions they should take over  
 and above philosophical reflection The contributors to this volume thus take on the question of the relevance and  
 responsibility of philosophy drawing upon diverse legacies in the current global situation     **Classics of Moral and  
 Political Theory** Michael L. Morgan, 2011-09-15 The fifth edition of Michael L Morgan s *Classics of Moral and Political  
 Theory* broadens the scope and increases the versatility of this landmark anthology by offering new selections from Aristotle  
 s *Politics* Aquinas *Disputed Questions on Virtue* and *Treatise on Law* as well as the entirety of Locke s *Letter Concerning  
 Toleration* Kant s *To Perpetual Peace* and Nietzsche s *On the Advantage and Disadvantage of History for Life*     *Virginia  
 Woolf and the Migrations of Language* Emily Dalgarno, 2011-10-06 Virginia Woolf s rich and imaginative use of language was  
 partly a result of her keen interest in foreign literatures and languages mainly Greek and French but also Russian German  
 and Italian As a translator she naturally addressed herself both to contemporary standards of translation within the  
 university but also to readers like herself In *Three Guineas* she ranged herself among German scholars who used *Antigone* to  
 critique European politics of the 1930s Orlando outwits the censors with a strategy that focuses on Proust s untranslatable  
 word *The Waves* and *The Years* show her looking ahead to the problems of postcolonial society where translation crosses  
 borders In this in depth study of Woolf and European languages and literatures Emily Dalgarno opens up a rewarding new  
 way of reading her prose

## Decoding **Sacred Transgrebions A Reading Of Sophocles Antigone**: Revealing the Captivating Potential of Verbal Expression

In a time characterized by interconnectedness and an insatiable thirst for knowledge, the captivating potential of verbal expression has emerged as a formidable force. Its power to evoke sentiments, stimulate introspection, and incite profound transformations is genuinely awe-inspiring. ### **Sacred Transgrebions A Reading Of Sophocles Antigone Introduction**

In the digital age, access to information has become easier than ever before. The ability to download Sacred Transgrebions A Reading Of Sophocles Antigone has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Sacred Transgrebions A Reading Of Sophocles Antigone has opened up a world of possibilities. Downloading Sacred Transgrebions A Reading Of Sophocles Antigone provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Sacred Transgrebions A Reading Of Sophocles Antigone has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Sacred Transgrebions A Reading Of Sophocles Antigone. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Sacred Transgrebions A Reading Of Sophocles Antigone. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Sacred Transgrebions A Reading Of Sophocles Antigone, users

should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Sacred Transgrebions A Reading Of Sophocles Antigone has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

### **FAQs About Sacred Transgrebions A Reading Of Sophocles Antigone Books**

**What is a Sacred Transgrebions A Reading Of Sophocles Antigone PDF?** A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Sacred Transgrebions A Reading Of Sophocles Antigone PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Sacred Transgrebions A Reading Of Sophocles Antigone PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Sacred Transgrebions A Reading Of Sophocles Antigone PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Sacred Transgrebions A Reading Of Sophocles Antigone PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression

reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
