MIRON REZUN

Saddam Husseins Gulf Wars

Jerry M. Long

Saddam Husseins Gulf Wars:

Saddam Hussein's Gulf Wars Miron Rezun, 1992-10-30 This book deals extensively with Iraq and Saddam Hussein his rise to power his mastery of Iraqi statecraft his pan Arab proclivities and his two Gulf wars the first against Iran and the second against the U S led multinational coalition in 1990 1991 Israeli sources as well as materials gathered during a trip to Turkey and the Kurdish refugee areas in northern Iraq provide additional perspective for the author and his analysis The book portrays a multidimensional Saddam Hussein good and bad strategic and human It throws light on the reasons the U S went to war against Saddam and presents an in depth analysis of the United States policies which at one time supported Iraq s cause in the Gulf region A valuable feature of the book is its detailed discussion of the psychology of Saddam of the Arabs the Iranians the Israelis and the American public before during and after the Gulf War Rezun s conclusions challenge generally accepted views that lay the blame for the war on Saddam Hussein Although Saddam is a cruel and rapacious demagogue U S policymakers are to blame for having supported Saddam for so long The author also rejects the view that General Norman Schwarzkopf was a great hero of the last war Contrary to general opinion Schwarzkopf conducted a no risk operation into which Saddam Hussein was caught because of his miscalculation of U S intentions Critical of U S policies Rezun finds them naive and short sighted Although disapproving of U S policies during the war Rezun praises the support and sustenance given by the Bush administration to the Kurds in the final hours of the Gulf War This book is addressed to generalists and academic specialists and students of Middle East politics

The Gulf War Suzanne Murdico, 2003-12-15 Examines events surrounding the 1991 war between Iraq and a worldwide coalition of forces plus biographical notes on important figures and a look at the effects of this war

The Gulf War Hourly History, 2021-10-04 Discover the remarkable history of the Gulf War The Gulf War took place between August 1990 and February 1991 when Iraq led by Saddam Hussein invaded neighboring Kuwait a small oil rich country in the Middle East His actions horrified and terrified world leaders and average citizens alike as fears about his use of chemical weapons and his plans for further expansion spurred the United Nations into action Eventually a coalition led by the United States would launch a counter offensive against Iraq pushing the Iraqis out of Kuwait and placing limits on their military growth for years to come As the first major global crisis after the collapse of the Soviet Union the Gulf War was a test in foreign relations and set an important precedent for how the world s superpowers would respond in moments of crisis moving forward Discover a plethora of topics such as Lead up to War The Iraqi Invasion of Kuwait The Gulf War Begins Operation Desert Shield Operation Desert Storm The Gulf War Ends Aftermath The Fall of Saddam Hussein And much more So if you want a concise and informative book on the Gulf War simply scroll up and click the Buy now button for instant access

The Mother of All Battles Kevin M. Woods, 2008 Events in this story of the Mother of All Battles as Saddam designated the 1991 war are drawn from primary Iraqi sources including government documents video and audiotapes maps and photographs captured by U S forces in 2003 from the regime s archives and never intended

for outsiders eyes The book is part of an official U S Joint Forces Command research project to examine contemporary warfare from the point of view of the adversary s archives and senior leader interviews Its purpose is to stimulate thoughtful analyses of currently accepted lessons of the first Gulf War While not a comprehensive history the author s balanced Iraqi perspective of events between 1990 and 1991 takes full advantage of his unique access to material The result is a completely unknown but fully documented view from the other side Saddam Hussein Andrew Cockburn,Patrick Cockburn,2002 The idea of direct invasion is the greatest threat to Saddam It avoids the problems of securing local allies inside and outside Iraq which bedevil any indirect approach to get rid of him But it has one immense disadvantage from the US point of view if the US invades Iraq to install its own government it will be taking direct physical control of an area containing more than half the world s oil reserves It will look like the founding of a new American empire based on physical force and will be deeply resented It would outrage the Arabs at a moment when the Israel Palestine conflict is in a particularly bloody phase America could find that it has overplayed its hand just as Saddam did when he invaded Kuwait twelve years ago From the new Prologue At the outset of the 1991 Gulf War US leaders resolved the Iraqis will pay the price so long as Saddam Hussein remained in power This book makes chillingly clear just how terrible that price has been Eleven years ago Saddam was caught by surprise his preparations since September 11 show that lessons have been learnt In a substantial new prologue the authors analyse these preparations and the terrifying consequences of a military invasion of Iraq *Hollow Victory* Jeffrey Record,1993 In *Hollow Victory* iconoclastic defense analyst Jeffrey Record targets the conventional view of the Gulf War victory In his characteristically provocative style he answers controversial political military and strategic questions raised by the war and its aftermath among them Were the UN economic sanctions ever really given a chance to work Could the war have been avoided altogether Why were assessments of Iraqi strengths and weaknesses so inaccurate How did the war s operational setting contribute to its outcome Could a better general than Saddam Hussein have derailed Operation Desert Storm What were the relative contributions of air ground and naval power Did air power win the war Were U S military planning and operations really free of meddling by civilian authorities Did the U S armed services work together harmoniously If you thought you understood what happened in Desert Storm *Hollow Victory* will challenge your conclusions BOOK JACKET Title Summary field provided by Blackwell North America Inc All Rights Reserved **Seeing Through the Media** Susan Jeffords,Lauren Rabinovitz,1994 An eye opening look at the effect of the media on public perception of The Persian Gulf War **Saddam Hussein** 50minutes,2018-02-07 Keen to learn but short on time Get to grips with the life of Saddam Hussein in next to no time with this concise guide 50Minutes.com provides a clear and engaging analysis of the rise and fall of Saddam Hussein Following a series of bloody coups Saddam Hussein came to power in Iraq in 1979 and quickly established an authoritarian dictatorship that endured for over twenty years His leadership was characterised by a series of wars including his invasion of Kuwait in 1990 which culminated in a brutal defeat at the hands of a US led coalition and hefty

UN sanctions being imposed on Iraq Saddam Hussein was removed from power in 2003 but Iraq had been left heavily weakened by years of poverty and repression and soon found itself facing a new enemy in the form of Daesh In just 50 minutes you will Learn about the historical events that paved the way for Saddam Hussein s rise to power Understand the various conflicts that arose in the Middle East during the dictatorship including the Iran Iraq War and the Gulf War Discover how the situation in Iraq has developed since Saddam Hussein was deposed ABOUT 50MINUTES COM History Culture 50MINUTES COM will enable you to quickly understand the main events people conflicts and discoveries from world history that have shaped the world we live in today Our publications present the key information on a wide variety of topics in a quick and accessible way that is guaranteed to save you time on your journey of discovery

Policy and Opinion in the Gulf War John Mueller,1994-07 The Persian Gulf crisis may well have been the most extensively polled episode in U S history as President Bush his opponents and even Saddam Hussein appealed to and tried to influence public opinion As well documented as this phenomenon was it remains largely unexplained John Mueller provides an account of the complex relationship between American policy and public opinion during the Gulf crisis Mueller analyzes key issues the actual shallowness of public support for war the effect of public opinion on the media rather than the other way around the use and misuse of polls by policy makers the American popular focus on Hussein s ouster as a central purpose of the War and the War s short lived impact on voting Of particular interest is Mueller s conclusion that Bush succeeded in leading the country to war by increasingly convincing the public that it was inevitable rather than right or wise Throughout Mueller author of *War Presidents and Public Opinion* an analysis of public opinion during the Korean and Vietnam wars places this analysis of the Gulf crisis in a broad political and military context making comparisons to wars in Panama Vietnam Korea and the Falklands as well as to World War II and even the War of 1812 The book also collects nearly 300 tables charting public opinion through the Gulf crisis making *Policy and Opinion in the Gulf War* an essential reference for anyone interested in recent American politics foreign policy public opinion and survey research

Saddam Hussein in the Post-Gulf War Rosario F. Oxenstierna,1992

The Persian Gulf War Michael Martin,2004 A look at Saddam Hussein s 1990 invasion of Kuwait and subsequent miscalculations that led to one of the most one sided defeats in military history

The Media and the Gulf War Hedrick Smith,1992 America s attention focused on the Gulf War as briefings and bombings filled the airwaves and pictures and stories filled the print media But did the American people receive the information that a free press should guarantee

Saddam's War of Words Jerry M. Long,2004-04-01 From a Western perspective the Persian Gulf War of 1990 1991 largely fulfilled the first President Bush s objective In out do it do it right get gone That s the message But in the Arab world the causes and consequences of Saddam Hussein s invasion of Kuwait and his subsequent defeat by a U S led coalition were never so clear cut The potent blend of Islam and Arab nationalism that Saddam forged to justify the unjustifiable his invasion of a Muslim state gained remarkable support among both Muslims and Arabs and continued to resonate in the Middle East

long after the fighting ended Indeed as this study argues in passing it became a significant strand in the tangled web of ideologies and actions that led to the attacks of 9 11 This landmark book offers the first in depth investigation of how Saddam Hussein used Islam and Arab nationalism to legitimate his invasion of Kuwait in the eyes of fellow Muslims and Arabs while delegitimizing the actions of the U S led coalition and its Arab members Jerry M Long addresses three fundamental issues how extensively and in what specific ways Iraq appealed to Islam during the Kuwait crisis how elites Islamists and the elusive Arab street both in and out of the coalition responded to that appeal and why they responded as they did and the longer term effects that resulted from Saddam s strategy

Desert Shield to Desert Storm Dilip Hiro,1992 During the first two weeks of the air campaign in January 1991 the allied forces dropped more conventional explosives on Iraq and Kuwait than during the 310 weeks of the Second World War How did Saddam Hussein fail to draw the right lesson from the Iran Iraq War the United States would never allow an unfriendly nation to dominate the region containing two thirds of the world s oil reserves And how was President George Bush able to assemble and hold together such a formidable coalition of 28 European and Arab countries In this perceptive and detailed account of the second Gulf War Dilip Hiro author of the much acclaimed book *The Longest War* reveals the complex political economic motivation and diplomatic maneuvering that preceded the 42 day conflict as well as the historical causes and consequences of the war He shows how Saddam Hussein encouraged by internal discontent in Kuwait and angered by Kuwait s attempts to undermine Iraq s economy by depressing the price of oil by flooding the international market made a grievous miscalculation in his invasion of Kuwait Intent on halting the rise of the United States as the sole superpower in the region Hussein instead enhanced Washington s power and prestige and curtailed Iraq s independence Assisted by the ending of the Cold War the United States in a diplomatic blitzkrieg before hostilities began was able to fashion a complex fragile coalition and to muster 750 000 troops and an unparalleled military machine in the region Dilip Hiro examines the strains within the alliance the unprecedented cooperation between Washington and Moscow the new and enhanced role of the United Nations the financial trade offs and material inducements between the allies the repeated attempts at linkage with the Palestinian problem the delicate roles of Israel Iran Turkey and the various Arab regimes the use of television as an instant diplomatic tool the causes course and consequences of the war itself and the prospects of stability in a region where the gulf between oil producing and non oil producing countries remains as perilously wide as ever Containing maps a chronology of events extensive source notes and all relevant Security Council resolutions the book is a comprehensive and objective chronicle of the war as well as an invaluable aid to the understanding of contemporary history and Middle Eastern affairs

The Gulf War Charles River Charles River Editors,2018-02-12 Includes pictures Includes online resources and a bibliography for further reading It was one of the 20th century s most decisive wars but also one of its most influential In the wake of Saddam Hussein s invasion of Kuwait America led a coalition of dozens of nations that repelled the Iraqi attack and smashed Iraqi forces much of which was captured on live television as global networks

broadcast the images back home On the now ironic date of September 11 1990 President Bush addressed a joint session of Congress to explain why he was assembling a coalition of nations to intervene against Saddam Hussein s invasion of Kuwait Bush stated Out of these troubled times our fifth objective a new world order can emerge A new era freer from the threat of terror stronger in the pursuit of justice and more secure in the quest for peace As his son would later attempt over a decade later in another war against Iraq President Bush sought to present the coalition of nearly 40 nations as indicative of multilateralism even though it was dominated by American forces At the time the Soviet Union was less than a year away from collapsing leaving the United States as the sole superpower In fact the new world order that Bill Clinton and future presidents stepped into was one that allowed for American unilateralism Since World War II the United States had protected the West during the Cold War and President Kennedy had coined the term Pax Americana to describe his hope of peace for the world 30 years later American presidents now seemingly had the opportunity to use America s unchecked power to instill and preserve peace across the world As events have proved the attempt to forge Pax Americana would be much easier said than done and American involvement in the Middle East has been directly tied to the First Gulf War As Osama bin Laden and al Qaeda attacked American targets throughout the 1990s and most notably on 9 11 the terrorist leader pointed to the stationing of American troops in Saudi Arabia in response to Saddam s invasion of Kuwait Bin Laden was livid not just because foreign boots were stampeding on what is popularly considered the holiest land in Islam but also because he had wanted to help defend the Saudi kingdom with his own group By lashing out bin Laden was caught up in the Saudi government s crackdown on dissidents and was ultimately forced into exile Bin Laden took refuge in Sudan in 1992 and later in Afghanistan in 1996 Of course the Gulf War also played a role in the more controversial invasion of Iraq which began in 2003 and was again led by the United States That invasion came about as a result of faulty intelligence and Iraq s skirting of United Nations weapons resolutions as well as a biting sanctions regime meant to compel Iraq to comply all of which were put in place after the First Gulf War The resulting chaos in Iraq from the bloody fighting to the rise of the Islamic State can thus all be tied back to the conflict a generation earlier On top of that the stateless Kurds in Iraq continue to be important geopolitical players whether it was their actions during and after the Gulf War or their involvement in the Syrian Civil War politics in Turkey and more The Gulf War The History and Legacy of Operation Desert Shield and Operation Desert Storm looks at the fighting and its aftermath Along with pictures and a bibliography you will learn about the Gulf War like never before Cause & Effect Tom Streissguth,2017-03 The invasion of oil rich Kuwait by its neighbor Iraq in the summer of 1990 posed a strategic and political problem for the United States as well as American allies in the Middle East Through thoughtful narrative supported by fully documented quotes this title begins with A Brief History of the Persian Gulf War and then examines these questions How Did Oil Politics Fuel the Gulf War How Did the Cold War s End Influence the Persian Gulf Conflict What was the Result of Basing US and Coalition Troops in Saudi Arabia What Followed from Allowing Saddam

Hussein's Regime to Survive **The Gulf War** John Bulloch, Harvey Morris, 2016-07-28 After a million deaths and twice that number injured after the destruction of much of the infrastructure of Iran and Iraq disruption of trade throughout the Gulf and the involvement of the USA and USSR was the Gulf War a pointless exercise a futile conflict which achieved nothing and left the combatants at the end of it all back in exactly the same position from which they started in 1980 In this book first published in 1989 the authors argue that the lack of territorial gain was irrelevant the real advantages won by each side were far more important intangible though they were For Iran the channelling of the energies of her people away from domestic concerns meant the continuation of the Islamic revolution and ensured the stability of the mullahs In Iraq the war propped up the increasingly shaky regime of Saddam Hussein The outside world especially the superpowers was terrified of the spread of Muslim fundamentalism so made no effort to prevent Iraq from trying to halt this spread But Israel Saudi Arabia Syria and the oil states also had vested interests in promoting the continuation of the war **Saddam's Iraq**, 2003 A complete briefing on the Iraq crisis and Saddam Hussein **Out of the Ashes** Andrew Cockburn, Patrick Cockburn, 1999-02-17 The world has changed since 1990 The cold war has ended the Soviet Union has disappeared new governments have taken power in Washington and around the globe But one familiar dreaded face still looms over the international landscape that of Saddam Hussein At the end of the Gulf War the White House was confident that the Iraqi dictator's days were numbered His army had been routed his country had been bombed back into a preindustrial age his subjects were in bloody revolt his borders were sealed It seemed impossible that he could survive such disasters World leaders waited confidently for the downfall of the pariah of Baghdad Almost a decade later they are still waiting This is the first in depth account of what went wrong Drawing on the authors firsthand experiences on the ground inside Iraq often under fire and their interviews with key players ranging from members of Saddam's own family to senior officials of the CIA Out of the Ashes tells what happened when the smoke cleared from the battlefields of the Gulf War Leaders of the uprising that almost toppled the dictator describe the desperate mission they undertook to plead for American help and how they were turned away We learn of Saddam's secret plan to fool and corrupt the UN weapons inspectors and how the scheme initially went awry Senior U S intelligence officials explain what they really thought of the Iraqi opposition movement they helped to create An agent on the CIA payroll recounts his exploits planting bombs in Baghdad While U S officials grappled with the ongoing crisis of Saddam's survival the Iraqi leader himself presided over a regime dominated by his own terrifying family Here is the full story of that family animals as one former intimate describes them and its vicious feuds including the downfall of the man who once stood at Saddam's right hand This tale of high drama labyrinthine intrigue and fatal blunders has been played out amid one of the greatest man made tragedies of our times At the outset U S leaders resolved that Iraqis will pay the price so long as Saddam Hussein remains in power Out of the Ashes makes chillingly clear just how terrible that price has been Operation Desert Storm 50minutes, 2016-04-26 Keen to learn but short on time Get to grips with the events of Operation Desert Storm in next

to no time with this concise guide 50Minutes.com provides a clear and engaging analysis of Operation Desert Storm Iraq's decision to invade Kuwait home to one of the largest oil fields in the world in 1990 caused panic in the international community Consequently in early 1991 a coalition of international forces the largest military alliance since the Second World War intervened to drive the Iraqi army out of Kuwait inflicting huge losses on Saddam Hussein's forces in the process In just 50 minutes you will Understand the international political and social context preceding the operation Identify the main leaders of the Iraqi forces and the opposing Allied troops Analyse the outcome of the battle and its impact on future of the Middle East ABOUT 50MINUTES.COM History Culture 50MINUTES.COM will enable you to quickly understand the main events people conflicts and discoveries from world history that have shaped the world we live in today Our publications present the key information on a wide variety of topics in a quick and accessible way that is guaranteed to save you time on your journey of discovery
