**Spy Society** Robin Benway, 2013-07-18 Believe it or not there are some drawbacks to being a 16 year old safecracker daughter of spies and member of an organization that fights corruption and wrongdoing around the world For example never getting to stay in one place long enough to have friends or a boyfriend being the only spy ever to have a 10 p.m. curfew and being sent on assignment to Russia In the winter For Maggie Silver the compensation for the vast inconvenience of being a teenage spy has been avoiding high school and its accompanying cliques bad lunches and frustratingly simple security on the lockers If it's three digits or less why even bother But when Maggie and her parents are sent to New York on a major assignment all of that changes She'll need to attend a private school avoid the temptation to hack the school's security system and befriend the aggravatingly cute Jesse Oliver to gain the information she needs to crack the case all while trying not to blow her cover The first in a new series from Robin Benway Also Known As is the perfect read for fans of *The Gallagher Girls*

Ciuba,2010-09-01 In Walker Percy Books of Revelations Gary M Ciuba examines how Percy s apocalyptic vision inspires the structure themes and strategies of his fiction This book explores the unity of the southern novelist s fiction by focusing on its religious and artistic design one of the first studies to approach Percy s work from this perspective Ciuba considers Percy s six published novels The Moviegoer The Last Gentleman Love in the Ruins Lancelot The Second Coming and The Thanatos Syndrome and also offers the first extended critical analysis of his unpublished work The Gramercy Winner Although the novels are often seen as increasingly satiric jeremiads about the possible doom of America Ciuba argues that Percy s fiction is principally shaped by a demythologized and partially realized form of eschatology This apocalyptic vision has less to do with the end of the external world than with the demise of the protagonists internal worldviews According to Ciuba Percy does more than offer direly comic warnings about the end of the world he shows how the world actually ends and then may begin again in the everyday lives and extraordinary loves of his astonished seers
