## **Shakespeare's Feminine Endings Disfiguring Death In Tragedies:**

Shakespeare's Feminine Endings Philippa Berry, 2012 Philippa Berry draws on feminist theory postmodern thought and queer theory to challenge existing critical notions of what is fundamental to Shakespearean tragedy She shows how through a network of images clustered around feminine or feminized characters these plays disfigure conventional ideas of death as a bodily end as their figures of women are interwoven with provocative meditations upon matter time the soul and the body The scope of these tragic speculations was radical in Shakespeare's day yet they also have a surprising relevance to contemporary debates about time and matter *Shakespeare's Feminine Endings* Philippa Berry, 1999 First Published in 1999 Routledge is an imprint of Taylor Francis an informa company **Shakespeare's Feminine Endings**, 1999

history of the play's criticism from the 1660s through to the present day Readers are provided with substantial excerpts from all the key critical readings including accounts of the interaction between film versions and critical interpretations Griffiths places each reading of the play within its own historical context and within the history of literary criticism offering both students and teachers an approachable introduction to the critical fortunes of this most influential text **Reading**

**Shakespeare's** Ewan Fernie, 2005-11-16 Spiritual Shakespeare's is the first book to explore the scope for reading Shakespeare spiritually in the light of contemporary theory and current world events Ewan Fernie has brought together an exciting cast of critics in order to respond to the religious turn in recent literary theory and to the spiritualized politics of terrorism and the War on Terror Exploring a genuinely new perspective within Shakespeare Studies the volume suggests that experiencing the spiritual intensities of the plays could lead us back to dramatic intensity as such It tests spirituality from a political perspective as well as subjecting politics to an unusual spiritual critique Amongst its controversial and provocative arguments is the idea that a consideration of spirituality might point the way forward for materialist criticism Reaching across and beyond literary studies to offer challenging and powerful contributions from leading scholars this book offers unique readings of some very familiar plays
