Shakespeare's Plays:

The Complete Idiot's Guide to Shakespeare's Plays Cynthia Greenwood, 2008 Here art thou real Shakespeare The resurgence of interest in Shakespeare's plays largely due to recent film adaptations has reminded the world that Shakespearean theatre is a social art form This guide focuses on the essence of the spoken word of his plays rather than simply dissecting them It also explores the cultural and historical contexts for the major plays offering the director's and actor's perspective in addition to that of the scholar and close reader Each major play is explored in depth explaining Shakespearean terms Offers commentary on the experience of each play on and off stage with attention to language and verse Appendixes include Shakespeare's likely collaborations a glossary suggested further reading and resources for viewing live performances and video audio recordings Perfect for students general readers theatregoers and actors Published to commemorate Shakespeare's 443rd birthday

The Language of Shakespeare's Plays B. Ifor Evans, 2005 This volume explores the function of verse in drama and the developing way in which Shakespeare controlled the rhetorical and decorative elements of speech for the dramatic purpose

A Short Guide to Shakespeare's Plays John Goodwin, 1979 Offers brief insights into each of Shakespeare's 37 plays

Shakespeare's Plays William Shakespeare, 1847 [12 Plays By Shakespeare](#) William Shakespeare, 2004-11-19 Convenient and inexpensive this box set features a dozen of the Bard's most popular dramas Unabridged texts of Hamlet Richard III A Midsummer Night's Dream The Merchant of Venice Romeo and Juliet Macbeth The Taming of the Shrew The Tempest Othello King Lear Julius Caesar and Much Ado About Nothing

The Sources of Shakespeare's Plays Kenneth Muir, 2014-04-04 First published in 1977 This book ascertains what sources Shakespeare used for the plots of his plays and discusses the use he made of them and secondly illustrates how his general reading is woven into the texture of his work Few Elizabethan dramatists took such pains as Shakespeare in the collection of source material Frequently the sources were apparently incompatible but Shakespeare's ability to combine a chronicle play one or two prose chronicles two poems and a pastoral romance without any sense of incongruity was masterly The plays are examined in approximately chronological order and Shakespeare's developing skill becomes evident

Shakespeare's Plays with His Life William Shakespeare, 1847

Biblical References in Shakespeare's Plays Naseeb Shaheen, 2011-09-16 The hundreds of biblical references in Shakespeare's plays give ample evidence that he was well acquainted with Scripture Not only is the range of his biblical references impressive but also the aptness with which he makes them Hamlet and Othello each have more than fifty biblical references No study of Shakespeare's plays is complete that ignores Shakespeare's use of scripture The Bibles that Shakespeare knew however were not those that are in use today By the time the King James Bible appeared in 1611 Shakespeare's career was all but over and the Anglican liturgy that is evident in his plays is likewise one that few persons are acquainted with This volume provides a comprehensive survey of the English Bibles of Shakespeare's day notes their similarities and differences and indicates which version the playwright knew best The thorny question of what

constitutes a valid biblical reference is also discussed This study of Shakespeare s biblical references is not based on secondary sources The author owned one of the world s largest collections of early English bibles including over one hundred copies of the Geneva bible and numerous editions of other Bibles prayer books and books of homilies of Shakespeare s day To be of real worth a study of Shakespeare s biblical references should also enable the reader to determine which references Shakespeare borrowed from his plot sources and which he added from his own memory as part of his design for the play The author studies every source that Shakespeare is known to have read or consulted before writing each play and has examined the biblical references in those sources Shaheen then points out which biblical references in his literary sources Shakespeare accepted and how he adapted them in his plays This information is especially valuable when assessing the theological meanings that are sometimes imposed on his plays meanings that often go beyond what Shakespeare intended or what his audience must have understood Biblical References in Shakespeare s Plays is considerably broader in scope than any other study of its kind and provides the scholarly checks and balances in dealing with the subject that previous studies lacked

Understanding Shakespeare's Plays in Performance Jay L. Halio, 1988 Every year hundreds of thousands of people buy tickets to see Shakespeare s plays performed No other playwright commands the kind of interest that Shakespeare does

Broken Nuptials in Shakespeare's Plays Carol Thomas Neely, 1985 Providing a feminist interpretation of the plays that has been written this work is aimed at feminists
